NEWLAND-GREGG

On Monday morning, September 23, at 8 o'clock, at the residence of the bride's parents, Mr. and Mrs. E. I. Gregg, occurred the marriage of their daughter, Agatha, to Dr. Lyndsay Newland of Greenville, Tennessee, Rev. E. von Forell of Scottsbluff officiating. Dr. Newland, now a prominent young physician of Greenville, was a student in the medical department of the State University at Lincoln, and Miss Gregg attended Cotner University when the romance began which culminated in the wedding of Monday.

Mrs. Newland is a charming and talented young lady, and very popular among her associates who will miss her much but who wish her great joy and happiness in her far-away Tennessee home. Dr. Newland is a bright, genial young man who will undoubtedly make a name for himself in the medical profession. After the wedding ceremony a delicious breakfast was served. In the evening the beautiful Gregg home was the scene of a reception which was largely attended by friends and relatives of the young couple. The Misses Broome, Betebener and Bowman received the guests, and Miss Frances Bowman and Winnie Spacht served punch. Dr. and Mrs. Newland were the recipients of many exquisite gifts.

SOCIALIST CANDIDATE TALKS IN ALLIANCE

Two Addresses by Hon. John C. Chase, Socialist Candidate for United States Senator

MADE FAVORABLE IMPRESSION

Honorable John C. Chase, socialist candidate for United States Senate,

EUGENE BURTON Democratic and People's Independent Candidate for COUNTY ATTORNEY Box Butte County Your support respectfully solicited

spoke in the court house hall last Friday and Saturday nights to fair sized audiences. He is a good talker and has a faculty of expressing his subject so as to make it clearly understood by his hearers.

Mr. Chase claims the distinction of being the first person ever elected to the office of city mayor in this county as a socialist. He was elected to that office in his home city in Massachusetts, twelve years ago and served two terms. When he ran for re-election the second time he was defeated by a fusion of the other parties.

Fred J. Warren of North Platte, socialist candidate for congress in this district, will speak at the Phelan opera house in Alliance on the evening of October 16. Mr. Warren is at present police judge of North Platte, having been elected to that office as a socialist.

Weekly Weather Report

We have been having mixed weather the past week. Today the weather is lovely but it has not been so during the past seven days. Besides having rain and some snow there was a freeze Tuesday night which did some damage. Ice froze to a thickness of 1/2 of an inch on water tanks. The thermometer registered ten above zero that night. Indications are now that we will have a spell of nice weather.

POLITICAL MATTER DEFERRED

Owing to rush of work at Herald office some political dope intended for this issue is necessarily deferred till next week. However, the average reader of a local newspaper is probably more interested in local news than politics, and as we have a good amount of the former any deficiency in the latter will probably not be missed.

It Can Be Relied Upon

The American Drug and Press Association authorizes its members to guarantee absolutely Meritol Hair Tonic. It has no equal. It is a wonderful remedy. A trial will convince you. F. J. Brennan.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Dr. J. C. Cheney's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They suffer one hundred dollars for any case it fails to cure. Sent for circulars and testimonials. Address F. J. CHENEY, 400, Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.

D., bishop of the Proestant Episcopal church, will lay the corner stone of St. Matthews church in Alliance and deliver an address. Everybody is cordially invited to attend. ACCIDENTAL DEATH OF FRED QUADE

On Tuesday of this week occurred the death of Fred Quade, a farmer who had lived in the Hemingford neighborhood for many years. On Saturday he purchased a bottle of alcohol at a Hemingford drug store, following his custom of diluting the same and drinking as a beverage. Thru some misunderstanding, either on his own part or the part of the druggist, he was given spoiled. English poorly and was probably misunderstood. The druggist says he asked for wood alcohol. On Monday the effect of the poison began to be felt and Tuesday was so ill that he informed his wife he felt that he would die. She prevailed upon him to tell her where the bottle was out of which he drank. Upon investigation the mistake was discovered. Dr. McEuen was immediately called but was too late to be of any service, the man expiring while the doctor was there.

Dr. Slagle was notified and conducted an inquest with jurymen Barrett, Leopold, Mueller, Ubrig, Romer, Frohnafel and Wildy. They concluded that he came to his death from drinking contents of bottle not with suicidal intent and not knowing the effect the contents might have on him.

He was buried in Hemingford on Wednesday afternoon.

Mrs. Al Wiker returned Monday noon from an over Sunday visit at Anselmo with her daughter, Mrs. Dick Waters.

THE MEN WHO SUCCEEDED

as heads of large enterprises are men of great energy. Success, today, demands health. To ail is to fail. It's utter folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50 cents at Fred E. Holsten's.
