## HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

## PRUDENCE IN ADVERTISING

This Business Man Advertises in Dull Season When His Competitors Discontinue Publicity

The thoughtful man thinks ahead. The prudent man profits by his ability to forecast the future as well as to scrutinize the present. One of the most prominent advertisers in the country says he makes it a rule to increase his advertising appropriation whenever business slackens and he doubles and trebles it in times of severe business depression. This is his logical conclusion: "The new customers that I get when times are hard I always keep when times become good. They come to me largely from those who lose them because they fail to continue their publicity campaigns. A business depression in this country never lasts long and it is always seedtime for me. The harvest follows when prosperity returns." It is a wise man who knows his business better than the other man does.—Leslie's Weekly.

## HOT TEA FOR A BAD COLD

A small package of Hamburg brand Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

## BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It's magical, yet absolutely harmless. It doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

## BAND CONCERT SUNDAY

Large Crowd Hears Splendid Free Concert. Boys Planning Special Program for March

That the people of Alliance and vicinity are interested in the work done and the progress being made by their band organization is evidenced by the large crowd that turned out Sunday afternoon to hear the free concert given at the Imperial theatre under the direction of Professor John Havlik.

The band has increased wonderfully in efficiency in the past few months and has also increased in numbers. The organization now has twenty-seven pieces and twenty-two of these were present and took part in the concert yesterday. A number of the boys are employed by the railroad company and cannot always take part in the concerts and rehearsals. The band was assisted in their concert Sunday by Harvey Whaley, director of the Imperial Orchestra of this city.

Some time the latter part of next month the third of the series of free concerts will be given. Professor Havlik is planning a more elaborate program for this to consist of the usual band selections, interspersed with instrumental solos and vocal selections with band accompaniments.
