

DRY FEDERATION MEETING

Members of Executive Committee Met at Court House Thursday Afternoon

At the meeting of the Box Butte County Dry Federation in the Court House Thursday afternoon, several matters of importance relative to the coming state-wide prohibition campaign were discussed.

The members of the executive committee took dinner together at a local hotel, and then held a committee meeting. This was followed by an enthusiastic mass meeting, open to all who were interested.

The secretary read several letters from various candidates for public offices, in which they stated their position regarding the proposed amendment.

The problem of raising funds to carry on the campaign was thoroughly discussed, and it was decided that subscription papers be drawn up and circulated, that all who wish to may help a little; in this way it need not be a burden to any one.

The matter of combining the offices of secretary and treasurer was reconsidered; it being decided that this arrangement would involve too much work on one man. R. M. Hampton was unanimously elected to the office of treasurer.

A publicity committee was appointed, in whose hands was placed the matter of keeping the proceedings of the federation before the public.

Plans for the organization of precinct federations throughout the county is being slowly worked out, and will be perfected in due time.

The officers and committeemen of the federation are as follows:

President, T. H. Barnes.
Vice president, A. S. Eneyart.
Secretary, A. Gregory.
Treasurer, R. M. Hampton.
Publicity Committee: J. W. Thomas, A. T. Lunn, N. G. Palmer.
Executive Committee: J. B. Carns, Jas. Barry, N. G. Palmer, and the above named officers.

State of Ohio, City of Toledo, Lucas County, ss.

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH CURE.

FRANK J. CHENEY.
Sworn to before me and subscribed in my presence, this 6th day of December A. D. 1886. A. W. GLEASON, (Seal) Notary Public.

Hall's Catarrh Cure is taken internally and acts through the Blood on the Mucous Surfaces of the System. Send for testimonials, free.

KEEGAN FOR ASSESSOR

Well Known Box Butte County Farmer Consents to Petitions of Friends and Files for County Office

J. A. Keegan, one of the most widely known farmers in Box Butte county, who has been a resident of Box Butte for ten years and who has always taken an active part in public affairs, in response to the strong urging of his friends, has filed for the Republican nomination for county assessor at the primaries on April 18.

Mr. Keegan's up-to-date farm is three miles northeast of Alliance. He was in the real estate business for ten years, which gave him a thorough knowledge of the values of land and property, and he states that he believes that much attention should be given to the equalization of assessments—in other words, that some lands are assessed too low and others too high. He believes that the state board of equalization should give Box Butte county a fair show with the other counties of the state and that the state assessments should be fair.

Mr. Keegan filed Monday morning.

Fifteen Hundred Dollars for Fifty

Send your boy to an agricultural college if you can, but if you find that impossible get him a scholarship in the Campbell Correspondence School of Soil Culture. It will cost you fifteen hundred dollars to send him to an agricultural college for three years. You can buy a scholarship in the Campbell Correspondence School for fifty dollars and educate your boy at home. If he applies his spare time to study and takes pains with his work on the farm, he will know as much about scientific farming at the end of three years as he would if he spent that time and that fifteen hundred dollars at an agricultural college. He does not have to pass an examination and can begin at any time and go as fast as he pleases.

Of course you are too old to go to college, but you are not too old to study at home. We have students all the way from 19 years old to 84 years young. Write for a catalog and save \$1450. You can't make that much money as easy in any other way.

Campbell Correspondence School, Billings, Montana

The Aches of House Cleaning

The pain and soreness caused by bruises, over-exertion and straining during house cleaning time are soothed away by Sloan's Liniment. No need to suffer this agony. Just apply Sloan's Liniment to the sore spots, rub only a little. In a short time the pain leaves, you rest comfortably and enjoy a refreshing sleep. One grateful user writes: "Sloan's Liniment is worth its weight in gold." Keep a bottle on hand, use it against all soreness, Neuralgia and bruises. Kills pain. 25c at your druggist.

ANOTHER ADVANCE

Paper Stock of All Kinds Advances in Price from 15 to 25 per Cent—Impossible to Get Same

Paper stock of all kinds, used in printing newspapers and in job printing, has advanced in cost again, the second time in the last thirty days. Notices received from the wholesale paper houses the first of this week quote advances of from fifteen to twenty-five per cent over the prices established after the last advance.

