CHILDREN'S LETTERS

TO SANTA CLAUS

Wants, Some Few, Some Many,
Made Known by Writing to
Santa Before Christmas

TWO SPECIMENS FROM MANY

Some of the cutest letters written by children are those addressed to Santa Claus just before the Holiday season. Many such letters are addressed in care of individuals or stores, but many are addressed simply to Santa Claus. In some of the large cities arrangements are made to turn such letters over to persons or organizations that will see to it that none of the children writing them are left entirely without Christmas presents.

The Bee Hive store at Alliance has already received quite a number of such letters, two of which are printed below as samples:

Wants Drum, Horn and Wagon
Alliance, Nebr.

Dear Santa Claus:
I am a little boy, only a little over four years old. My name is Adolph Young. I want you to go into the Bee Hive store and get me a drum, a horn and a little hay rack wagon, and I will be the happiest little boy in Alliance. My home is at 721 Niobrara, so please don't get lost. Wishing you a merry Xmas, as ever yours,
ADOLPH YOUNG.

Water Wings and Other Things

Alliance, Nebraska, Dec. 3, 1912.
Dear Santa Claus:

I would like a good pocket knife. We are going to California some time this week. Bring my toys to J. T. Richardson. Bring me a ring for my Aunt Gladys Richardson and a little electric engine that runs on a track and a bb rifle. I want a drum and a fiddle, a bathing suit and water wings.

To Mister Santa Claus, North Pole, from HARLEY RAY RICHARDSON, with a merry Christmas.

BUYS FINE HOME

Dr. Geo. J. Hand purchased the fine residence property on the northwest corner of Fifth and Laramie the last of the week. This is the property known as the Sexton property. It is in one of the best locations in town for residence purposes and will make the doctor a good, modern home.

Eugene Reeves of Dunlap, Nebraska, is in Alliance taking treatment for his eyes.

N. C. Plummer, of Schell, Nebraska, purchased a fine new buggy from J. L. Acheson this week.

Mrs. Frank Cody of Lakeside has been visiting in Alliance. She was detained here by the sickness of her baby. Mr. Cody will come up next Monday to be with her until the baby is well enough to be taken home.

SHIPPING HOGS TO DENVER

Hog raising has not received a great deal of attention in Box Butte county as that part of farming has been overshadowed by cattle raising and dairying, for which this country is especially adapted; but The Herald is pleased to see his royal ribs, the hog, coming to the front in this part of Nebraska. Dan Watson from near Berea was in Alliance Monday night enroute to Denver with two cars of hogs which were loaded at Hemingford. Tuesday night W. R. Drake, proprietor of the City Meat Market, left for Denver with two loads of hogs, sixty-five head of which were brought in the day before by E. M. Gregg, the others being bought from other parties.

RETURNS FROM HALL COUNTY

L. A. Dean of Malinda came in Tuesday from the southwest part of Hall county where he has been the past six weeks building a barn for his brother. He and some of his neighbors are proving up on their claims this week, final proof being made before the register and receiver at the Alliance land office. Mr. Dean is strongly of the opinion that a man who has held a section of northwest Nebraska land as a claim until he can secure a patent to it from Uncle Sam will do well to continue making the place his home. Some men who have held claims in this country until they made final proof and then sold the land to go to other parts, have regretted that they did not remain here and hold their land.

VIRGIL SMITH COMES BACK

Virgil Smith arrived Monday morning from Buckingham, Iowa, coming via Humboldt, Nebr., for a visit with his parents, who reside at the last named place. Mr. Smith intends to remain in Alliance about six weeks, during which time he will occupy his former position as bookkeeper and salesman at Darling's furniture store. He will then leave for Ames, Iowa, to resume his course of study at the Iowa State Agricultural College.

CARD OF THANKS

To all those who so generously assisted me during my recent misfortune, I hereby extend my most sincere thanks and with them all a very merry Christmas and a happy New Year.

H. W. MARTIN.

REMODELED OFFICE

Lowry & Henry, automobile dealers and proprietors of the largest auto garage in western Nebraska, located in the McCorkle building, have had their private office remodeled and enlarged so as to give them more room and privacy. The private office is now located in the front of the main sales room, on the west side.
