## ORCHESTRA FOR THE CRYSTAL

Manager Dubuque Has Added Attractive and Popular Feature for Vaudeville Nights

Camille Nohe has accepted a position with the Crystal theatre for vaudeville nights, when he will lead the orchestra with the violin. Following his custom of giving the patrons of the Crystal and Empress theatres the best to be had, Manager Dubuque has added the orchestra feature at considerable expense. Mr. Nohe has quite a reputation here as a fine violinist, and will no doubt attract a good deal of additional business to the Crystal by the music which he will help to furnish.

Ralph Anderson has been engaged to play the trap drum and has the ability to do his part well. Messrs. Nohe and Anderson and Miss Mason, pianist, will constitute the orchestra.

## MRS. J. G. BECK ENTERTAINS

House Filled with Guests Tuesday Afternoon—Old Fashioned Spelling School

Mrs. J. G. Beck entertained at her home Tuesday afternoon. The entertainment was in the nature of an old fashioned spelling school, with Mrs. George Davis and Mrs. Jerry Rowan doing the choosing. Mrs. McKenzie was the first to be seated and Mrs. Geo. Gaddis stood up the longest. The first and booby prizes were gold band and white plates.

After the spelling bee some time was spent in reciting poems and singing familiar songs. The guests were dismissed for a time and found their lunches in the hall in lunch pails, this being the first course of a delicious luncheon. They then were seated at tables and the remaining courses served.

In bidding their hostess adieu they sang, "Good Night, Ladies." The guests were Mesdames Pate, Gaddis, Kuhn, Wetherell, W. W. Johnson, Lunn, Phelps, Geo. Gaddis, E. C. Drake, Bennett, Hagan, Myers, Cloe Rice, Sewell, Cole, Worley, Rowan, Brown, McKenzie, Lester, Nelson, Davis, Waller and E. J. Wilson.

## OYSTER SUPPER AT FAIRVIEW

A Good Crowd and Enjoyable Time Expected at Entertainment Tomorrow Evening

An oyster supper and church social will be given Friday evening at the residence of Mr. and Mrs. Fred Nason, under the auspices of the church. A good time is expected. The proceeds will go for the benefit of the church. Every one invited.

Mr. and Mrs. A. J. Hill returned yesterday from a three days' visit with relatives at Sunol, Nebr.

## FUNERAL OF LITTLE BOY

Death Enters Home of Mr. and Mrs. Robt. Hazen and Leaves Them in Bereavement

Henry Cornelius, son of Mr. and Mrs. Robert Hazen, was born August 8, 1912; died March 2, 1914. The dread disease pneumonia was the cause of the little boy's death. The funeral was held from the home on East Fourth street, at 11 a. m., yesterday, and was conducted by Rev. Frank C. Barrett, pastor of the Baptist church. Interment was in Greenwood cemetery.

Those from out of town who attended the funeral were Henry Hazen of Hershey, Nebr., grandfather of the deceased boy; Miss Belle Hazen of Hershey, daughter of Henry Hazen; Mrs. Fred Cowen of Scottsbluff; Frank Boon and family, Bonner; Mr. and Mrs. Emenzel Boon, Cleman; Mrs. Jake Boon, Cleman.

BARGER BEGINS DYNAMITING Prospect of Immense Amount of Work This Spring Makes Early Operations Necessary

J. P. Barger, the nurseryman, did his first dynamiting for the season Monday. He informs The Herald that there is much more interest this spring than ever before in Alliance in dynamiting for tree culture and intensified farming. The growth of trees set out by Mr. Barger last year by dynamiting, compared with others planted at the same time in holes dug by a spade, is furnishing proof of the superiority of the dynamite process that the most sceptical cannot get away from.

The ground dynamited yesterday was on a knoll where there was not much moisture and where the subsoil was dry within a few inches of the surface. There was no frost in the ground at that place. By selecting such places for his first work, it is probable that Mr. Barger can keep steadily at work from now on, except when interrupted by bad weather.

## WILL RESIDE IN MICHIGAN

After Many Years' Residence in Western Nebraska Mrs. Hale and Three Boys Go East

Mrs. Julia Hale and three sons, Harley, Lloyd and Virgil, left Alliance on 42 Tuesday morning for Galesburg, Michigan, where Mrs. Hale's daughter Pearl (Mrs. Guy C. Bowman) resides and where they expect to make their home. They have lived in western Nebraska for many years, in fact the boys were born in this country and never east before. While they will no doubt enjoy their new surroundings for a time, it is probable that they will before long get homesick and wish to be back in Alliance where they have many friends.

Dr. Geo. Hand was called to Lakeside last night to attend Mrs. M. Hunsaker who is very ill.

ALLIANCE TAKES LAST GAME

Girls' Basketball Team Closes Season with Perfect Record—Class Games Next

Alliance may well be proud of the girls' basketball team which defeated Scottsbluff Saturday night at the High school gymnasium. At the beginning of the game it looked as if the visiting girls had a good chance of carrying home a victory but they could not keep up the pace, and Alliance walked away with the game after the scoring began.

The honor of tossing the first basketball of the evening goes to Charlotte Mollring, whose playing was a credit to herself and the team. But the team did not depend upon any one player, as each succeeded in scoring one or more baskets. Helen Hewett led in the scoring, having seven field goals to her credit.

At the close of the first half the score was 21-4, Alliance's favor. The four points made by Scottsbluff were made from the foul line, no field goals being made by the visitors until the second half. Lettie Irons, center, scored the first field goal for Scottsbluff, and was loudly cheered by all witnessing the game.

