Important U. C. T. Functions at Chadron

A number of Alliance people went to Chadron on Friday to attend the United Commercial Travelers dance that night and public installations the next day. Among those who attended were Mr. and Mrs. Fred Hitchcock, Mr. and Mrs. Jack Berry, Clint Ewing, Joe Poposih, Guy Lockwood and Miss Frances Lockwood. The dance Friday night was a big success, there being 250 on the floor. This was the annual ball and those who went from Alliance felt well paid for making the trip. After the ball Deputy Grand Counselor Harry E. Moss tendered a fine and elaborate spread to the guests from Alliance.

Saturday afternoon the election of officers for the ensuing year and other routine business was taken up. Those who heard Deputy Grand Counselor Harry E. Moss state that his lecture that afternoon was one of the most instructive they had the pleasure of hearing in a long time and he was heartily congratulated.

Saturday evening the public installation of officers was held first. This was followed by a feast, served by one of the leading caterers of Chadron. Then followed a program that was full of enjoyable entertainment from start to finish. The talent was well selected and trained. As one Alliance man said, "Those Chadron boys and their wives always do things up right." The Alliance people want to thank Manager Trigg of the Lane Hotel for his excellent treatment and courteous service while they were there. Guy Lockwood, of the Burlington in Alliance, was enthusiastic over the fine treatment accorded them.

Alliance wishes to extend to the Chadron boys and their wives an urgent invitation to attend the first annual T. P. A. ball in Alliance Friday evening, April 11th. It is hoped that Chadron will send over a good bunch.

Coughs and Consumption

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by Fred E. Holsten. Advertisement 17-4t-2015.

SURE SIGN OF SPRING

The almanacs quite often miss their guess as to when spring will open, wild geese occasionally go north too soon and are driven back by a winter blizzard, and even the trees sometimes bud before killing frosts are all past, but when you see the small boys playing marbles in the middle of the street you can set it down as an infallible sign that spring is here.

PETE WATSON IN ALLIANCE

Pete Watson came over from Mitchell on Monday, returning Tuesday. He and Mrs. Watson expect to attend the stockmen's convention and firemen's tournament here in June. Pete's friends are urging him to take part in the celebration as marshal, but he has not decided yet whether he will do so.

Statement by H. Hier

In regard to the case of Henry Hier vs. L. B. Blair, tried in the district court, I wish to make the following statement:

I found one of my cows, about 3 years old, in Blair's herd, about March 1912, with my brand on, with Mr. Blair's brand covering it. Poorly he branded on the right side, but this he covers my brand on left hip. I called on him and asked him how it came there. He said he had found my brand on his calf. He said his little girls found it with my cattle and he threw it down and put his brand on, that it was his calf and he was going to hold it. Then I told him that it didn't look right to me, and we had better come to some settlement, and he refused to do anything. Then I offered to arbitrate by me picking one man and he pick another and if they could not agree they pick the third. And he would not do anything and I told him we would have to bring it to court to settle.

In the county court the case was decided in my favor, but against me in the district court.

HENRY HIER.

HERALD ADVERTISEMENTS PAY

L. H. Highland, of the Alliance Grocery Company, had it proved to him last week that the advertisements in The Herald are read. He inserted a six-inch, one-column advertisement of some grocery bargains in last week's Alliance Herald and through a mistake in this office, one of the items was made to read, "3 cans tomatoes for 25c" when it should have read, "3 cans of corn for 25c". The rush of business depleted the tomato supply.

Pains in the Stomach

If you continually complain of pains in the stomach your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you too. Only 50c and \$1.00. Recommended by Fred E. Holsten. A GREAT DISPLAY

One of the finest and most artistically decorated windows we have ever seen was the Easter window at the Geo. Molling store. The decorating, which is done by Will Mollring, who is an expert in his line, would instantly attract attention on a big city street as it certainly has done in Alliance. Features of the display were cupid, in the center of the window, real doves in lifelike positions and snow white. The figures were draped with colored party dresses and silks of all descriptions. The waltzes were of the latest and newest 1913 designs. Easter flowers were tastily strewn about the window. In our opinion, it is a window that would do credit to any decorator.

TIMOTHY HAY IN CHERRY CO.

L. H. Jay of Rolf, Cherry county, drove up to Alliance with his family just before the big storm, for a visit with friends and also for osteopathy treatment and dental work. They left for home the first of the week. While here Mr. Jay informed The Herald that a large amount of timothy hay is grown in the part of Cherry county in which he is located, and that more land will be seeded this year. He is north of Whitman, that being his nearest railroad town. He says that any meadow upon which native hay grows is adapted to timothy and that the latter will produce several times as much as the former on the same amount of ground. It might be well for some of the ranchmen of Box Butte and adjoining counties to experiment with timothy on some of their hay land.

Over a carload of fat hogs were brought into Alliance on Monday by Box Butte county farmers. Among those bringing hogs were Messrs. Heath, Curry, Bauer and Deltz.