Envelopes, book papers, bonds, cover papers, etc., advanced twenty per cent. Newsprint has advanced twenty per cent. These advances make these papers cost from forty to fifty per cent more than they did two months ago.

A FAIR WARNING

One That Should be Heeded by Alliance Residents

Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. This well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this locality place reliance in Doan's Kidney Pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:

James A. Kersey, Chadron, Nebr., says: "I had slight symptoms of disordered kidneys. There had been Bright's disease in my family for several generations and I decided to try Doan's Kidney Pills. This medicine soon cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Kersey. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.—Mar

PRINCE ALBERT

the national joy smoke

is the real tobacco for jimmy pipes and makin's cigarettes

Copyright 1915 by R. J. REYNOLDS Tobacco Co.

Get a Fresh Start!

For men who got away to a false start on a pipe or home-made cigarettes Prince Albert has a word or two for what ails their smokeappetites!

Forget you ever tried to smoke, for Prince Albert is so different, such a fine flavor, so cool and cheerful and friendly, you'll get a new idea of smoke joy! The patented process fixes that—and cuts out bite and parch!

And this little preaching is also for men who think they're on the right track. All to be said is that the sooner you lay out a nickel or a dime for a supply of Prince Albert, the sooner you'll make a discovery that'll be worth a lot to your peace of mind and tongue!

Buy Prince Albert all over the civilized world! Topped bags, 5c; tins, 10c; 10c and half-pound tins, 10c; humidors—and that classy crystal-glass pound humidor with sponge-moistener top that keeps the tobacco in such fine shape—always!

Get the idea of smoking all you want without a comeback—that's P. A.!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907," which has made three million smoke pipes where one smoked before!

TASH FILES FOR JUDGE

Two Now in Race for This Non-Partisan Office—Present Incumbent a Candidate

I. E. Tash filed last week for county judge. Mr. Tash's petition had been ready for several weeks but he seemed to think that the rest of the candidates were crowding things unnecessarily by filing so far ahead of the primary and he held his petition till last week.

The office of county judge is non-partisan and there are two to be nominated. Up to the present time there are only two candidates for the nomination, County Judge L. A. Berry being a candidate for re-election. Although the office is non-partisan, some "rough stuff" has been pulled on the present incumbent, which shows that political affiliations does make a difference to some people who put personal matters and personal gain ahead of the law that makes the judiciary nonpartisan.

Mr. Tash, former postmaster for several terms, is one of the best known citizens of Box Butte county. He has been here ever since Alliance has been a town and will undoubtedly poll a heavy vote. He states emphatically that he is not responsible for nor does he sanction the methods which have been adopted in his behalf in this campaign, and has requested his followers who are prone to resort to such to discontinue their mudslinging. Mr. Tash says that a judicial office and a political campaign for such carries a certain dignity that must be respected and that a judge, of all officials, should be elected by an honest expression of the public not influenced by ordinary or dirty campaign work.

It pays to advertise. Keep your ad in the Alliance Herald.

SAGE AND SULPHUR DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Attractiveness.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Advertising is just as necessary to the success of any business as are show windows, show cases, a place in which to conduct the business and clerks to help sell the goods.

LETTER FROM MYERS

Box Butte County Young Man Who is Attending Veterinary College, Writes The Herald

J. V. Myers, who is attending the Kansas City Veterinary College at Kansas City, Mo., writes The Herald as follows:

Dear Sirs: On my way from Alliance to K. C. I have stopped at a number of places in eastern Nebraska and Kansas. I have had to answer many inquiries about the country around Alliance. I find that the Box Butte potatoes are gaining a great reputation in the east. On every hand I heard praise of their quality. Some wanted to know why they had to pay \$1.50 per bushel when we had so many around Alliance that they were slow sale at 15 cents and 20 cents per bushel.

Strange reports often get started. Some people think our country is the jumping off place. I have been asked several times if we had any telephones out where I lived. I find the potato raisers along the Kaw valley, Kansas, are pretty badly discouraged on account of so much water. Think many of them could be induced to come to western Nebraska if they were sent some literature.

I am attending some clinics and lectures at the veterinary college. One of the members of the faculty, Prof. F. F. Brown, was a school mate of mine at the Chicago Veterinary College a good many years ago. He has attained a high position in the profession. I intend trying to get him to visit our country in case we should ever have another outbreak of the disease called swamp fever in horses, a name which I believe to be misapplied.

I have met Lynn Cantwell. The professors call him one of their best students.

