Don't Stay Gray! It Darkens So Naturally that No-body can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

### PERU NORMAL

The Junior-Senior banquet, the big social event of the year, was given on the evening of March 17. Over four hundred students of collegiate rank were seated at the tables in the spacious gymnasium, which had been converted into a veritable green arbor. Paul Green was master of ceremonies, and A. Lewis Tyler, toastmaster. The following toasts were given: Smiles, Sydney Johnson, president of the Junior class; Tears, Professor Beck, adviser for the Seniors; Antidotes, Elzada Clover; Tangents, Professor Howie, adviser for the Juniors; Insurance, Mary Hibler; Comparisons, President Hayes; Knights, Roy B. Hull, Senior class president. A telegram from Dean Rouse, who was not able to be present, conveyed his greetings to each class.

The Nebraska Dry Federation held a most enthusiastic and successful rally Monday evening in the State Normal school chapel. Dr. Wm. B. Pfeiffer gave the principal address of the evening. At the close of the meeting a permanent local organization was effected with the following officers, who were unanimously elected: President, Dr. N. S. Harajuan; vice president, Roy Cowell; secretary, Prof. W. F. Hoyt; treasurer, T. L. Fisher.

One of the special features of the new summer school bulletin is the announcement of the county superintendents' and rural life conference which will be held in Peru June 20 to 23 inclusive. A part of the plan for this conference contemplates lectures by Harold W. Focht, national rural school specialist; Oscar W. Benson, head of the boys' and girls' club work in the United States; and George W. Brown, head of the new department of rural education in our Normal. In addition to this the children are preparing a number of pageants suitable for use in rural school communities. On one evening they will give a play entitled, "Back to the Farm".

On March 31 Peru will meet Kearney Normal in two debates. Roy Hull, A. A. Wolf, and Roy Hagerty will defend the blue and white at home, while O. W. Osness, Bryan Emmert, Clarence Howie, and Luella Rawley will meet the opponents at Kearney. These young people were chosen from the large group of contestants who took part in the preliminary debates several weeks ago.

Miss Iva Dunn, head of the department of expression, gave a recital at Brownville on the evening of March 15. She was accompanied by Misses Margaret Ralston and Ruth Redfern, who contributed some musical numbers to the program.

The Y. M. C. A. and the Y. W. C. A. have been engaged in a Religious Betterment campaign. The services at the various churches Sunday were given over to sessions of this campaign, and several special meetings were held the first of the week, which gave students and citizens of Peru an opportunity to hear F. MacMillan, of Des Moines, Ia., who is vice president of the Rock Island railway; C. A. Musselman, of Omaha, Y. M. C. A. city and railway state secretary; E. A. Worthley, student pastor of University of Nebraska; Miss Lynch, territorial secretary and state secretary for the Y. M. C. A.; and E. J. Simonds, state secretary of Y. M. C. Smith Friday afternoon of this week, and the program will be a literary one, including roll call of current events, and an address by Senator Earl D. Mallery, and musical selections by Miss Ruth Leonard and an instrumental duet by Misses Patricia Pate and Marie Kibbie.

On Monday evening, Mrs. L. M. Beal was hostess to Mr. Fisher's and Mr. Cooper's classes of boys of the Christian church at her farm home, and the young gents surely enjoyed the time. They played games in the new barn, also enjoyed roller skating, wrestling and other activities dear to the heart of the boy, and the hours closed with refreshments both tempting and consoling. It is safe to say that the boys will not forget this outing for some time.

The Woman's Club enjoyed a special time at the home of Mrs. Laing last Friday afternoon. The hostess had prettily decorated in colors appropriate to the day, and quite a good deal of amusement was caused by the ones in attendance being asked to kiss the "noted Blarney stone". The menu served at the close of the study hours carried out the same color scheme, and the whole program, which included readings and music, was pleasantly carried out. Mr. Laing presented the ladies with green and white carnations as a memento of the occasion.

The ladies of the Woman's Guild were entertained at the parish house Wednesday afternoon, the hostess for the occasion being Mrs. W. G. Eubanks. A large attendance was present, and besides the usual session of the society, a towel shower was tendered Miss Margaret Shaw, complimentary to her approaching marriage to Mr. Frank Was. A social time was enjoyed and a delicious luncheon served the guests.

The Baptist Missionary society was entertained yesterday afternoon by Mrs. Layton and Mrs. Robbins, at the home of the latter, and a delightful and interesting time was spent.

The Methodist Aid Society met with Mrs. J. B. Carns yesterday afternoon, and the missionary program was very interesting. Miss Ruth Leonard favored with an instrumental solo, and Mrs. Davenport, Mrs. Carns and Miss Mable Young all gave readings which were along the missionary subject.

Next Wednesday afternoon the ladies of the Methodist Aid are to be hostesses to all the other aid societies of the different churches, at the Methodist church, and a pleasant afternoon is looked forward to. Refreshments will be an important feature and an interesting program is being arranged for.