Although the game was one-sided, the score being 43-12 at the close, it was one of the most interesting of the season.

The inter-classic games will be held at the High school in about two weeks, which will bring the basketball season to a close at Alliance.

After the game Saturday night the Scottsbluff bunch was taken to the J. E. Rice residence and a splendid evening enjoyed. The Latin Club of the High school also met at the Cotant home, and after a short program consisting of music by the High school orchestra and songs, the game "The Latin Verb" was indulged in till nearly midnight, when refreshments were served.

Following is the lineup of the girls' teams: Alliance—Ruth Nation, Nellie Wright, forwards; Helen Hewett, center; Charlotte Mollring, second center; Lettie Irons, May Nation, guards; Ruth Sturgeon, substitute. Scottsbluff—J. Dickenson, E. Mathews, forwards; Lettie Irons, center; Grace Pierce, second center; Bertha McCue, Ione Robb, guards; Dorothy Pollock, substitute.

Summary—Field goals: Alliance: Wright, 4; R. Nation, 1; Hewett, 7; Mollring, 6; Renswold, 1; M. Nation, 2. Scottsbluff: Irons, 2; Pierce, 1; Fous; Hewett, 1; Irons, 6. Referee, Clements. Time of halves, 15 minutes.

Mrs. M. L. Phares of Bridgeport came up to Alliance last evening and stopped over till today noon with her sister, Mrs. R. T. Watson, en route to Ellsworth where she went to visit a few days at the home of S. D. Watson and Mart Wheeler. Mrs. Phares has many friends in Alliance and will probably stop over for a more extended visit on her return from Ellsworth next week.

## LOOKING FOR A LOCATION

One Room No Longer Large Enough for Business of T. S. Fielding and E. W. Ray

Fielding's Wardrobe and Ray's flower store have gotten along very nicely together at 315 Box Butte avenue, except that they have been crowded, now that Mr. Fielding is about to install new machinery for cleaning and pressing and will enlarge his establishment, it becomes necessary for Mr. Ray to find other quarters.

Tom Fielding has run a tailoring shop in Alliance a good many years. It will be a pleasure to his many friends to note that his business is growing and that he is about to enlarge the capacity of his establishment and improve the facilities for turning out work. Ellis Ray showed his enterprise by launching out into the greenhouse business, which was not previously represented in this city by a house engaged in that line exclusively. He, too, has many friends who will be pleased to learn of the evidences of prosperity that attend his efforts.

ORGANIZATION OF NEW CLUB

Organization Meeting of Alliance Commercial Club Held at Opera House Last Evening

The organization meeting of the Alliance Commercial Club was called to order Monday evening at the Opera House by Mayor A. D. Rodgers. J. W. Guthrie, chairman of the organization committee, made the report for the committee, showing that 115 business men had agreed to attend the meeting and signed the proposed articles of incorporation. Mr. Guthrie read the proposed articles.

Chairman Rodgers asked for the feeling in regard to the organization of the club. Every hand was raised. A. D. Rodgers, Earl D. Mallery and J. W. Guthrie were nominated for president. Mr. Rodgers and Mr. Mallery stated that they would be unable to give the work the time it would require and Mr. Guthrie was declared elected.

Earl D. Mallery and C. A. Currie were nominated for vice president. Mr. Currie asked that his name be withdrawn and Mr. Mallery was declared elected.

Next in order was the election of nine directors. Thirty names were submitted and placed on a blackboard. Those elected by receiving the highest number of votes were R. M. Hampton, C. A. Newberry, B. Sallows, A. D. Rodgers, F. W. Harris, W. E. Spencer, Robt. Graham, E. T. Kibble and J. C. McCorkle.

On motion Lloyd C. Thomas was elected temporary secretary, to act until a secretary was secured who could give all of his time to the work. Letters and telegrams regarding a paid secretary were read and on motion ordered referred to the executive committee. Motion was made that the articles of incorporation be brought up for adoption and adopted as read. Motion was made to amend the motion that the articles of incorporation be referred to the executive committee. Amendment and motion carried.

## When Central Says "They Don't Answer"

When the telephone operator says "Line Busy," or "Don't Answer," remember, it would have been easier to put through your call than make such a report.

If you are asking for a number on a "party line," the "busy" report may be because some one is talking over another telephone on the same line.

## The Efficient Operator

The operator, of course, makes mistakes—everyone does—but be tolerant with her, please; she has been thoroughly trained in her duties and is wonderfully efficient in her work. Considering the number of calls handled, her errors are marvellously few.

The Smiling Voice Is the Winning Way.

## DO YOU REALIZE How Strong is the Demand for Cheap Land?

If you have come to know what it means to own a farm, I can put you in a position to secure one whose cost will be within your means.

**THE MONDELL LANDS.** You can file on a 320 acre Mondell tract in Wyoming or Montana and make it yours at a cost to you of only \$22. You can, also, buy 160 acres more adjoining for \$1.25 per acre; you can become the independent owner of 480 acres of good grazing and farm land for \$222. Our inquiries indicate an extensive settlement of these lands this coming season.

## The North Platte Valley and the Big Horn Basin

There are in these valleys Government irrigated homesteads, Carey Act and Deeded lands. The Burlington's new central Wyoming main line traverses both localities, and will put them in close touch with Western markets.

Write me, telling me the kind of land you seek.
