**CUPS ATTRACT ATTENTION**

Silver Loving Cups Valued at \$100 Are on Display in the Commercial Club Window

Secretary Fisher has on display in the Commercial Club window the three silver loving cups and the bronze medal which will be awarded in the better babies contest this week. The cups will be given by Alliance, while the bronze medal is being awarded by the Woman's Home Companion, under whose rules the contest is being held. There is also some literature in the office regarding the contests held in previous places, and pictures of the winners.

While pretty babies may be the winners of the prizes, the looks will have little bearing on the decision of the judges. The contest is being held exclusively from a physical standpoint, and the entrants will be judged by points. The aim of the contest is to discover the babies in and around Alliance that are nearest physically perfect. Already more than fifty babies have been enrolled, and there will probably be nearly that many more before the time of the contest.

Dr. C. E. Slagle, chairman of the committee on judging, will be assisted by the other local doctors and by Dr. Fisher, of Sterling, who comes up to help out. Mrs. Jerry Rowan, president of the Woman's Club, is chairman of the committee on arrangements. A "nursery" will be

**IF HAIR IS TURNING GRAY, USE SAGE TEA**

Don't look old! Try Grandmother's recipe to darken and beautify faded, lifeless hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggly, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the tonic; you can get from any drug store a 50 cent bottle of "Wright's Sage and Sulphur Hair Remedy," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wright's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.

**When Baby Has the Croup**

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere. Adv.—Oct

**Case Dismissed**

An interesting case was tried in justice court Friday morning that excited much attention and which was attended by several witnesses. Philip Schner and George Sinner were the principals, and at the close of the trial Sinner was bound over to the district court under \$500 bond. However, a peace treaty was patched up between the two and by mutual consent the case was dismissed, Sinner and Schner each paying their part of the costs. One of the provisions of the "treaty" was that Schner would remain forever away from the Sinner home, as the trouble started over his too frequent visits with Sinner's wife.

**WHY YOU ARE NERVOUS**

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutrient gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol. Scott & Bowne, Bloomfield, N. J.

**LIVE STOCK PRICES AT SOUTH OMAHA**

Cattle Receipts Large and Trade Slow to 10c Lower.

HOGS AVERAGE ABOUT STEADY

South Omaha Receipts of Sheep and Lambs Almost as Many as the Combined Estimates of Chicago and Kansas City—Fat Lambs Higher.

Union Stock Yards, South Omaha, Oct. 26—Cattle receipts yesterday totaled 16,600 head. A steady market might have been expected had it not been for the demoralizing receipts at Kansas City, 45,000 head of cattle being reported at that point, with prices around 25c lower. That together with unfavorable advices from other points, rendered the market here slow and a little lower. Buyers were cautious, holding back with the evident intention of waiting later reports from other selling points. There was also a good deal of sorting and shaping up to be done. In the end killers sold at prices that were weak to 10c lower, while feeders ranged from about steady to 10¢15¢ lower.

Cattle quotations: Prime heaves, \$9.75@10.00; good to choice heaves, \$9.00@9.75; fair to good heaves, \$8.20@8.85; common to fair heaves, \$6.75@8.25; good to choice yearlings, \$2.00@2.75; fair to good yearlings, \$1.50@2.00; common to fair yearlings, \$1.00@1.50; prime grass heaves, \$8.00@8.60; good to choice grass steers, \$7.40@7.90; fair to good grass steers, \$6.75@7.25; common to fair steers, \$5.50@6.50; good to choice grass heifers, \$6.00@7.00; good to choice grass cows, \$5.75@6.25; fair to good cows, \$5.00@5.65; canners and cutters, \$3.75@4.75; veal calves, \$7.00@10.00; bulls, etc., \$4.25@6.25; good to choice feeders, \$7.40@8.00; fair to good feeders, \$6.80@7.40; common to fair feeders, \$5.50@6.50; good to choice stockers, \$7.50@8.00; fair to good stockers, \$6.75@7.75; common to fair stockers, \$5.50@6.75; stock heifers, \$5.75@7.00; stock cows, \$4.75@6.00; stock calves, \$6.50@8.00.

Receipts of hogs yesterday amounted to only 3,300 head. Shippers bought nearly a fourth of the receipts on a 5c higher basis. Most of their purchases were made around \$7.35@7.40, and tops reached \$7.45. Killing hogs were all of 5c lower. Bulk of the sales landed at \$7.20@7.40.

Sheep and lamb receipts yesterday totaled 28,600 head. In spite of the falling off in supplies, South Omaha retained the lead among the western markets, having almost as many as the combined estimates of Chicago and Kansas City. Fat lambs sold on a strong to 10¢15¢ higher basis. Quality wasn't anything to brag on, the best lambs here selling at \$8.70, although tops are nominally quoted as high as \$8.70. Some fairly good stuff sold around \$8.60, with plainer kinds at \$8.50@8.55.

Quotations on sheep and lambs: Lambs, good to choice, \$8.60@8.75; lambs, fair to good, \$8.50@8.60; lambs, feeders, \$7.75@8.50; yearlings, fair to choice, \$6.00@6.50; yearlings, feeders, \$6.00@7.10; wethers, fair to choice, \$5.50@6.00; ewes, good to choice, \$5.25@5.50; ewes, fair to good, \$4.75@5.25; ewes, feeders, \$4.50@5.50.
