Friends Are Always Near by Telephone

The long distance Bell Telephone permits you to reach nearly every one at any time, in a pleasant, direct and personal way.

When you want to visit a distant friend, suppose you compare long distance telephone rates with railroad fare to and from any point, and add the inconvenience of the trip.

Then it's very likely you'll decide in favor of the telephone.

Ask "Long Distance" for rates anywhere.

SO PEOPLE MAY KNOW

THIS IS TO CERTIFY that I, W. W. Burgess, and the firm I represent have complete charge of the "Universal Club" which we are staging for the Alliance Herald and the Daily Herald. That we will have one of our representatives in charge of the "Universal Club" throughout the entire life of the proposition. That we are here for business purposes and a straight legitimate course is the only one we ever pursue. We will also arrange so that Club Members may be instrumental in picking the judges who shall be Box Butte county business men and who shall make the final count of credits in the "Universal Club". We have been in business for years and our integrity has never been questioned. We have conducted numerous contests in this state, and are perfectly willing to refer any interested parties to those who worked in those contests as to our squareness. We are business people, and strangers in this community, but we are ever ready to present evidence to those interested that we have an absolutely clean record.

Yours for fair play,
W. W. BURGESS.
