## POSITIVE PROOF

Should Convince the Greatest Skeptic in Alliance

Because it's the evidence of an Alliance citizen.

Testimony easily investigated. The strongest endorsement of merit.

The best proof. Read it:

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, Nebr., says: "Over three years ago my kidneys became badly disordered and the kidney secretions were unnatural. Whenever I stooped, sharp pains darted thru my loins and it was hard for me to straighten. I tried many remedies but all failed to help me until I used Doan's Kidney Pills. They brought relief in a short time and I continued using them until I was free from kidney complaint. I have had no reason to change my high opinion of Doan's Kidney Pills since I recommended them some years ago."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Whaley had. Foster-Milburn Co., Props., Buffalo, N. Y.

## The Skin and Not the Blood

Until recently it has been a general accepted theory that eczema was a disease of the blood. Scientific investigations have taught us that eczema is positively a skin disease and curable thru the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin. Do not delay trying Meritol Eczema Remedy. F. J. Brennan, Local Agent.
