Indigestion

causes heartburn, sour stomach, nervousness, nausea, impure blood, and more trouble than many different kinds of diseases. The food you eat ferments in your stomach, and the poisons it forms are absorbed into your whole system, causing many distressing symptoms. At the first sign of indigestion, try

Thedford's Black-Draught

the old, reliable, vegetable liver powder, to quickly cleanse your system from these undesirable poisons.

Mrs. Riley Laramore, of Goodwater, Mo., says: "I suffered for years from dyspepsia and heartburn. Thedford's Black-Draught, in small doses, cured my heartburn in a few days, and now I can eat without distress." Try it.
