## PERU NEWS

By Henrietta Myers

Newsy notes of Alliance people and others at Peru State Normal

At the chapel exercises Friday we were entertained by Miss Lura Pelletier, who gives private lessons in elocution.

Both the Everett and Philomathean literary societies held open sessions on Friday night, in order that the new students might get an idea of the work done by the societies. The Philomatheans gave the burlesque "Young Lochinvar" which was given a few weeks ago and which proved to be a great success.

The Y. W. C. A., Y. M. C. A., the Normal Catholic Association and the Episcopal guild gave a reception in the gymnasium on Saturday night. The purpose of this reception was to give the new students a chance to become acquainted.

Children's Day exercises were held Sunday night at the various churches. Rachel Hayes, Bobby Barker and Herbert Myers took part in the program given at the M. E. church.

We were entertained at the Chapel on Monday by Miss Helen Chase of Lincoln, the new violin teacher.

Miss Alice Aeson assures us she likes Peru and her work here very much.

An excellent five number lecture course is offered for the Summer School. The first number will be given on Thursday night by Neils Darling, the eminent tententainer and characterist.

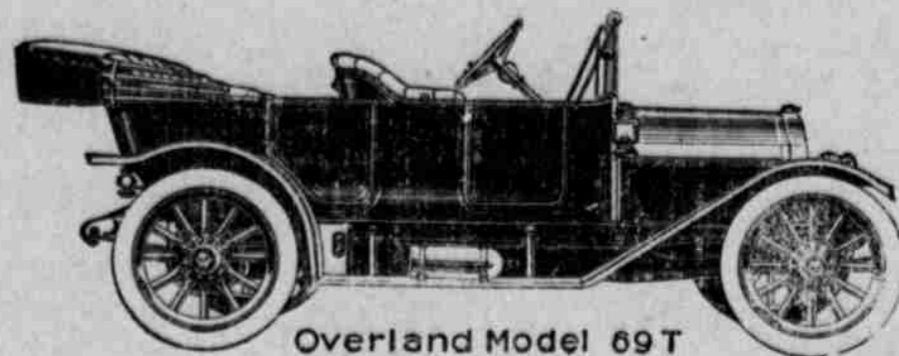

President Hayes and family with Prof. Duncanson and family spent Tuesday afternoon and evening at a picnic and fishing trip.

### PLEASED WITH HOME ON CLAIM

Miss Agnes Jones and Mrs. Weaver, daughters of Rev. Dr. and Mrs. J. L. B. Jones, informed The Herald that they were delighted with their home on the claim three miles north of Ellsworth. Mrs. Jones' Alliance and Hemingford friends will be pleased to learn that she is enjoying better health than when she resided in this county. Dr. Jones has been preaching and lecturing in Kansas, where his services are much in demand.

### VACATION AT CENTRAL CITY

Mrs. J. H. Gleason of Central City, Nebr., mother of Mrs. L. S. Dye, closed a visit of several weeks in Alliance the latter part of last week. She returned home Saturday, accompanied by Miss Altha Dye, who will spend the summer vacation in Central City.

Overland Model 69 T

# \$985 Overland \$985

F. O. B. Toledo COMPLETELY EQUIPPED F. O. B. Toledo

Those who examine the \$985 Overland in an intelligent manner, will find in it most of the identical specifications that describe the average \$1200 car. Why pay more when \$985 will buy as much as \$1200?

There are more Overlands than any other medium priced car in Box Butte County—because every Oakland purchaser is a satisfied owner and because his machine responds to every demand placed upon it by local conditions in Western Nebraska
