Alliance, Nebraska, Nov. 22, 1913. The Board of County Commissioners met pursuant to adjournment; officers present S. C. Reck, chairman, C. L. Hashman, and J. M. Wanek.

The County Attorney having returned and passed upon the legality of the proposition of N. W. Halsey & Co. to purchase the remaining \$50,000.00 Box Butte County Court House Bonds, bid was accepted as follows:

N. W. Halsey & Co.
Chicago, Ill.

November 20, 1913.
Mr. M. S. Hargraves, Co. Clerk,
Box Butte County,
Alliance, Nebraska.

Dear Sir: For fifty thousand dollars (\$50,000.00) Court House Bonds of Box Butte County, which bonds are a direct obligation of the entire County of Box Butte, dated July 1, 1913, maturing July 1, 1933, without option of prior payment by the County; bearing interest at the rate of five per cent (5 per cent) per annum, payable semi-annually, January

1, and July 1, of each year, both principal and interest payable at the fiscal agency of the State of Nebraska; all bonds in the denomination of one thousand dollars (\$1,000.00); we will pay for the same delivered in Lincoln, Nebr.

Par and accrued interest to the date of delivery together with a premium of \$125 (One hundred twenty-five dollars). We further agree to pay the fee of our attorney incident to approving the legality of the same.

It is expressly understood that payment of the principle sum of fifty thousand dollars shall be made to the County in the certificates of deposit of The First National Bank of Alliance, payable to E. M. Martin, Co. Treas. and bearing date of the date of the delivery of the bonds to us, and maturing: \$5,062.49 March 1, 1914; \$10,166.64 April 1, 1914; \$10,208.30 May 1, 1914; \$10,249.96 June 1, 1914; \$10,291.62 July 1, 1914; \$5,166.66 August 1, 1914. These several amounts are computed on the basis of the delivery of the bonds on December 1, 1913, but should it be necessary for delivery to be made subsequent to that date, five per cent per annum of the principle sum shall be deducted from each of the above certificates of deposit. However in this case the accrued interest we will pay you in cash on delivery will exactly offset this deduction. We will pay the County in cash at the time of the delivery of the bonds to us all interest accrued since July 1, 1913, to the date of delivery, and in addition thereto the premium of \$125 above mentioned.

This bid is made strictly subject to the approval of our attorney as regards the legality and regularity of the issue, and we bid on the understanding that in case the bonds are awarded to us, you will furnish us with a full certified transcript of all legal records and proceedings had incident to the issue, fully establishing the legality and regularity of the same to the satisfaction of our attorney, prior to the delivery of the bonds to us, and that you will take any further steps that may be necessary to establish such legality and regularity in the opinion of our counsel.

Respectfully submitted,
N. W. Halsey Co.,
M. E. Simond.

R. A. Mathews, contractor on the new court house left the city leaving a foreman in charge; It is the

order of the board that the clerk notify the bonding company by wire verifying same by registered letter, such notice being required by the bond.
