The stock in the above companies went begging when it was first offered—investors could not believe the profits the management predicted. The above enormous profits made by the shrewd investors with the courage to back a young business are a matter of record and fact, and are being duplicated by present stock offerings. You have such an OPPORTUNITY in this offering.

THE WEALTH we offer is a real and an accomplished fact—our Company, if we did not increase our manufacturing facilities and working capital one cent, still could pay 80 per cent on the investment offered in this advertisement. This we are now earning—this is an accomplished fact.

The proceeds from the sale of our stock will enable us to increase our output at least fourfold and with the economies this increased production will effect, we will then be earning about 300 per cent on this investment.

THIS IS THE SMALL INVESTORS' OPPORTUNITY

By a special arrangement, we are enabled to offer one thousand investors this EXTRAORDINARY proposition:

Mail us ten dollars (\$10.00), no more and no less, and we will mail you a Certificate for Forty (40) shares of the Treasury Stock of our Company, Fully Paid and Forever Non-Assessable, and descriptive literature of our Company and its business.

This offer is made only to the first one thousand investors who answer this advertisement. "First come, first served." If you are too late or if you send any more or less than ten dollars, your money will be returned by the next mail.

This offer is made to secure the co-operation of one thousand small stockholders in boosting the sale of Double Service Tires and to prevent large financial interests from securing control.

The Double Service Tire and Rubber Company is incorporated under the stringent laws of the State of Ohio at \$250,000.00, divided into 250,000 shares of a par value of \$1.00 per share, all common, Fully Paid and Non-Assessable. Every share of stock and every stockholder being absolutely on an equal and even basis, all sharing alike in all earnings of the Company.

This is an established and going business and one which is at present earning net dividends equal to 20 per cent on its entire capitalization, and with future dividend possibilities so big and so alluring that they seem almost unbelievable.

The history of practically any one of Akron's famous rubber tire companies reads more like a fairy tale than business facts. Early investors have made fortunes almost unbelievable and are still making them. The growth and success of the Double Service Tire and Rubber Company but adds another chapter to this never-ending story of the fortunes made through the popularity of the automobile.

OUR GUARANTEE—YOUR PROTECTION

The fact that this Company is now wearing at the rate of 20 per cent on its entire capitalization, with less than one-third issued, is a positive guarantee of your 80 per cent and proof of the still larger earnings you will receive when their production facilities have been increased.

Your protection is made still more secure by the fact that after you have received our literature and your stock, you may return the same any time within ten days of its receipt by you and receive your money back in full if you are not entirely satisfied with your investment. This gives you ten days in which to investigate and to assure yourself that this is not a chance, but the best and biggest little investment you ever made. Could anything be more fair and square? Was ever an investment offered so attractive and so sure?

Just tear off and fill out this coupon and attach a ten-dollar bill to it, or a check, or a Money Order, and mail it today. REMEMBER, this offer is made only to the first one thousand who answer this advertisement.

"OLD KENTUCKY" IS RICH AND FRUITY

This Delicious Chew Has the Wonderful Flavor of Choicest Burley Leaf

MADE BY MODERN METHODS

If you don't chew tobacco you simply cannot get the full measure of enjoyment out of it.

A good chew, with its juicy richness and appetizing flavor, is an aid to digestion. That means it's beneficial to the whole system. And the best chew is plug tobacco, the closest-to-nature form into which tobacco leaf can be made.

Nature's own sweetness is in every juicy chew of Old Kentucky. You never before tasted such mellow richness—you can't get so much deliciously sweet flavor out of any other chew.

The rich leaf for Old Kentucky is selected, re-selected, picked over by hand, stemmed by hand, pressed into pure, luscious, golden-brown plugs by the most wholesome modern methods.

Try a 10-cent plug of Old Kentucky. You'll find it wonderfully tasty, wholesome and appetizing—a rich, mellow chew that exactly suits your taste.

Old Kentucky No. 1.

PERU NORMAL NOTES

The state board of education, at its recent meeting in Chadron, approved the plan submitted by the students to provide for a school nurse. The plan stipulates that each student shall pay a fifty-cent fee each semester for the maintenance of a nurse. The Board of Education will provide the cottage for her occupancy. It is the present intention for this plan to go into effect next semester.

