WIND RIVER LANDS FOR SALE OR LEASE.

The Government is offering 15,000 acres of irrigated lands for sale, and about 31,000 acres for lease.

WHERE LOCATED:—In Fremont County, Wyoming, along the Big Wind River, and Little Wind River south of Thermopolis and west of Bonneville on the Burlington's new line.

WATER, SOIL AND FERTILITY:—These lands have water rights from ditches built by the Government under the direction of the Commissioner of Indian Affairs, and water is now ready for delivery to the lands offered for sale or lease. The soil varies from a medium heavy clay loam in the valleys to a rather light sandy loam on the divides; it is deep and very fertile.

OPPORTUNITY FOR LONG LEASE:—This is a splendid opportunity to secure valuable productive irrigated lands on very favorable terms.

TRUE ECONOMY . . .

means the wise spending of one's money—making every dollar do full duty and getting in return an article that will satisfy you in every way.

The **WHITE** is a real bargain because it is sold at a popular price; because it gives you the kind of sewing you delight in; because it will turn out the work quickly and thoroughly and give you a life time of satisfactory service; because its improvements will enable you to do things which can't be done on any other machine; because it will please you with its fine finish and beauty of its furniture. In short you will find the White reliable and desirable from every point of view.

Be sure to see the White dealer who will be glad to show you how good a machine the White is. If there is no White dealer handy, write us direct for catalogs. We do not sell to catalog houses. Vibrator and Rotary Shuttle Machines.
