#### That Obstinate Headache

so often caused by eyestrain  
need no longer bother you if  
you will come here and be fit-  
ted with the proper glasses. Did  
you say they are not becoming?  
Now listen: some glasses are  
not, we will admit. With the  
passing of the old style high-  
bridge mounting, which was  
conspicuous and uncomfort-  
able, we are now using the low-  
bridge eyeglass which works  
with the fingers, is artistic in  
design and really becoming.

#### BEST SECRET TO DARKEN GRAY HAIR

Color, gloss and thickness  
with Grandma's recipe of Sage  
and Sulphur.

Common garden sage brewed into a  
strong tea with sulphur and alcohol  
added, will turn gray, streaked and  
faded hair beautifully dark and luxur-  
iant; remove every bit of dandruff, stop  
scalp itching and falling hair. Mixing  
one Sage Tea and Sulphur recipe at home,  
though, is troublesome. An easier way is  
to get the ready-to-use tonic, costing  
about 50 cents a large bottle, at drug  
stores, known as "Wyeth's Sage and  
Sulphur Hair Remedy," thus avoiding a  
lot of fuss.

While wispy, gray, faded hair is not  
attractive, we all desire to retain our youth-  
ful appearance and attractiveness. By  
darkening your hair with Wyeth's Sage  
and Sulphur, no one can tell, because it  
does it so naturally, so evenly. You  
just dampen a sponge or soft brush with  
it and draw this through your hair,  
taking one small strand at a time; by  
morning all gray hairs have disappeared.  
After another application or two your  
hair becomes beautifully dark, glossy,  
soft and luxuriant and you appear years  
younger.

#### FIRST ISSUE

Comes Out Today for First Time this  
Term—Is Ably Edited and  
Well Patronized

The Thanksgiving number of The  
Spud, the official publication of the  
Alliance high school, made its ap-  
pearance today, being fresh off the  
Herald press. The first number of  
the school year is always looked up-  
on as a criterion for the future is-  
sues, and this one augurs well for the  
other numbers.

The reading matter is put up in ex-  
cellent and interesting style, and will  
prove of interest not only to the stu-  
dents but to patrons as well. The is-  
sue is well patronized by the adver-  
tisers, and nearly all of the principal  
business firms in Alliance are repre-  
sented.

The Staff  
Editor-in-Chief, Marian Mote.  
Associate Editor, Lester Harvey.  
Business Manager, Norman Newber-  
ry.  
Asst. Business Manager, Hugh Dav-  
enport.

man.  
Asst. Subscription Manager, Tressa

Organization Editor, Ethel Clary.  
Exchange Editor, Walter Williams.  
Athletic Editor, Howard Bennett.  
Staff Artist, Jeannette Haney.

Class Editors  
Senior, Mildred Campbell.  
Junior, Jeannette Haney.  
Sophomore, Ethel Nation.  
Freshmen, Mabel Young.

The subscription price of the Spud  
is fifty cents for the school year, or  
fifteen cents for a single copy. Plenty  
of extra copies of this issue are being  
printed, and it is thought the pu-  
bils will have no trouble in dispos-  
ing of them. The next issue will be  
in January, and will be the mid-  
winter number.

**Beware of Cheap Substitutes**  
In these days of keen competition  
it is important that the public should  
see that they get Chamberlain's  
Cough Remedy and not take substi-  
tutes sold for the sake of extra profit.  
Chamberlain's Cough Remedy has  
stood the test and been approved for  
more than forty years. Obtainable  
everywhere.

#### HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat less meat if you feel Backachy or  
have bladder trouble—Take  
glass of Salts.

No man or woman who eats meat regu-  
larly can make a mistake by flushing the  
kidneys occasionally, says a well-known  
authority. As at forms uric acid which  
excites the kidneys, they become over-  
worked from the strain, get sluggish and  
fail to filter the waste and poisons from  
the blood, then we get sick. Nearly all  
rheumatism, head-aches, liver trouble,  
neuritis, dizziness, sleeplessness and  
urinary disorders come from sluggish  
kidneys.

The moment you feel a dull aching  
ache in your back or if the  
urine is cloudy, offensive, full of sedi-  
ment, irregular of passage or attended by  
a sensation of scalding, stop eating meat  
and get about four ounces of  
salts from any pharmacy; take  
tablespoonful in a glass of water before  
breakfast and in a few days your kidneys  
will act fine. This famous salt is made  
from the acid of grapes and lemon juice  
combined with lithia, and has been used  
for generations to flush and stimulate  
the kidneys also to neutralize the acids  
in urine so it no longer causes irritation,  
thus ending bladder weakness.

