

POLITICAL ANNOUNCEMENTS

W. R. HARPER
of Alliance

Candidate for the republican nomination for representative from the 73rd district, comprising Box Butte and Sheridan counties.

If elected I will pledge myself to the support of such measures as shall be for the best interests of the 73rd district and the state at large.

I believe that I am thoroughly awake to the needs of the state and especially as regards agricultural and business conditions. Anyone who makes a study of the agricultural conditions realizes that the time is at hand when legislation must be enacted which will aid the farmer in the solution of problems of fundamental importance. The ill effects of wasteful methods of distribution of farm products are being visited upon people of all classes in the state, and through this one cause the farmer gets less and the consumer pays more. This can and should be corrected as well as many other important things that can be brought about with proper legislative methods.

On this basis I solicit the support of the voters of Box Butte and Sheridan counties and will do my very best to bring about such measures of importance.

W. R. HARPER, Alliance.

FARMERS' MEETING

Minutes of Monthly Meeting of Box Butte County Farmers' Association, Held January 28

Following are the minutes of the regular monthly meeting for January of the Box Butte County Farmers' Association, held in the assembly room at the Box Butte county court house in Alliance, Friday, January 28:

Meeting was called to order by President Schill, with Messrs. Hadley and Nation, and Directors Trabert and Nason present. Secretary Groves being absent on account of sickness, President Schill appointed Director Trabert to act as secretary. Acting Secretary Trabert read the minutes of the annual meeting and the December director's meeting minutes were approved as read.

County Agent's report: From January 1 to January 27 inclusive—86 phone calls; 62 office calls; 2 farm visits; 401 personal letters sent; 488 copies circulars; farm records taken; 1 farm record returned; 8 indoor meetings held, attendance 725; farmers assisted to secure laborers; 1 farm management press articles written; 5; 18 days in office; miles traveled by auto, 35; by rail, 40; extension specialists in county, 1.

School Gardening: On Thursday, January 6, School Gardening work was presented to the patrons and pupils of the Alliance high school at two meetings, with an attendance of approximately 500. Prof. Pugsley, director of the Extension Department of the Nebraska College of Agriculture, presented the work, and the meetings were in charge of the county agent. On Tuesday, January 11, the County Agricultural Agent presented the Box Butte Survey data before the Alliance high school.

At the Farmers' Club meeting held January 18, at the home of F. M. Russell, some plans relative to Farm Management Survey work, Farm Record books, boys' and girls' club work, and other activities of the Box Butte Farmers' Association were discussed by the county agricultural agent.

A personal letter enclosing enrollment cards and posters relative to the boys' and girls' club work were sent to all the rural teachers from the office of the association. Two circular letters have been prepared by the county agent on boys' and girls' club work; one letter to be sent to the parents and the other to the boys and girls of club age thruout the county.

A dairy meeting has been arranged to be held in Hemingford February 1 and at Alliance February 2. All interested in dairying or in the production or consumption of dairy products are asked to be present. Five press articles on farm management problems made applicable to Box Butte county conditions have also been written for later publication. Inquiries for the Farm Record books which will be ready about February 1, have been received day after day at the agricultural office.

Considerable of the time of the county agent during the past month has been spent in a study of marketing problems especially relative to potatoes. An effort is also being made to secure all the desirable alfalfa seed that the Box Butte farmers may need.

The first copy of the Farmers' Ex-

change list was published on January 15, and sent to all tax payers throughout the county. The second list will be published about February 15, and all articles appearing in the first issue that have been not disposed of can be re-listed again by February 10. If the proper interest is shown, a list several times the size of the previous is expected to be put out in the next issue.

Bills allowed:
The regular salaries of the county agent and office assistant for January were allowed.

New Business:

The main lines of work of the Box Butte Farmers' Association for 1916 will be drawn up in project form. A project or a cooperative agreement by the Box Butte County Farmers' Association, the Nebraska College of Agriculture and the U. S. Department of Agriculture requires the signature of the president of the local organization, the County Agent, the head of the department under which the project comes, and the state leader of the project at the Nebraska College of Agriculture. Also the signature of the state leader of County Agent work. This puts the work on a very sound basis whereby all cooperating parties know exactly what is intended to be done. It is one way of securing a measure of what has been done and in this way the most important lines of work are not overlooked. The Farm Management Survey Project Agreement was adopted as one of the active projects for 1916.

The Annual Report of the Box Butte County Farmers' Association ending the fiscal year December 31, 1915, will be published next week and sent to all the tax payers thruout the county. This report covers the first ten months of work beginning March 1, and ending December 31, 1915.

The membership of the association was discussed at this meeting and it was decided that during the month of February the directors and officers of the Box Butte Farmers' Association would put on an active membership campaign for securing new members.

Motion for adjournment until the next directors' meeting, February 25, 1916.

ONE WEAK SPOT
Many Alliance People Have a Weak Part—Too Often It's the Back
Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Gull achin; keeps up, day and night. Backache is often from weak kidneys. In such cases a kidney medicine is needed. Doan's Kidney Pills are for weak kidneys.

