

T. P. A. Notes

Post M, Alliance, Nebraska

These notes will appear also in the Omaha Trade Exhibit, official organization for the Nebraska Division, and in the national T. P. A. magazine.

"Si" Thompson, chairman of the good roads committee, is a busy man. He is also chairman of the good roads committee of the Alliance commercial club, of which he is a director. Si runs a Ford around over the country, making his territory, for he is a "prune peddler" and a good one, too. Recently an irate ranchman through whose holdings a new road had been opened in order to shorten the distance between two towns about six miles, mounted his windmill with a long range rifle and kept autos from going through his property. Si is a little chap, but he quickly mounted his Ford and hid himself to where the indignant rancher held forth. It was only a matter of a few minutes after Si, with fire in his eye, had tackled the big ranchman, that everything was settled satisfactorily, to Si's satisfaction. Now the ranchman opens the gates when he sees an auto coming, especially if he sees a Ford that looks like the one belonging to our good road chairman. Si eliminated fifteen gates between Alliance and Scottsbluff during the last year—this was in a distance of only about fifty miles.

Joe O'Connor, chairman of the sick committee, has had plenty to keep him busy lately. He recently looked after two sick members of the T. P. A.—one at the Drake hotel and one at the hospital.

Railroad Chairman Jack Hawes, whose name is familiar to the readers of these columns, is working to get the "Morrill turnaround" to run to Alliance for its terminal point each day instead of stopping at Bridgeport. This would make it much easier for some of the boys to work the North Platte valley country. As soon as Jack gets this accomplished he will direct his efforts towards getting Burlington trains

number 39 and 40 to run to Alliance from Lincoln instead of stopping at Seneca.

Anyone having kicks to register on hotel service or conditions in western Nebraska should communicate with chairman R. M. Baker of the hotel committee. Baker is always on the job and will give prompt attention to complaints.

L. H. Highland, chairman of the legislative committee, is busy interviewing candidates for the state legislature as to their attitude on questions affecting traveling men.

The traveling men all felt relieved when word came on Sunday, September 3, that the big railroad strike had been called off. A number of the boys who were not equipped with autos had been planning on vacations.

Saturday, August 12, was a gala day in the history of Post M. Over one hundred people, consisting of members of Post M and their families, journeyed to Crawford for a picnic at which the Crawford U. C. T. boys were the hosts. There were ten auto loads, the rest going by train. Jack Hawes proved himself a regular Barney Oldfield in going up, only picking up three tires and a ten-inch bolt in his tires on the trip. Roy Strong made the swiftest time in his Ford. He drives this trip so often that the car knows the road and needs no guiding to make it.

First on the program was a ball game between a Post M team and a U. C. T. team. The Post M team was somewhat handicapped because the Crawford umpire refused to allow fast ones from the pitcher, calling them balls. Perhaps he had poor eyesight and couldn't follow the speed ones.

The lineup of the Post M team for the game was as follows:
Louie Griffin, catcher.
Rex Young, pitcher.
S. A. Van Landringham, first base.
Frank Downey, second base.
Joe O'Connor, short stop.
Vern Hunt, third base.
Lloyd Johnson, left field.
Guy Lockwood, center field.
H. W. Hull and Roy Close, right field.

We are sorry that we are unable to give the Crawford U. C. T. lineup.

The score for the game was as follows:

Crawford 3 0 0 0 0—3
Alliance 3 0 4 2 2—11

At noon a big picnic lunch was served in the city park—a mighty fine place for anything of this kind. The Crawford boys made excellent coffee and furnished the watermelon. A contest of serious proportions developed when Si Thompson and Mrs. Treem tried to see which could eat the most watermelon. The result is still in doubt. Following the picnic some of the bunch enjoyed a swim in the big, new plunge in the city park.

The Crawford U. C. T. held a meeting of the council in the afternoon and initiated several new members. Plans were formulated for the working together of the T. P. A. and the U. C. T. for the benefit of western Nebraska. At 5 o'clock the autos started homeward for Alliance, arriving home during the night.

