The Value of **Spare Moments** 

From every section, and from all sorts and conditions of men, messages come to tell of earnings increased and futures brightened through study of I. C. S. Courses during spare time.

One letter gives the romance of a young man in California that began with little or no education; another tells the story of a high school graduate in Maine that found himself educated for everything but to make a living. Here are the heart-throbs of a sellow that toiled 12 hours a day and studied his Course as best he could; of a foreman or superintendent that enrolled because his ambition aimed at still bigger things.

No matter where you live, how little spare time you have, or how brief your schooling, the I. C. S. can raise your salary. That statement is backed with 20 years of success and a record of 400 or more advancement letters received every month.

I. C. S. Courses have made draftsmen, foremen, and superintendents of shop hands; building contractors, architects, structural and concrete engineers of carpenters and masons; advertising men, window trimmers, chemists, illustrators, and designers of clerks; electrical, mechanical and steam engineers of laborers; mine inspectors, foremen, and mining engineers of mine workers; bridge engineers, surveyors and mappers, civil engineers, gas engineers, automobile runners and civil service employes of young men willing to use their spare time to mold a career.

Suppose you were to increase your earnings only \$20 a month-what a fine return that would be on your spare-time investment! G. O. Gibboney, of Mount Pleasant, Pa., increased his earnings \$250 a month, and hundreds have done as well.

Mark and mail this coupon and you will receive free information how you can increase your earnings by spare-time study.

ROMIG CONTINUES FIRE CHIEF

#### Popular Alliance Fire Chief Councilman Re-elected Unanimously by Fire Department

P. E. Romig, chief of the Alliance fire department, and a member of the city council, is one of the most popular members. At the regular meeting of the fire department Wednesday evening, the rules were suspended by a unanimous vote and he was re-elected fire chief for the coming year.

Chief Romig has made a fine record and his work in directing the fighting of fire has saved the property owners much money.
