TABERNACLE MEETINGS

Lowry-Moody Meetings at Scottsbluff Progressing Better With Settled Weather

INFORMATION FOR INQUIRERS

So many Alliance people have been asking about the progress of the urban revival meetings at Scottsbluff, held by Rev. Oscar Lowry and Prof. Geo. Moody, who conducted the tabernacle meetings in this city last March and April, that we clip the following from the Scottsbluff Republican of last Friday:

The Tabernacle Meetings

Those who have been attending the meetings in the tabernacle are well pleased with the services and greatly benefitted by the teachings of the pastor and the good people who constitute the regular attendants.

There is much to be derived from the influence of the better class of people who are carrying on the outside work as there is from the visiting men who do the talking and singing at the meetings. If there is nothing else to be gathered from the meetings, they will help to designate the leaders along the right lines and thus prevent such a mutiny as occurred when the chapel car was brought into the limelights. At that time the people were afraid they would be jarred, and sought to place some blame on the evangelist of the chapel car.

At the Sunday afternoon meeting the matters were quite different. Men sat elbow to elbow who had never sat together in a church before. They are not so afraid of the truth now, and the truth is not so severe as it was feared that it would be. The speaker is pointing out evils as a parent would point out evils to a child. Mr. Lowry will address the ladies on Sunday afternoon, and on the following Sunday will close the meetings with an address to men. There is not anything very nice about these meetings, but the speaker refers to matters that should be brought to the attention of the people. He cannot talk with each family, but he can talk to men, and he can talk to women. They all need to know the truth whether it hurts or not.

Whatever the critic may say about the meetings, the best people of the city say they are all right and they constitute a safe jury by which to judge the life and conduct of others.

The money is all raised now to pay all the expenses of the meetings and no one has felt the burden. There can be no kick from anyone. Here is one place where everyone can enjoy the society of the best people of the city and it is his or her fault if they do not improve the opportunity of the best society.

CHAMP CLARK RELIGIOUS

Speaker of House More Devout than Some Predecessors

It may not be known outside of congress and Champ Clark's home district that he is very much more devout than some of his predecessors as speaker of the house of representatives, particularly the one whom he immediately succeeded, but such is the case. Speaker Cannon was noted for his profanity, but Speaker Clark is quite his opposite in that respect, as well as in other things.

The following interview with Congressman George W. Prince of Galesburg was published in the Cuba Journal, Cuba, Illinois, during the campaign preceding the national conventions:

"I have served under several speakers and I must say I admire Clark immensely. He is a man all the way through. He has a quiet dignity about him that compels respect.

"Speaker Clark, you know, is a member of the Christian church. All former speakers, when opening the sessions of the house, have announced in a don't care sort of way, 'the chaplain will now offer prayer'. Not so with Mr. Clark. The first morning that he called the house to order he arose and in a most respectful manner announced, 'the chaplain will now lead us in prayer'. All over the house members looked up in surprise at the changing of the wording of the simple announcement."

CURE YOUR KIDNEYS

Alliance Sufferers Should Take No Further Risk

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before gravel, dropsy or Bright's disease sets in. Can Alliance residents demand more convincing proof than the following?

James A. Kersey, S. Main St., Chadron, Neb., says: "I have used Doan's Kidney Pills on several occasions and I am sure they are a remedy well worth recommending. I had slight symptoms of disordered kidneys for some time and as there has been a trace of Bright's disease in my family for several generations, I decided to try Doan's Kidney Pills. This remedy soon completely cured me. I believe Doan's Kidney Pills to be unequalled for kidney disorders."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

SIX GIRLS WHO SING AND PLAY

The Dunbar Singing Orchestra
A Big Feature of Chautauqua Week.

PLAYING POPULAR MUSIC.

They Filled More Than Sixty Chautauque Engagements in the Larger Cities of Four States—Also a Lyceum Attraction.

There are six girls in the Dunbar Singing Orchestra, one of the five musical companies that appears here Chautauqua Week.

This Orchestra was organized three or four years ago by Mr. Ralph Dunbar, who is at the head of the department of organization in the Redpath Lyceum Bureau.

The idea in the organization of this company was the presenting of a class of popular music that could be appreciated by everyone, and, at the same time, was so perfect from a thoroughly artistic standpoint that there would be no unfavorable criticisms from those of strong musical tastes and keen musical appreciation and understanding.

The company succeeded from the first and it is little wonder. There was a careful selection of the best musicians, capable of becoming a strong part of a singing organization as well as orchestra. The combination of the two—the trained voices and the instruments—gave variety and the character of the work brought applause.

Last summer the Dunbar Singing Orchestra appeared in more than sixty large Chautauques of Iowa, Minnesota, Missouri and Wisconsin and last winter, they filled almost a hundred engagements on the Lyceum platform.

