We waste lots o' time in this world tryin' t' figure out what somebody else is worth. A boy thinks his father is a wonderful feller fer a few years, then he switches t' his mother.

T'gether with th' poor, which we have allus with us, is th' feller who says, "You won't ketch me in this climate another winter." It's easier t' git t'gether at a banquet than at th' polls.
