

WORTHAM SHOWS COMING

Have Succeeded in Postponing Dead-wood Engagement—Contract Has Been Received

J. W. Guthrie has received the signed contract from the manager of the Great Wortham Shows, which means that they will positively be in Alliance during the Stockmen's Convention in June. A letter accompanying the contract stated that the necessary arrangements have been made with the Deadwood people and that they will show at that place later.

Alliance is indeed fortunate in getting here an entertainment of such a high class. In reality it is fifteen separate and distinct shows, which are combined under one management. They require twenty-five cars to transport their equipment, and carry 300 people and hundreds of animals. There was some doubt last week as to whether or not they would be here, as they found it necessary to make special arrangements with the Burlington, but this matter has been arranged satisfactorily.

With the Wortham shows and the several auto-polo games, there will be plenty "going on" during the convention. Plenty of advertising matter has been received from both enterprises, and the country is being billed for miles around. No guarantee is required by the Wortham people, and their contract reads that they are to give ten per cent of the receipts to the Commercial Club.

ARRESTED FOR SHOPLIFTING

Took Eight Dollar Skirt from Harper Store—Gets Thirty Days in Jail

A man giving the name of George Thomas was arrested Monday morning in the east part of town by Chief Jeffers, while trying to dispose of a lady's skirt. The chief thought it queer that a man of Thomas' description should be peddling skirts, and forthwith brought him to the station where he pleaded guilty to the charge of larceny, stating that he took the skirt from Harper's department store.

Thomas, together with a companion, had entered the Harper store earlier in the morning, with a request to see some ladies' skirts. While they were examining them, the clerk's attention was diverted, and they walked out. The garment was not missed until it was brought around for identification, as it bore the Harper tag.

The thief was brought before Judge Roberts Tuesday morning and was given a sentence of thirty days in the county jail at hard labor.
