Beef Supply Light and Market Steady to Strong.

HOGS ARE GENERALLY STEADY

Sheep and Lamb Receipts Heavy. Market Fully Steady—Not Much Real Good Stuff on Sale—More Feed ers Than Recently.

Union Stock Yards, South Omaha, July 29.—The week opens out with a very moderate run of cattle, about 3,400 head being received. Very few corn-fed were included in today's receipts and they sold at strong figures. Very good 1,385-pound beefs brought \$9.20. There were no new developments in the market for cows and heifers, and for the most part prices were about on a par with last week's close. Veal calves were in active request and stronger and there was a very good inquiry and a quotably firm market for bulls, stags, etc. Stock cattle and feeding steers were comparatively small and with a quite a little inquiry from the country as well as speculators, the trading was brisk on the desirable offerings and prices steady to strong. Grass cattle from the west made up a good share of today's very moderate arrivals and included a very fair sprinkling of desirable beefs. Demand from all sources was good and market quotably strong.

Cattle quotations: Choice to prime beefs, \$9.10@9.65; good to choice beefs, \$8.50@9.00; fair to good beefs, \$7.75@8.50; common to fair beefs, \$6.00@7.75; good to choice heifers, \$6.25@7.25; good to choice cows, \$5.50@6.25; fair to good grades, \$4.25@5.40; canners and cutters, \$2.75@4.00; veal calves, \$4.00@7.75; bulls, stags, etc., \$3.75@5.25; choice to prime feeders, \$6.00@6.75; good to choice feeders, \$5.25@6.00; fair to good feeders, \$4.50@5.00; common to fair feeders, \$3.50@4.50; stock cows and heifers, \$3.25@4.75; good to choice grass beefs, \$7.25@8.25; fair to good grass beefs, \$6.25@7.00; poor to fair grass beefs, \$5.00@6.00.

About 4,831 hogs arrived today and the market was about steady. Common and rough hogs changed hands at figures weak to a little lower. Packing hogs and mixed kinds sold mostly steady, several loads of choice shipping hogs bringing \$7.90.

Nearly 15,000 sheep and lambs were received today and the market was fully steady. There was a good demand for real good stuff, but there was not much of that kind on the market. Some fairly good Idaho lambs brought \$7.35, and a small bunch of yearlings sold as high as \$5.50.

Sheep and lamb quotations: Lambs, good to choice, \$7.00@7.50; lambs, fair to good, \$6.25@7.00; lambs, feeders, \$4.50@5.40; yearlings, good to choice light, \$4.75@5.15; yearlings, good to choice heavy, \$4.50@4.75; yearlings, feeders, \$3.60@4.25; wethers, good to choice, \$4.10@4.50; wethers, fair to good, \$3.75@4.10; wethers, feeders, \$3.25@3.75; ewes, good to choice, \$3.75@4.00; ewes, fair to good, \$3.00@3.75; ewes, feeders, \$2.00@3.00.

SENATE PASSES SUGAR BILL

Measure Carrying Heavy Tariff Cut Gets Big Majority.

Washington, July 29.—A Republican sugar tariff bill, the first purely Republican revision measure of the present congress, was adopted in the senate. Deserting their allies of the last two days, the Republican progressives, by an ironclad agreement with the regulars, succeeded in passing a tariff reduction bill which they believe President Taft will sign if it reaches him.

The sugar bill was a compromise between the Lodge plan, endorsed by the regular Republicans, and the Bristow bill. It would cut the present sugar duty of \$1.90 to \$1.60; would abolish the Dutch standard, under which practically no refined sugar can be imported, and would abolish the 7 1/2 cent "refiners' differential," an additional duty on refined sugar, which, it is claimed, has accrued directly to the profit of the sugar refiners.

The Republicans played "big politics" in the third and last day's fight on tariff measures. The regulars came down from the \$1.82 1/2 duty of the Lodge bill, while the progressives moved upward from the \$1.53 1/2 rate in the original Bristow bill.

Senate Passes Excise Tax Bill.

Washington, July 27.—The senate, by a vote of 37 to 18, passed the house excise tax bill, which would extend the corporation tax law to individuals and co-partnerships on incomes in excess of \$5,000. The bill as passed included a provision for the repeal of the Canadian reciprocity act, and a substitution of a \$2 per ton rate on print paper. Senator Borah's income tax bill was defeated.

RAT WITH PLAGUE

Bubonic Germs Found in Rodent on New Orleans Wharf.

CITY OFFICIALS ACT PROMPTLY

Fight to Exterminate Carriers of Dread Scourge Will Be Vigorously Made—Menace Exists More Than Two Years in England.

New Orleans, July 29.—Bubonic bacilli were discovered on a rat found on the water front here. The discovery was made after several hundred rodents had been examined here in the last few weeks.

After the report of the chemists to the effect that germs of bubonic plague had been found, Dr. J. H. White of the Marine hospital and Dr. William O'Reilly, city health officer, held a conference. Each issued a statement to the effect that there was no cause for apprehension and that the fight against rats would be continued until they are wiped out.

Dr. White's statement follows: "One rat infected with plague has been found on one of the wharves of the city of New Orleans. So far none has been found elsewhere. Every possible precaution is being taken and there is no cause for any apprehension.

Exists in England.

"Rat plague has been in England for more than two years, but because it has been vigorously fought no human cases have occurred and the city health office of New Orleans has already taken measures to combat this small beginning so vigorously that there can be no possible thing left undone to wipe it out entirely and ultimately eliminate all rats from New Orleans.

"I am in a position to know the truth of these statements and I vouch for the absolutely honest and vigorous action of Dr. O'Reilly in this emergency."

A conference of health officers of Georgia, Florida, Alabama, Mississippi, Louisiana and Texas will take place here today. Methods for preventing the introduction of bubonic plague into this country and the question of quarantine regulations should the disease gain a foothold at any southern port will be discussed.

BEGGED AND KEPT \$300,000

Old Woman of Los Angeles Sent to Hospital Mad From Clinking Coins.

Los Angeles, July 29.—Leota Seybold, an old street beggar, was sent to the county hospital. She had been driven mad by constant indulgence in her only pleasure—the counting of pennies and small silver pieces begged from passersby.

It was learned that she is worth \$300,000 and arrangements are being made to send her to the care of two sisters in Oklahoma, where she owns large tracts of land.

Dr. Blendin of the hospital staff said the incessant clinking of coins as she fingered her hoard was what unbalanced her mind.

"Hello!" is a Very Ungraceful Word

"Hello" is an ungraceful and rude little word, tending in telephone conversation to provoke cross-questions, breed ill-temper and start telephone talk "against the grain."

The proper way to answer your telephone is to give the name of your firm, your residence, or your own name, for example:

"Jones and Company—Mr. Jones talking" or "Mr. Smith's residence—John Smith speaking."

That method identifies you at once and is at the same time courteous and direct, saving time and useless conversation. Try it.
