INTERESTING MEETING

Alliance Volunteer Fire Department Held Crowded Meeting at Club Rooms Wednesday Evening

Nearly the entire membership of seventy-five of the Alliance Fire Department attended the regular meeting held at the club rooms in the city hall Wednesday evening. The new ritual, which is adopted under the new constitution and by-laws of the department, was used for the first time and is well liked by the boys. It is the result of much careful thought and work by the committee and will serve to create more interest in the work of the department.

In caring for the work required by the ritual it was necessary to elect additional officers so that the list of officers now stands: Lloyd Thomas, president; P. E. Romig, vice president; Chas. Hill, chief; L. E. Pilkington, conductor and assistant chief; F. D. McCormick, chaplain; Burton Rowland, outside guard; Ray Trabert, inside guard; P. Rolfsen, secretary; Geo. Keiser, John Liggett and Chas. Hill, trustees. Each officer has his part in

the work of the lodge and takes part in the ceremonies.

A number of new members were initiated Wednesday evening. As soon as the snow gets off the ground work will be started on the swimming pool (natatorium) and it will be rushed to completion.

GOOD SUGGESTION TO ALLIANCE PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Alliance agents for Adler-i-ka. H. THIELE, Druggist.

Sick Headache.

Sick headache is nearly always caused by disorders of the stomach. Correct them and the periodic attacks of sick headache will disappear. Mrs. John Bishop of Roseville, Ohio, writes: "About a year ago I was troubled with indigestion and had sick headache that lasted for two or three days at a time. I doctored and tried a number of remedies but nothing helped me until during one of those sick spells a friend advised me to take Chamberlain's Tablets. This medicine relieved me in a short time."
