HELP ME TELL EASTERN PEOPLE ABOUT YOUR WONDERFUL CROPS

How? Give me the address of your old friends back East that you believe would profit by becoming a land owner in your neighborhood. I will do my part to locate them in the West. Farmers of the Middle States have had good crops for the past two seasons and with their surplus money are in good position to either homestead or buy outright low priced lands in Western Nebraska, Eastern Colorado, Wyoming, South Dakota and Montana. The coming season is our best chance in years to locate Eastern people on Western lands. Let us tell them of our big crops and the splendid chance the West offers them for a home and increased land value. Do you want them or shall some other locality secure them?

This is, also, an appeal to commercial clubs and county organizations along the Burlington to secure for me acceptable sample yields of your 1915 products for exhibit in our Exhibit Room in Chicago.

It is a fine chance to advertise your locality. I will take care of these after they have been delivered at the Burlington Station prepared for shipment.

The Methodist Ladies' Aid met with Mrs. Ire Phillips this week. Last week they met at the home of Mrs. Kibbler, who served a delightful lunch.

Ed Mabin and bride returned the last of the week from their trip to Illinois. Ed is driving a new "Glide Six" which he purchased while away, and drove home.

The meetings at the Methodist church will continue through this week. Rev. Palmer is preaching very interesting and forcible sermons and the music is especially attractive.

G. A. Fendrick has moved a small house onto the rear of the lot he recently purchased of A. M. Miller and will fix it up for a residence. Later on he plans on building an up-to-date house.

One of the Harris boys, accompanied by Mrs. Harris and Miss Hazel Hickey, was in town Saturday on his way to Alliance from Agate, Nebr. Mr. Harris was driving the Hudson Six, which they purchased late in the summer.

Saturday evening at the Methodist church occurred the wedding of Miss Helen Huss and Charles Brott, both of this place. The bride wore a costume of white serge, and carried an arm bouquet of yellow chrysanthemums. Miss Lucile Huss was maid of honor, and Alex Olds was best man. Rupt. Walker and Gall Price were ushers. Faye and Adrian Clark were the pillow bearers. Rev. Palmer officiated, and Mrs. Palmer played the wedding march. Following the ceremony a reception was held in the church parlors, and after the congratulations and best wishes had been tendered the happy couple a wedding supper was served in the church dining rooms. About seventy-five guests were present. The presents received were numerous and beautiful. Among the out-of-town guests were the groom's sister and husband, Mr. and Mrs. Hall of Alliance; and Mrs. Robert Anderson of Brule, Nebr.

Death of Mrs. Charles Brann Friends here will be sorry to hear of the death of Mrs. Charles Brann, which occurred at her home in Lincoln, 219 South 25th street, October 31. She will be remembered as the wife of Chas. Brann, who was at one time in the grocery business in Alliance. After the funeral services, the remains were borne to her old home at Weeping Water, this state, and there interred near other family friends. Mrs. Brann was known here and elsewhere as being a faithful and loving wife, and also a woman of wide public interests. She made many friends here while a resident and they will regret to learn of her decease. The husband and a son, Arthur, are left to mourn the loss of a companion and mother, and the sympathy of Alliance friends is extended to them in their bereavement.

Fined for Fighting Ray Tompkins and Arthur Woodard each drew a fine of \$25 and costs before Judge Roberts Wednesday morning on a charge of fighting. It seems that the altercation started Tuesday afternoon when Woodard and Charles Wykoff were playing "dollar" pool. Tompkins appeared and proceeded to "break" the balls with a handy cue. Woodard took the matter up, and a fight was proposed, but he remarked that he didn't want to fight in a man's place of business. Accordingly the principals hid themselves to the Vaughan & Son coal yard where the scrap was pulled off, catch-as-catch-can. Both the principals showed signs of wear when they were haled into court, and spectators declared that from the marks it must have been a "draw." Wykoff was brought before the judge on the charge of playing pool for stakes, but the case was dismissed on account of insufficient evidence. In the meantime Tompkins and Woodard are settling their dispute in the city jail.

SELLS INTEREST IN BANK

A. H. Copey Retires from Connection with First State Bank—W. J. Root Takes His Place

A. H. Copey, who since its organization has been cashier of the First State Bank, this week disposed of his interests in the institution, and W. J. Root, for the past several months assistant cashier, has been elected to take his place. This is the only change effected by Mr. Copey's retiring, the officers and directors remaining the same. Dr. H. A. Copey continues as president, and Geo. A. Mollring vice president.

Mr. Root, the new cashier, is a young man of more than ordinary ability in the banking business. He has had more than thirteen years of experience, three of which were spent in Ohio, and the past ten years in Nebraska. From Ohio he came to Sargent, Nebr., where he was assistant cashier of the First National Bank, and later became cashier. After selling out there he spent six months in New Mexico, and later returned to Loup City and accepted a position as assistant cashier of the Loup City State Bank, which position he occupied until he came to Alliance about three months ago to enter the First State Bank.

SCHOOL NOTES

Items of Interest from the Different Buildings—Schools Dismissed for Thanksgiving Day

The high school examinations were held Tuesday and Wednesday and the grade examinations Wednesday.

A recent letter from Paul Campbell, son of Dr. Campbell, states that he is now in China, and that he is seeing most of the world in the services of the navy.

In a practice basketball game Wednesday between the academy ninth grade girls and the high school girls in the same grade, the academy young ladies were victorious by a good margin.

The Juniors are now working on their class play, "Why Smith Left Home", which will be rendered on the evening of December 10. The play is a comedy, with a liberal sprinkling of dramatic situations, and is going to be a success.

The schools were dismissed Wednesday evening for the Thanksgiving holidays, which means that there will be no more school until next Monday morning. The out-of-town pupils are enjoying the respite from their studies by spending the week end with home folks.

The Senior class pins were received this week, and they are beauties. They are small, and are the shape of a shield. At the top are the Roman numerals "16", and the word "Alliance" extends across beneath the numerals in a semi-circle, with the letters H. S. just beneath. At the bottom of the pin is the reproduction of a miniature "spud" raised from the background.

This week the pupils in the grade schools brought their annual Thanksgiving offering. Each year at this time the pupils each bring some article of food or clothing, and on Thanksgiving day these articles are delivered to the needy over town. The plan is one that meets with greater approval as each year passes, and of late the offerings collectively represent a wagon load or more of useful articles which never fail to bring happiness to all who are in the receiving line.

Rough Dry, 6 cents a pound—Alliance Steam Laundry.

Among the Alliance students who are attending school elsewhere, and who will be here to enjoy Thanksgiving festivities with home folks are Michael, Martin and Frances Nolan, of Omaha, Bernard Holsten, from Lincoln, and Elting Bennett, of Lincoln, who will be accompanied by a friend, Mr. Hagar.