The holiday vacation begins December 23 and closes January 3.

On Thursday evening holders of budget tickets were privileged to enjoy another splendid lecture course number. Everett Kemp, in his interpretation of J. G. Holland's delightful New England story, Sevenoakes, proved to be a master entertainer and impersonator.

Students and faculty were guests of the high school students Saturday evening at their Christmas celebration, which was of an unusual nature, but which proved to be very entertaining. Miss Tibbetts, the high school supervisor, gave a splendid talk on the Passion Play, which is given in Oberammergau every ten years and which Miss Tibbetts saw in 1910. The talk was illustrated by stereopticon slides made from actual photographs taken by Prof. Lees of the Nebraska University.

The first inter-class games in basketball ball were played Saturday afternoon. Considerable enthusiasm is always manifested at these events, and many get an opportunity to play who are not strong enough to win places on the varsity team. On these preliminary games the Seniors won from the Sophomores, and the Juniors from the Freshmen. On Monday evening the Seniors and Juniors contested for the clampionship, and the former team was victorious.

Miss Cleland and Dean Mattie C. Ellis went to Omaha Friday afternoon and returned Saturday evening.

A much larger seating capacity has long been needed in the gymnasium, and this situation has been relieved at last. Temporary seats to accommodate about seven hundred spectators have been put into place. Any of these can be removed at will, but a large part of them will be left in place except upon rare occasions.

SAGE TEA PUTS LIFE AND COLOR IN HAIR

Don't stay gray! Sage Tea and Sulphur darkens hair so naturally that nobody can tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50 cent bottle of Wyeth's Sage and Sulphur Hair Remedy at any drug store. Millions of bottles of this old, famous Sage Tea Recipe are sold annually, says a well-known druggist, because it darkens the hair naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, being faded, dry, scraggly and thin are a surprise awaiting them, because one or two applications of the gray erases and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair ceases.

This is the age of youth. Gray-haired, attractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur tea and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

Red feathers are used as a substitute for coin by some of the South Sea Islanders? Every Italian who is fit is liable to nineteen years military service, from his nineteenth birthday? When tobacco was first introduced into England the people used to pay to be taught the art of smoking? Benjamin Franklin wrote from Passay, in 1871, a letter to M. Bix Is Sorry for Preacher

A preacher at Hastings recently ran afoul of the Mann white slave law, when he left his own wife and children and took up his residence there with the wife and children of another man, the last wife and children coming from Kansas. Our friend "Bix", in the State Journal, had the following to say regarding the incident:

I'm sorry for the poor saloot. Whoever he may be, Who reaches out to gather fruit From the forbidden tree;

Who gratifies a present whim His future joys to rob, And thenceforth finds he has to jim Around without a job.

It pays to bear the stress and strife With conscience square and true; It pays to lead a decent life, From every point of view.

I'm sorry that the preacher fell, Who should have been more brave. I'm sure he knows there is a hell 'This side the silent grave.

I'm sure that he is sick and sore, And he shall have no kicks From me—if he will sin no more, That is sufficient. BIX.

Bad Habits

Those who breakfast at 8 o'clock or later, lunch at 12 and have dinner at 6 are almost certain to be troubled with indigestion. They do not allow time for one meal to digest before taking another. Not less than five hours should elapse between meals. If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonably hope for a quick recovery. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere. Adv.—Jan

The Wages of Silence

Two little birds were bachelors. Each was the other's chum. Said one of them: "This single life is growing stale and dull. I wish to wed and most emphatically state that I shall advertise the fact that I desire a mate." The other said: "I would not have you think my feet are cold, but I should never advertise, for that is coarse and bold."

The wise one opened wide and deep his highly gifted throat, and sang with ardor and technique his amatory note. The maiden birds from far and near flocked in to hear him sing, and signified their willingness to wear his wedding ring; and very soon the anthem which he warbled from his breast had won a highly skillful wife to supervise his nest.

The one who wouldn't advertise still sits upon a limb, but lonely lady birds will never pause to look at him. He has some lovely qualities peculiarly his own, but just because he doesn't fill his lungs and make them known, his atmosphere is darkened by a cold and dismal blight, and neighbors have the notion that he isn't very bright.—Printers Ink.

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's. Scott & Bowne, Bloomfield, N. J.
