### FINED FOR ASSAULT

Arthur Johnson, Colored, Is Given a Stiff Sentence for Striking Old Man

Charged with assault, Arthur Johnson, colored, was brought into police court Friday morning. As he pleaded not guilty, City Attorney Reddish prosecuted the case, Johnson acting as his own counsel. Witnesses were produced by both sides, but the case looked "dark" for Johnson from the start.

It seems that Johnson and Sam Weaver, an old man, were standing in front of a shining parlor Thursday evening, and an altercation was started in which Weaver called Johnson a "nigger". Johnson resented the inference, and hit Weaver on the point of the jaw, knocking him out. Johnson, according to the testimony, then made himself scarce until Friday morning. When he was brought into court he stoutly denied that he had been near the shining parlor at the time of the assault, and claimed he could produce witnesses and prove an alibi easily. However, when his witnesses were called, they were unable to give any enlighten-

ing information. Wm. Darnell, a colored boy who works in the shining parlor, was the strongest witness for the city, as he was an eye witness to the scene, and after his testimony Johnson decided there was no hope for him. The result was a fine of \$75 and costs, or three months in jail, and he is taking the latter method of payment.

Johnson became slightly confused in his testimony at times. Being asked the reason by Attorney Reddish, he replied: "When a man is in a bunch of fellows, and all of them looking at him, he is liable to say anything. All I want is a fair show. Lots of innocent men have been hung and sent to the gallows because they could not prove their innocence."

Nealie Smith, a witness for Johnson in the case, was arrested for perjury, shortly after Johnson was tried as the officers "had the goods on him". He was first let out on \$500 bail, but this was later rescinded and he was paroled by Judge Roberts, with orders to report at the judge's office every Monday morning at 8:30.

### NEIGHBORLY ADVICE

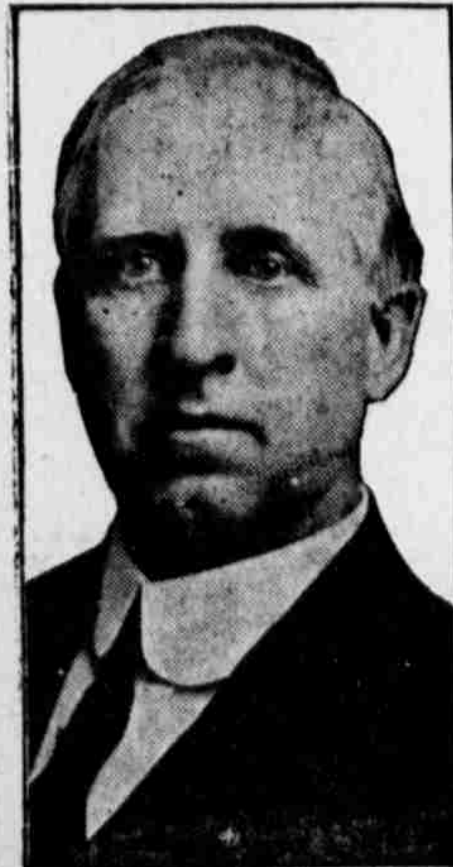

**Freely Given by Alliance Citizen**  
When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors. The following neighborly advice comes from an Alliance resident.

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, says: "Over three years ago my kidneys became badly disordered and the kidney secretions were unnatural. Whenever I stooped, sharp pains darted through my loins and it was hard for me to straighten. I tried many remedies, but all failed to help me until I used Doan's Kidney Pills. They brought relief in a short time and I continued using them until I was free from kidney complaint. I have had no reason to change my high opinion of Doan's Kidney Pills since I recommended them some years ago."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Whaley had. Foster-Milburn Co., Props., Buffalo, N. Y.

### Compliments The Herald

C. W. Gillin, of the Gillin Land Agency, main office at Sioux City, Iowa, one of the largest land firms in western Iowa, writes The Herald under date of June 2 as follows: "We appreciate The Herald very much and consider it the most thorough and newsiest paper of the many that come to our office."

### ALLIANCE HONORED

Distinguished Visitors Will Attend Stockmen's Convention Next Week—To Speak Here

Among the distinguished men who will be the guests of Alliance during the Stockmen's Convention next week will be United States Senator Gilbert M. Hitchcock, of Omaha; Governor John H. Morehead, of Lincoln; United States Representative Moses P. Kinkaid, of O'Neill.

Letters have been received from these men stating that they will be here and address the visitors to Alliance.

### PICNIC AT SPRINGS

Alliance Traveling Men, Members of Post M. T. P. A., Will Visit Hot Springs with Families

At a special meeting of Post M. T. P. A. Protective Association, held at the Burlington hotel Saturday afternoon, it was decided to hold a picnic at Hot Springs, South Dakota, in the famous Black Hills region, on Saturday and Sunday, July 3 and 4.

When the weather is good, the party will go in automobiles, leaving Alliance early Saturday morning, arriving at Hot Springs that afternoon. They will stay over night at the famous Evans hotel, where an entire wing will be reserved for them. The next day they will return by auto, arriving in Alliance that night.

It is expected that there will be about twenty auto loads on the trip. Many of the boys have their own autos, and special cars will be hired by those who do not.

### Bilious Attacks

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.

### Going to Omaha

Robert Ludington and R. C. Strong, national delegates, leave Friday for Omaha to attend the national convention of the Travelers Protective Association next week. The convention lasts the entire week. The program was printed in The Herald last week.
