Department of Agriculture Warns Hunters That Laws Will Be Strictly Enforced

Washington, D. C., August 25

With the approach of the open season for shooting wild fowl, the United States department of agriculture is warning sportsmen that the federal regulations as amended Oct. 1, 1914, will be strictly enforced. Some misunderstanding has arisen from the fact that the various state laws do not always conform to the federal regulations. This is regarded as unfortunate, but in such cases the department must insist upon the observance of the federal regulations.

The department will consider any recommendations submitted in good faith for amendment of the regulations, but will hold no public hearings thereon, nor will it amend the regulations prior to October 15, 1915. It is the purpose of the department to conform the regulations to the wishes of the majority of sportsmen so far as it can be done, and at the same time give wild fowl the necessary protection.

Federal regulations divide the United States into two zones: Zone No. 1, the breeding zone, includes the states of Oregon, Idaho, Colorado, Nebraska, Iowa, Illinois, Indiana, Ohio, Pennsylvania and New Jersey, and all states north of them. Zone No. 2, the wintering zone, includes all states south of those named.

The regulations prescribe seasons as follows:

Open seasons for migratory birds in 1915 under Federal Regulations—Zone No. 1:

**Waterfowl, Sept. 1 to Dec. 16.**

Exceptions: Massachusetts, Rhode Island, Oct. 1 to Jan. 1.

New York, Connecticut, Pennsylvania, Oregon, Washington, Idaho, Oct. 1 to Jan. 16.

New Jersey, Nov. 1 to Feb. 1.

Minnesota, North Dakota, South Dakota, Wisconsin, Sept. 7 to Dec. 1.

Illinois, Indiana, Ohio, Pennsylvania, New Jersey, Sept. 1 to Dec. 1.

Exceptions: Massachusetts, New Hampshire, Rhode Island, Aug. 15 to Dec. 1.

Connecticut, Michigan, New York, Long Island, Sept. 16 to Dec. 1.

Minnesota, North Dakota, South Dakota, Wisconsin, Sept. 7 to Dec. 1.

Oregon, Washington, Oct. 1 to Jan. 16.

Woodcock, Oct. 1 to Dec. 1.

Exceptions: Connecticut, Massachusetts, New Jersey, Oct. 10 to Dec. 1.

Rhode Island, Nov. 1 to Dec. 1.

Pennsylvania, Long Island, Oct. 15 to Dec. 1.

**Shore Birds—Black Breasted and Golden Plover, Jacksnipe, Yellowlegs, Sept. 1 to Dec. 16.**

Exceptions: Maine, Massachusetts, New Hampshire, Rhode Island, Long Island, Aug. 15 to Dec. 1.

New York (except Long Island), Sept. 16 to Dec. 1.

Minnesota, North Dakota, South Dakota, Wisconsin, Sept. 7 to Dec. 1.

Oregon, Washington, Oct. 1 to Dec. 16.

Insectivorous birds are protected indefinitely. Band-tailed pigeons,

cranes, swans, curlew, smaller shore birds and wood ducks are protected until Sept. 1, 1918. Rails in Vermont and woodcock in Illinois are also protected until 1918. Shooting prohibited between sunset and sunrise; or at any time on sections of the upper Mississippi and Missouri rivers after Jan. 1, 1915.