Food Salts is inexpensive and cannot  
injure; makes a delicious effervescent  
lithia-water drink which everyone  
should take now and then to keep the  
kidneys clean and strong and the blood  
pure, thereby avoiding serious kidney  
complications.

#### THE MIRACLE OF LIFE

A Silent Plea for Motherhood—An  
Appeal for Better Babies—  
A Blow to Divorce

Many centuries ago three wise  
men of the East followed a star—its  
light has led the wise men and wom-  
en of the world ever since. Through  
love, self-sacrifice, joy, pain, devo-  
tion, it guides humanity to the shrine  
of all ages—the child. That this  
miracle of life may be perpetually  
performed, the multitudes of men  
and women toil, striving by their lab-  
ors to make the earth a fitter place  
to cradle the race, and to win for  
future generations a fuller, freer life.  
And yet, many a young wife, aglow  
with vitality, and happy in her love,  
has recoiled bitterly from her trust at  
the first whisper of the voice of the  
Angel of Renunciation.

The theme handled in the feature  
photo-play, "The Miracle of Life,"  
which comes to the Empress Thank-  
sgiving night, is one that will have a  
direct appeal to every wife and moth-  
er in Alliance. The play has received  
the endorsement of all the lead-  
ing women's clubs throughout the  
country, and that fact that it played  
at the Strand in Denver for a solid  
week is sufficient proof of its draw-  
ing power.

#### OUT OF PROPORTION

Fourteen Divorces for This Term of  
Court—Separations About as  
Numerous as Marriages

No, Alliance isn't a Reno, but just  
the same the number of divorce cases  
on the docket for this week's term of  
district court is rather startling.  
There are fourteen of them—count  
'em, and the reasons they are want-  
ed, as filed in the complaints, are as  
numerous and varied as the colors of  
the rainbow.

Now, for comparison, take the  
number of marriage licenses that  
have been issued. They average  
about two or three a week. That is  
possibly 150 a year, but remember  
that at each of the terms during the  
year there are nearly always several  
divorce cases. When these are total-  
ed and this total is put against the  
number of licenses issued—well,  
they're not getting married much  
faster than they are getting divorced.

**Marriage Licenses**  
A marriage license was issued last  
Thursday to Earl H. Sutherland and  
Nelle M. Grant, both of Madison, Ne-  
braska, and a license was issued  
Monday to Robert Austin and Josey  
Chambers, both of Bayard.

#### Do Your Christmas Shopping Early

Only four weeks till Christmas. It hardly seems possible  
that a year has rolled around again and that the Holidays, the  
last of the year, are almost upon us.

Everyone is now confronted with that century-old question  
"what shall I give 'him' or 'her' for Christmas?" Until the  
last few years it has been the custom for shoppers to wait until  
the last minute to make their holiday purchases, but the habit  
of buying early is growing from year to year, and it will gain  
more headway with each year that passes.

There isn't a whit of use waiting until the last week before  
Christmas before you buy your presents. If you don't feel like  
buying early for the clerks' sake, then you should remember  
that the stocks are well picked over before Christmas, and that  
if you don't get to the stores early you will find only the left-  
overs.

The clerks are always in a better humor at the present  
time than they are a month from now, and they can materially  
assist you in making your selections, but with the rush of last-  
hour shoppers they have no time to render that assistance.  
Now, just ponder over it a minute—is there any valid reason  
why you cannot make your purchases now? Of course not.  
And if you'll think a few minutes more you'll make up your  
mind to not only get the pick of the stocks, which are now being  
put on display, but you'll decide to take compassion on the  
clerks.

gifts for your  
friends and loved  
ones.

This year we have an especial-  
ly pleasing stock of appropri-  
ate gifts for all the family. A nice piece of jew-  
elry is one of the best and most lasting gifts that  
can be presented, and it is a constant reminder  
of the giver. Here are a few suggestions:

Rings	Necklaces
Wrist Watches	Bracelets
Emblems	Lavaliers
Watches	Cut Glass
Vanity Cases	Stickpins
Clocks	Mesh Bags

We engrave all articles free of charge, but we  
would suggest that you make your selections early  
so we can do your engraving when you want  
it, thus avoiding the eleventh hour rush. We  
guarantee every article purchased, whether it is  
costly or inexpensive—you get the best quality  
just the same.