They are known in many places they will visit this summer.

It is one of the strongest and one of the extremely popular of the newer musical organizations.

A Company That's "Standard." The Litchfield Trio, which is to be here Chautauqua Week, is one of the oldest Lyceum and Chautauqua attractions that is known today.

They wrote a little sketch, which they present week-days. Down at

Brook Farm. It made them famous. They have been presenting that for ten years. In America, in England, and on the continent of Europe.

It is a pretty and laughable thing that won applause from the first, the beauty of it being, of course, its peculiar and charming adaptation to those who filled the parts. They fit

ted in so well. It was written by them for them.

Every seven days, the Litchfield present a Sunday program as beautiful and as appropriate as the week-day program is entertaining.

Their music on Sunday is sacred music.

It is one of the most popular Lyceum and Chautauqua attractions, or they will not have been successful at

LIVE STOCK PRICES AT SOUTH OMAHA

Corn Fed Beeves Strong--Grassy Stock Slow and Lower.

HOGS BRING STEADY FIGURES

Sheep Receipts Fairly Liberal and Prices Generally Steady—Lamb Sale and 15@25c Lower Than Last Week's Close.

Union Stock Yards, South Omaha July 15.—Cattle receipts were of fair proportions, about 3,200 head, but over half of these were western grassers. Corn-fed beeves were scarce and strong, with a \$9.25 top. Grassers and butchers' stock ruled slow and unevenly lower. Veal calves sold at full recent quotations and there was a good outlet and a steady market for hogs, stags, etc. Trade in stock cattle and feeding steers continue quiet, with best grades selling stronger, and medium and common kinds slow and weaker. Sandhill feeders brought \$6.60.

Quotations on cattle: Choice to prime beeves, \$9.00@9.50; good to choice beeves, \$8.50@9.00; fair to good beeves, \$8.00@8.50; common to fair beeves, \$6.50@7.75; good to choice heifers, \$6.25@7.50; good to choice cows, \$5.50@6.25; fair to good grades, \$4.50@5.50; canners and cutters, \$2.50@4.25; veal calves, \$4.00@8.00; bulls, stags, etc., \$3.75@6.00; choice to prime feeders, \$6.00@6.60; good to choice feeders, \$5.00@5.75; fair to good feeders, \$4.50@5.00; common to fair feeders, \$3.50@4.50; stock cows and heifers, \$3.25@4.75.

There was not a very heavy run of hogs, less than 4,000 head, and the market was about the same as it was Saturday. Best lightweights command a 10@15c premium and rough, heavy loads sell at bottom figures. Tops brought \$7.35 and the bulk of the trading was at \$7.10@7.25, or practically the same as at the close of last week. In fact, prices were in substantially the same notches as one week ago.

A very good run of sheep showed up nearly 8,000 head, and practically all western rangers. The market was steady as far as mutton grades were concerned, with yearlings at \$5.00, wethers at \$4.50 and ewes at \$4.00. Lambs were 15@25c lower, best grassers bringing the even money, \$7.00.

Quotations on sheep and lambs: Good to choice lambs, \$7.00@7.25; fat range yearlings, \$5.00@5.50; fat range wethers, \$4.25@4.75; fat range ewes, \$3.75@4.10.

DEATH BY A TRUSTED HORSE

Small Boy Meets Death by Being Dragged or Kicked

The Scotts Bluff County Republican of last Friday gives the following account of the death of a Sioux county boy:

Ira Brewer lives with his wife and family of eight children on a farm about sixteen miles north of this city, and he has a family horse which all the children have been in the habit of riding while minding the cattle, or out for play.

Mr. Brewer has been helping other farmers do their work in order to provide the necessary cash to keep the family together. While away from home, Monday, his nine year old son, Elmer, took the family horse to drive the cattle to water about a half a mile away. He started at about eight o'clock in the morning and as he did not return in time for dinner the three older members of the family started in search of him. When they approached a gateway about forty rods from the house they were horror stricken to find their brother lying beside the stirrup of the saddle upon which he was riding. They realized what a shock this would be to mother, so they called J. T. James, who lives on the adjoining farm. He made an investigation as best he could and decided that the boy had been dragged by one foot in the stirrup until probably kicked off by the excited horse. From all appearance the boy had been dead for three hours before being picked up. Mr. James took the body to the house and called in the neighbors to administer to the family while he would drive to town to notify the father, and to make the necessary arrangements for the funeral.

The heart-broken father and the kind neighbor started home about ten o'clock Monday night and brought the body to the Fairview cemetery Tuesday afternoon where the funeral was conducted by Rev. W. C. Harper, of the Methodist church of Scottsbluff.
