Victor Records Have Familiarized Millions with the Masterpieces of Music

A comparative few years ago the soul-stirring arias and concerted numbers that have immortalized the names of the great composers were hidden mysteries with only an occasional opportunity, at rare intervals, to hear and become familiar with them.

Today millions of people are familiar with them through the wonderful achievements of the Victor. The Victor Records of these musical treasures have revealed their sublime beauty to music-lovers in every part of the world.

They are presented in all their grandeur by the world's greatest artists whose exquisite renditions are the standard by which the artists' actual performances are judged.

They are noteworthy achievements in the art of recording that have established the Victor Supremacy on a basis of great things actually accomplished.

We will gladly play for you any music you wish to hear and will demonstrate to you the various styles of the Victor and Victrola, for sale here on easy time payments at \$15.00 to \$250.00.

LIVE STOCK PRICES AT SOUTH OMAHA

Cattle Market 10-15c Lower; Receipts Heavy; Cows Steady

SHEEP AND LAMBS ARE LOWER

Union Stock Yards, South Omaha, Neb., May 30, 1916.—The week opened with a tolerably liberal run of cattle, some 240 loads or about 6,000 head. Bids were generally 10@15c lower than at the close of last week, most of the cattle were sold on this basis. Good to choice heaves were scarce, and in broad enough demand to help up well and sales went around \$10.15@10.45 perhaps not more than a dime off. The fair to good cattle sold at \$9.50@10.00. The supply of cows and heifers was small, and the prices were about steady. There was a broad demand for anything desirable in the way of butcher or beef stock. Strictly good to choice heifer stock sold around \$7.75@8.50. Quotations on cattle:

Good to choice heaves, \$10.00@10.50; fair to choice heaves, \$9.60@10.00; common to fair heaves, \$8.50@9.50; good to choice heifers, \$8.00@9.00; good to choice cows, \$7.75@8.50; fair to good cows, \$6.75@7.75; canners and cutters, \$4.50@6.50; veal calves, \$9.00@12.00; bulls, stags, etc., \$6.50@8.50.

There was a fairly large run of hogs on Monday's market. Outside demand was fair, and quite a number of loads were sold early for shipping account. The packers were bearish, enabling the shippers to get all the hogs they wanted at about steady prices, and in some cases a little lower. The packers made lower bids right from the start, and early bids of a nickel to 10c in spots were promptly turned down. However, sellers finally gave in, and started selling hogs at a 5c lower basis. General market was about 5c lower. Bulk of sales was made at \$9.25@9.40, some loads reaching \$9.45.

The largest supply of sheep and lambs for a number of days was on hand on Monday's market, estimates being about 23 cars, about 5,700 head. The packers determined to get lambs at lower figures from now on, and owing to the large receipts for Monday, they decided to make a good break. There were very few bids on early rounds, and when they were finally made they were 50c, and in extreme cases, \$1.00 lower than last week. Clipped lambs sold at about 50c lower than last week's close. Choice lights brought \$10.40, while \$10.00@10.25 brought most of the decent to good light and handy offerings. Spring lambs were slow, and sold around steady figures.

Quotations on sheep and lambs: Lambs, spring, \$9.50@12.00; lambs, good to choice, handy, \$10.00@10.40; lambs, fair to good, handy, \$9.25@10.00; lambs, fair to choice, heavy, \$8.50@9.75; yearlings, fair to choice, handy, \$8.00@8.75; yearlings, fair to choice, heavy, \$7.25@8.25; wethers, fair to choice, \$6.50@8.00; ewes, good to choice, \$7.00@7.75; ewes, fair to good, \$6.00@7.00.

COMB SAZE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully dark and attractive with a brew of Saze Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Saze and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Saze and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

ORGANIZED DRY ASSOCIATION
An enthusiastic temperance meeting was held at three o'clock Sunday afternoon at the Hawkins school house and was addressed by Rev. J. B. Carns. Miss Reuswold presided at the organ and Mae Graham led the singing. A crowded house attended. Officers elected were: J. C. Hawkins, president; Mrs. George Clark, secretary; Clyde Coker, treasurer. The board of directors consists of the officers and Fred Robbins and Geo. H. Hagerman.

W. C. T. U. NOTES
At the last meeting of the union Mr. A Gregory gave a most excellent report of the meeting of the state Dry Federation which was held in Lincoln on May 19. He stated that the three themes most emphasized by the state workers were the danger of over-confidence, the need of distribution of literature which had been sent out and the need of funds for campaign work.

701 names on petitions for the proposed prohibitory amendment have been sent from Box Butte county. This is about one-half the voting population of the county. 593 names were secured in the 18 districts into which the city was divided for canvass, and 77 from outside those districts were turned over to the W. C. T. U., making a total of 580 names sent in by the Alliance W. C. T. U. Of these Mr. Gregory secured the highest number, 84, and Mrs. Vance next highest, 75.

The following named women have been elected to serve on the mission board for six months beginning June 1st: Mrs. W. S. Acheson, Mrs. McCorkle, Mrs. Phelps, Mrs. Bignell, Mrs. James, Mrs. Ella Young, Mrs. Lamont, Mrs. J. R. Lawrence, Mrs. Sanders, Mrs. Layton, Mrs. Clyde Miller, Mrs. Elbert Laing, Mrs. Thos. Katen, Mrs. A. R. Acheson. The board organized and elected officers as follows: Pres., Mrs. W. S. Acheson; V. Pres., Mrs. Lamont; Sec., Mrs. J. W. Thomas; Treas., Mrs. Bignell.

Services are being conducted at the mission each evening this week by Rev. George Jackson and wife, who have had several years of experience in such work. Everybody is invited.

The next meeting of the union is announced to be held at the home of Mrs. O. G. Gentry, 742 Pine Ridge Ave., on June 8.

Forethought
People are learning that a little forethought often saves them a big expense. Here is an instance: E. W. Archer, Caldwell, Ohio, writes: "I do not believe that our family has been without Chamberlain's Colic, Cholera and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.

Mrs. John Rheinkober who has been spending the past few weeks with home friends at Sioux City, Ia., returned Friday morning last. She was accompanied by her little daughter, Lucile, and Mrs. Ed Weir, and daughter, Darling. Mrs. Weir is a sister of Mrs. Rheinkober, and she and her daughter will visit in Alliance for a month.

Are You Going to Build?

There's a time for work, and a time for play; And a time when time is filled With other things that a man must do, But NOW'S THE TIME TO BUILD.

Our lumber is right; our prices are right; Competition is simply not in it, If you're thinking of building, do not put it off—Get busy now—begin it.

We have an idea you'll be mightily surprised when you get our actual figures for the material you need to build with. When we estimate a bill of Lumber, we make them to meet all kinds of competition. And on this basis we usually land the bills we figure.

Be sure and let us quote you.