Respectfully yours, J. V. MYERS.

There are hundreds of reasons why you should use Herald Want Ads; there are hundreds who read them carefully.

Watch Child's Cough

Colds, running of nose, continued irritation of the mucous membrane if neglected may mean Catarrh later. Don't take the chances—do something for your child! Children will not take every medicine, but they will take Dr. King's New Discovery and without bribing or teasing. It's a sweet pleasant Tar Syrup and so effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared, no mixing or fussing. Just ask your druggist for Dr. King's New Discovery. It will safeguard your child against serious ailments resulting from colds. Adv.—2

SEED CORN SCARCE

Results of Germination Tests Made in the Office of County Agricultural Agent

The scarcity of good seed corn is being realized more and more every day.

It has proven also that seed corn grown near home if properly selected, cured and tested, ordinarily gives better yields than seed corn brought from a distance.

Therefore it is necessary that good seed corn be found within the county. This can be done if all who are interested in this situation will do their share, and determine by testing what percent of corn will grow, and if it is good, pick out as much as possible, for neighbors will need all there is to spare.

The general tests being made by the county agricultural agent indicate that much of the corn that owners thought would grow shows but a small percentage germination.

Results of this week's test are as follows:

1914 Old Corn, 100 kernels tested:	
Sample No. 1, germination	34
Sample No. 2, germination	77
1915 Field Selected:	
Sample No. 1, germination	14
Sample No. 2, germination	34
1915 Crib selected:	
Sample No. 1, germination	70
Sample No. 2, germination	37
Sample No. 3, germination	65
Sample No. 4, germination	71
Sample No. 5, germination	64
Sample No. 6, germination	78
Sample No. 7, germination	56

Pills Best for Liver

Because they contain the best liver medicines, no matter how bitter or nauseating for the sweet sugar coating hides the taste. Dr. King's New Life Pills contain ingredients that put the liver working, move the bowels freely. No gripe, no nausea, aid digestion. Just try a bottle of Dr. King's New Life Pills and notice how much better you feel. 25c at your druggist. Adv.—2

RUSH LAKE

Thomas Squibbs was an Alliance visitor Friday.

Mrs. J. V. Myers called at the W. E. Rice ranch Tuesday.

Claude Rennaun of Orlando was an Alliance visitor Friday.

Grant Korman is at Kearney at present visiting his sister.

Mr. and Mrs. W. E. Rice were in Alliance on business Thursday.

Ed Burgman and Ed Masteller were Alliance visitors Thursday.

Clarence and Walter Peterson and mother are sick with the gripe.

George Skala of Madison is visiting with his brother L. W. Skala.

W. E. Rice was in Alliance Monday and Tuesday to see the dentist.

Misses Ellen and Marie Myers were visitors at the Fred Keller ranch Sunday.

J. V. Myers is visiting in Missouri at present and will return home in April.

Miss Adah Hill of Dalton is teaching the Rush Lake school, the former teacher, Miss Lillian Hughes, having resigned.

Rosmond Johnson purchased a new milk cow and took it to his place twenty-three miles southeast of Alliance Friday.

A big box social and dance will be held at the Rush Lake school house March 24. Two girls will preside over a candy booth during the evening. Everyone is invited. Don't forget the date.

Guaranteed Trees

I wish to announce to all persons who are going to plant trees this spring that, if they want the benefit of having their trees GUARANTEED FOR ONE YEAR, it is very important to submit your order AT ONCE, so that they will come on the very first shipment.

Any trees that I plant that come on the second shipment will not be guaranteed, as early shipments is one of the means of success, where we have to ship in stock from other places.

Now, if you want to receive all of the benefits connected with success, get your order to me not later than

March 20, 1916

Then leave the rest to me. You will then have done everything that is needed or could be done on your part for a perfect stand of trees.

If you neglect to do as above suggested, you are adding risks to the business that no one cares to carry, so I will have to decline to guarantee anything that is not ordered by the above date. The reason for this is that trees that commence to leaf out in another climate then brought here, lose the leaves and new ones must start, but if brought here before the leaves start and heeled in, the leaves do not fall off when transplanted, and can then be safely planted up to the first of June.

Why not get busy, and let's commence to fill this country with trees. If you do not see me, just drop me a card to Alliance, Nebr., for your wants, or phone No. 386.

This guarantee applies only to trees which I furnish and plant myself.

J. P. BARGER
