The dance given by the bunch grass ladies at the Stransble barn on Sept. 4 was attended by a large crowd. Everyone had a good time and the ladies proved themselves very royal hostesses.
Last week one day nine ladies started out very gaily in a steamer to attend a social meeting in the neighborhood. Everything was lovely until the lady driving forgot to take water and after a certain lapse of time of course the engine was out of steam and refused to work. The ladies alighted and began working to see what was wrong. While cleaning the snout it gave a puff and the lady working on it thought sure it had exploded. They couldn't get the steamer to go until five very welcome cowboys came along and soon had the ladies on their way. Three of the ladies were from Gordon visiting here and no doubt will long remember their trip in a sand hills steamer.
Mrs. Laura Soderstrom left Tuesday for her home at Pawhuska, Okla., after spending the summer here with her daughter, Mrs. John Renfro.
John Halloran of Ottawa, Kans., is spending a few days here with his son Arthur.

If you shoot a rifle, pistol or shotgun, you should have a copy of the Ideal Hand powder, bullets, primers and reloading tools for all standard rifle, pistol and shotgun ammunition; how to measure powders accurately; shows you how to cut your ammunition expense in half and do more and better shooting. This book is free to any shooter who will send three stamps postage to The Marlin Firearms Co., 42 Willow St., New Haven, Conn.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS
Eat less meat if you feel Backachy or have bladder trouble—Take glass of Salts.
No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.
The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will set free. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.
Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.
Prof. William H. Taft also has nothing to say, but contrary to his custom, he is not saying it.
