Only One case of Smallpox in That Section—Homestead Sold by Whitman

(By Herald Correspondent)
Whitman, Nebr., March 3—C. N. Whitman and family have removed to Custer county having rented a farm near Merna. Mr. Whitman was employed for a number of years in the Wright lumber yard. Recently he sold his homestead four miles west of Whitman to George B. Moran, the consideration being \$3,400.

Only one case of small pox has been reported from this section of the sand hills so far. Frank Yeast, whose ranch is a few miles from Hyannis, contracted the malady while visiting in Lincoln during the holidays. Last week Dr. E. E. Barr, the physician in attendance, pronounced him fully recovered, and the quarantine upon his home was removed.

Encouraging reports come from Hot Springs, S. D., concerning Mrs. Chas. Hoyt, wife of the prominent rancher whose extensive holdings are located about twenty miles north of Whitman. Her condition was quite serious, an dit was feared that an operation would be necessary. She and her daughter, Miss Leona Hoyt, will remain in Hot Springs for several weeks yet.

"Bud" Moran of Hyannis is in Iowa, purchasing a car load of white face bulls for use on the ranch here. Harry Thurston from near Ashby is also in Iowa on a similar mission.

E. E. Wheeler, who resides on a homestead about nine miles southeast of Pullman postoffice, announces that he will open a general store there early in the spring. He will also make application for the location of a post office.

Mr. Earl Purdum and Miss Freda Cook, prominent young people residing in the country north of Whitman, were married at Broken Bow last Wednesday. They are now enjoying their honeymoon trip in Arkansas. Mr. Purdum has a wide reputation as a broncho "buster".

winning the championship at the Hyannis "Home Day" in 1912.

The near blizzard last Saturday night and Sunday made it extremely uncomfortable for those who were compelled to face it home from the "Rag Dance" at the Middle Prong school house. Henry Christy, Harry Hoyt and Ernest Purdum are on the list of those who enjoy the distinction of having had their faces frozen.

Dangers of a Cold.

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the colds themselves that they need to fear, but the serious diseases that they so often lead to. For that reason every cold should be gotten rid of with the least possible delay. To accomplish this you will find Chamberlain's Cough Remedy of great help to you. It loosens a cold, relieves the lungs, aids expectoration and enables the system to throw off the cold. For sale by all dealers.—Advertisement.

BIG CONTEST GOING ON

President and Secretary of M. B. A. Offer to Beat Entire Lodge in Membership Contest

An unusually interesting session of the M. B. A. was held at the hall Monday evening. In addition to the regular business session refreshments were served and a social time enjoyed. A number of new members were initiated.

Frank Sanders, president, and E. L. Lawrence, secretary, offered to go into a contest with the entire lodge for new members, the contest to last sixty days and the losing side to provide ice cream and cake for the lodge. The challenge was accepted and the contest is now going on. It will be extremely interesting.

Bee Hive Improvements

With more room than formerly, still the Bee Hive finds it necessary to make some changes in the arrangement of the store in order to make room for the ever increasing stock of goods. Some new shelving completed yesterday enables Mr. Kewer and his assistants to better display the large stock of china and glassware.
