Y. M. B. C. SECURES CONSUMPTION TAKES TWO NEW ROOMS 350 PEOPLE DAILY TWO NEW ROOMS

Will Have Three Rooms November First; New Officers Are Elected by Club

At the regular weekly meeting of the Young Men's Bible Club last Thursday evening, the following officers were elected: Prof. W. O. Lewis, president; J. C. Thomas, vice president; V. D. Shafer, secretary; harles Spacht, treasurer; Charles Hanan, corresponding secretary.

The new Bible study course was begun, Prof. S. L. Clements acting as This course, from present indications, will be very interesting. All young men who have not yet taken up the study are advised to be of Mr. and Mrs. Philpott to assign gin immediately.

At the business meeting it was deused exclusively as a gymnasium. be used as a reading room, and in rooms to their utmost capacity. the other a shower bath and other features will probably be installed. These two rooms adjoin the present room, in the McCorkle building, and will be occupied by the club November 1. Besides other business transacted, votes of thanks were extended to the various societies and parties

CHADRON NORMAL NEWS

Chadron, Nebr., Oct. 6, 1914-The

adies' glee club has shown a great improvement this week. Margaret Smith spent her weekend vacation at her home in Craw-

All laboratory work in the science department commenced September

A number of the dormitory girls spent the week-end at their homes in Rushville. President Sparks returned Monday morning from Lincoln where he

had been attending a board meeting. The men's glee club is using the chapel hour on Teusdays and Thursdays for their rehearsals.

The electric light fixtures for the dormitory have arrived and will soon be in place. Katherine Kreizenback passed Sat-

urday and Sunday of last week at her sister's home, northeast of Chad-

The Alice Freeman Palmer society met last Friday to nominate new officers and to take up the election of new members. The appearance of the reception

room at the dormitory has recently been improved by the beautiful fern, the gift of Mrs. Stockdale. Plans are being formulated for

having a student athletic board to arrange for the sale of season tickets for all of the school functions. The seventh and eighth grades spent Friday afternoon measuring,

cutting, and putting together covers for note books which they will use during the coming year. Jean, the little daughter of Mrs. McLean, the preceptress at the dor-

mitory, arrived in Chadron Friday morning. She has been spending a few weeks with her grandparents at Fremont, Nebr. Vida Mackey and Gladys Sewright eft on Friday morning for Buffalo

Gap, returning Sunday evening. They accompanied by Elizabeth Sparks, who was their guest during the week-end. Ruth and Malcolm Sweeney arrived from Broken Bow Saturday

morning to make their home with their mother at the dormitory. They took up their duties in the normal on Monday morning. The stories of famous grand oper-

as, which was a part of the grammar room work last year, is to be resumed soon. "The Bohemian Girl" will be the first this year, the story to be ble place near a spring was found; told by Frances Smith. The laboratory is crowded nearly

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers-Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clos and thus the waste is retained in the

blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging ains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe head-aches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

Over 350 people succumb to consumption every day in the United States. Science proves that the germs only thrive when the system is weakened from colds or sickness, overwork, confining duties or when general weakness exists.

The best physicians point out that during changing seasons the blood should be made rich and pure and active by taking Scott's Emulsion after meals. The cod liver oil in Scott's Emulsion warms the body by enriching the blood; it peculiarly strengthens the lungs and throat, while it upbuilds the resistive forces of the body to avoid colds and prevent consumption.

If you work indoors, tire easily, fee languid or nervous, Scott's Emulsion is the most strengthening food-medicine known It is totally free from alcohol or any stupefying drug. Avoid substitutes, Scott & Bowne, Bloomfield, N. J.

ing. They are much interested in their work, and will develop into full who have given their support to the fledged pedagogues before the year is finished. The Senior theory class have been observing in Miss Driscoll's room the

past week. The class observed was the third grade reading and proved very entertaining as well as instruc-The pupils show every evidence of excellent training.

The enrollment in the training department exceeds that of any previous year. There are now twenty student teachers, and the spirit with which they are beginning their work is gratifying to all concerned.

The dormitory girls' kensington met Tuesday evening at the dormitory. The initiation "stunts" occupled the greater part of the evening. Although some of the "stunts" were rather difficult of execution, all report a splendid time.

The grammar room is soon to re-organize the Author's Literary Club. The plan is to hold meetings monthly, at which the study of the life and works of some author is conducted by the students themselves under the direction of their teacher, Mrs. Rus-

Chapel period Wednesday was given over to a little football rally. Speeches were made by Coach Keester, Captain Weymouth, and other members of last year's football team. The first game of the season will probably be with Spearfish Normal, on our own grounds, about October 20.

The present outlook for the football team is very encouraging. Each day sees an increased attendance on the gridiron and the vim with which the boys work on the field promises an excellent team in a short time. This, however, is to be expected, for 35 per cent of the present enrollment belong to the superior sex, and the school as a whole possesses enough enthusiasm to cheer a team on to a season of victory.

On Wednesday evening. Misses Driscoll, Swedberg, Copeland, and Mrs. Sparks were guests for supper at the dormitory. Afterwards, the company repaired to the reception room, where Misses Swedberg and Copeland entertained them with several instrumental and vocal selec tions. Mrs. Sparks made a brief talk and promised at some future date to prepare and deliver a "real speech" A very delightful and profitable evening was spent, and the kindness of the ladies was much appreciated.

Last Saturday evening, the dormitory students, with Mrs. McLean and other faculty members, took baskets of provisions and started over the hills for a picnic supper. After a hike of about three miles, a suitaa fire was started and a good time was had roasting wienies and toastall the time. In order to have no ing marshmallows. After playing games and singing songs around the campfire, the party wended their way home by way of the road. They arrived home at about 7:30, tired, but anxious to try it again in the near

Then followed the business meeting at which Mrs. Sparks was elected president, Mrs. Stockdale vice-president, and Mrs. Philpott secretary-treasurer. The members drew fordates on which to entertain the club in turn. For the next meeting, Mrs. Wilson and Miss Paine will be hostesses.

The first of a series of Wednesday evening entertainments was given in the dormitory last week. Miss Swedberg gave several selections on the piano, and Miss Copeland sang. The following was the program given: Sonata, Op. 31, No. 2, Beethoven-Miss Swedberg.