For backache and urinary ills. Good proof of merit in the following statement.
Mrs. Thomas O'Neal, S. King St., Chadron, Nebr., says: "I had more or less trouble from my kidneys for several years. I suffered severely from an attack of lumbago. My back became very lame and painful and I felt tired and languid nearly all the time. Doan's Kidney Pills were finally recommended to me and I began using them. I was soon freed from the annoyance."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. O'Neal had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv—Feb 3-10

PURE-FOOD CHEW IS "OLD KENTUCKY"

Made in a Great Modern Factory, It is Clean, Pure, Wholesome and Satisfying

FRUITY-SWEET IN FLAVOR

When you put a chew of tobacco into your mouth, you want to be sure that it is clean and pure.

Plug tobacco is the most wholesome and satisfying form in which tobacco can be used, and Old Kentucky is the cleanest, purest of plugs. It is made in a modern factory—spotlessly clean and perfectly sanitary. Then, too, in Old Kentucky you get the mellow taste of the most deliciously mild tobacco leaf that grows.

Old Kentucky is made of the choicest Kentucky Burley, each leaf being selected with more painstaking care than is the case with any other plug tobacco.

And the pure flavor of that leaf is carefully retained—you get the real Burley taste. Chew Old Kentucky for genuine chewing satisfaction. Try a 10c pocket plug to-day.

COMSTOCK IS MEMBER

Well Known Western Nebraska Stockman Elected Member Executive Committee

W. G. Comstock of Ellsworth, Nebraska, well known western Nebraska stockman, was elected a member of the executive committee of the National Livestock Association at the annual convention held in El Paso last week. The following newspaper dispatches regarding the closing of the convention were sent out from El Paso:

Cheyenne, Wyo., was unanimously selected as the convention city for 1917 by the American National Livestock association. All officers of the association were re-elected at the concluding session of the convention. E. L. Burke of Omaha, Nebr., was added to the vice presidents.

President Heard also announced the following new members of the executive committee: H. W. Lynch, Pleyton, Cal.; W. G. Comstock, Ellsworth, Nebr.; Albert Kent, Gertrude, Nebr.; A. B. Robertson, Slayton, Texas; Ray L. Morley, Dattl, N. M.; and Edward C. Lasater, Falfurrias, Texas.

Former President H. A. Jastro made an appeal for funds to meet current expenses of the association and the sum of \$15,865 was at once subscribed.

It was also decided to raise a fund of from \$50,000 to \$200,000 for the expenses of the committee engaged in the work of securing legislation for the betterment of marketing conditions.

The committee is empowered to start a daily livestock paper at Chicago, in furtherance of its campaign against alleged abuses by the packing house interests. President Heard named the following members of the committee: I. T. Pryor of San Antonio, H. A. Jastro, Bakersfield, Cal.; Gov. J. B. Kendrick of Wyoming; A. E. de Riegles, Denver, and Edward L. Burke of Omaha.

SPECIAL STATE MEETING

President Steinhart of Nebraska State Association of Commercial Clubs Calls Meet at Hastings

John W. Steinhart, president of the Nebraska State Association of Commercial Clubs, of which W. D. Fisher of Alliance is secretary and treasurer, has called a special meeting of the association to be held in Hastings, February 16, commencing at 9 a. m., for the purpose of "taking the initiative in the development of a national and state constructive legislative platform."

In his call, issued to all clubs in the state, President Steinhart says, "Prospering Nebraska is eager for activity along constructive lines. We have an army of enthusiastic workers, a flood of wealth at hand. The workers keen to follow a leadership—the wealth available for plans looking toward the development of the resources of our state. "Cannot this enthusiasm, this spirit, and this wealth be marshaled into a constructive co-operative league that will enable us to go forth with plans still in such solidarity as to herald achievements in the development of our irrigation and conservation plans—our public highways—making of our Missouri river a navigable stream—and the many other lines of endeavor, all for the purpose of securing larger returns in agriculture and adding to our manufacturing and commercial resources. "The year 1916 is the time to prepare—plans as above require the enactment of national and state laws. In state affairs there is no time to lose if legislation is to be secured at the coming session. Surely this is proper labor for the associated commercial clubs."

BEATS MAIL ORDERS

Alliance Merchant Showed Home People How They Saved Money on Purchases Made Here

Glen Miller, of Miller Brothers, furniture store, last week showed an Alliance family how they saved actual cash by purchasing their furniture at home and how they secured better goods. The Alliance man and his wife asked Mr. Miller if he cared to figure on a bill of goods which they thought of buying from the Chicago mail order house. Mr. Miller readily agreed to the proposition, and the mail order catalog was brought down to the store.

The dining room sideboard picked out from the catalog was priced at \$23.65 including the freight to Alliance. This was with a plain oak top. The sideboard shown to them by Mr. Miller was the same size but it had a quartered oak top and the price was only \$22 here in Alliance.

The chairs they picked out in the catalog would have cost the Alliance people \$19 including freight. Better chairs in the Alliance store cost them only \$18.50. The dining room table picked out in the catalog proved to be much inferior at \$19.50 to the quarter-sawn table in Alliance for \$22.

It did not take the Alliance man and his wife long to decide on purchasing their furniture from the home dealer. And when the bill was all figured up they had saved many dollars and secured better furniture. The furniture business is not the only line of business that can undersell the mail-order house. People who have made a practice of purchasing from mail order houses would save money and get better goods if they would investigate. And merchants will have more opportunities to demonstrate these facts to purchasers if they use the newspapers with ads that call attention to the proposition.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Don't look old! Try Grandmother's recipe to darken and beautify faded, lifeless hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggly, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the tonic; you can get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair. Everybody uses "Wyeth's" Sage and Sulphur because it works so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.
