Mrs. Leo Berry, daughter-in-law of County Judge and Mrs. L. A. Berry, is reported in a critical condition at Shelton, near Grand Island, where she went several weeks ago for a visit with relatives. Mrs. Berry suffered internal injuries two months ago in a fall from an automobile, and her present condition is thought to be due to those injuries. Her husband, Leo Berry, has been called to her bedside from his home near Lakeside.

HEMINGFORD DEPARTMENT

(Written for last week)
 Fred Melick recently purchased a new Ford car, which arrived this week.

Mrs. B. U. Shepherd had charge of the millinery shop during Mrs. Lorenson's illness.

Russell Melick came in last week from Missouri for a visit with his brothers and families.

Wilbur Melick has rented the Lot-speich farm southwest of town and moved thereon last week.

C. H. Hubbell was in from the Curly neighborhood Tuesday doing some trading with our merchants.

Miss Anna Carter returned a few days ago from Broadwater, Nebr., where she had been visiting for some time.

Mrs. P. M. Lorenson was quite ill last Saturday and Sunday. At this writing she is able to be back in the shop.

Mrs. Philip Michael, Jr., was a passenger to Alliance Monday where she remained with friends until Tuesday night.

E. J. Curry, Hascal Best and James Best came in Sunday for the southern part of the state where the boys have been for some time.

A number of auto loads from this place attended the Best sale Tuesday. There was a good crowd in attendance and everything sold at a good price.

Mrs. Haack and sisters, the Misses Geraldine and Katurah Shull, left on 44 Wednesday going to Minatare to join their father, who has located at that place.

We hear that Mr. Womack who went to Denver last week to be operated on for appendicitis, underwent the operation and is doing nicely, a fact we are pleased to mention.

Elliott Beaumont returned to Alliance Tuesday to again take up his studies in school. He has been absent for the past month on account of a very severe attack of la grippe.

George Walker has moved his family into the West house in the west part of town, recently vacated by Mr. Rohe, who moved into the Graham house which has just been completed.

Mr. Barge of Seward, Nebr., was here several days last week looking after his land interests. Mr. Barge was formerly engaged in the mercantile business here, being one of the firm of Barge Bros.

George Taylor, living near Girard, lost several head of cattle a week ago. The cattle had drifted during the storm of Monday night and had gotten inside the fence along the right of way. The early train of Tuesday morning ran into the bunch killing several outright and injuring several more.

It becomes our painful duty to chronicle the death of Mrs. Frank Peltz, which occurred at her home northeast of town, last Saturday night. Heart failure was the cause, while it was understood by a good many that Mrs. Peltz had heart trouble her condition was not alarming, and the news of her death came as a shock to all. Her death recalls the sudden death of two of her daughters in less than two years, both due to heart trouble. With the passing of this woman, the home has lost a loving and faithful, a kind and affectionate, mother, and the community in which she lived, a good neighbor and friend. The funeral services were held from the Catholic church at this place, last Monday morning, conducted by the Rev. Keyser. Interment in the Hemingford cemetery.

A FAIR WARNING One That Should be Heeded by Alliance Residents

Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. 'Tis well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this locality place reliance in Doan's Kidney Pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:
 James A. Kersey, Chadron, Nebr., says: "I had slight symptoms of disordered kidneys. There had been Bright's disease in my family for several generations and I decided to try Doan's Kidney Pills. This medicine soon cured me."
 Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Kersey. Foster-Milburn Co., Props., Buffalo, N. Y.