Considerable rivalry has arisen lately between the baseball team of Post M and the team of the Alliance Volunteer Fire Department. On Sunday, August 27, a game was played between opposing teams in response to a challenge from the fire department. The lineup was as follows:

FIRE DEPT. T. P. A.
Atwell cf Lockwood
Pilkington rf Burlington
Rockey c Hamilton
Nation 1b Van Landringham
Schieb 2b Griffin
Ellis ss McKenna
Regester 3b Hunt
Schafer lf Johnson
White, Nation p Hull

McNulty and Gleason were the umpires, umpiring alternate innings. The score was as follows:

Fire dept. 0 0 0 0 1 0 0 1 4—6
T. P. A. 1 0 0 0 1 0 1 0 0—3

Van Landringham proved himself an excellent first baseman. Van weighs about 225 pounds and there was no pushing him off base by runners. Lockwood proved an adept at stealing bases, while Hull stayed through and pitched an excellent game for the entire nine innings. Hamilton, who is an old time catcher, held the balls every time they came over the plate.

Defeat holds no terrors for the members of Post M, and they issued

a challenge to the fire department for a return game on Sunday, September 3. The tale this time is different. It runs this way:

The lineup was:
T. P. A. FIRE DEPT.
Burlington rf Gastineau
Porter 2b Schiel
VanLandringham 1b Atwell
Hull cf Edward
Young p White
Griffin ss EHE
Close lf Schafer
McIntyre c Rocky
Campbell 3b King
Morgan, an old time baseball magnate, umpired. The score was as follows:

T. P. A. 0 5 0 0 4 3 0 0 0—12
Fire Dept. 1 1 0 1 0 0 1 0 0—4

Young proved himself a pitcher from head to toe, holding the fireboys down to 4 scores. Porter covered his field like a blanket and every batted ball that came his way went to first base like clockwork.

Now, in order to really get something definite on the baseball situation in Alliance the "rub" is to be played on Sunday, September 10, between the two opposing teams. This game should be well worth seeing. The boys who do not play, prove themselves excellent "rooters".

LLOYD C. THOMAS,
Publicity Chairman.

Are You Looking Old?

Old age comes quick enough without inviting it. Some look old at forty. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.

RANCHMAN HOTEL MAN

L. Rentfrow Who Used to Ride the Range now Proprietor of a Leading Omaha Hotel

L. Rentfrow, formerly in the cattle business in western Nebraska, is now proprietor of the Millard Hotel, Omaha, and is making a great success as a hotel man. One reason for his present success no doubt is the spirit of hospitality which he imbibed when riding the range years ago and which he still retains.

Mr. Rentfrow may be called an old-timer in this country if any one can. He rode the range in old Cheyenne county when it covered the territory now occupied by about a half dozen counties. He used to cross the tableland where Alliance now stands before there was an Alliance or a railroad here. He helped in organizing some of the western Nebraska counties that were cut out of the big counties of the early days. His brother was first sheriff of Banner county.

As proprietor of the Millard Hotel now, he gives a cordial welcome to all who stop at his place but especially to the stockmen. While making his guests feel at home by his cordial disposition, he at the same time looks well to their comfort and convenience, all of which goes a long way towards securing the return of those who put up at the Millard.

Mr. Rentfrow wants the readers of this paper to know where he is located and invites them, thru an advertisement in this issue, to visit him when in Omaha. And he is still a young man.

HELP THE KIDNEYS

Alliance Readers Are Learning The Way

It's the little kidney ills—The lame, weak or aching back—The unnoticed urinary disorders—That may lead to dropsy and Bright's disease.

When the kidneys are weak, Help them with Doan's Kidney Pills.

A remedy especially for weak kidneys.

Doan's have been used in kidney troubles for 50 years.

Endorsed by 40,000 people—endorsed at home.

Proof in an Alliance citizen's statement.

Mrs. Lee Moore, 114 Platte Ave., Alliance, says: "Because of the help Doan's Kidney Pills have given so many people whom I know, as well as what they have done for me, I had spells of kidney disorder. My back was lame and weak and ached in a steady, wearing way. Keeping up around at my housework was hard. Then, too, I had headaches and was nervous. Doan's Kidney Pills relieved me of this suffering."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moore had. Foster-Milburn Co., Props., Buffalo, N. Y.

Has Infantile Paralysis

The first case of infantile paralysis in western Nebraska is reported from North Platte. Dorothy, the 8-year-old daughter of Mr. and Mrs. Robert Armstrong, has the dreaded disease but her case is declared to mild by the attending physicians.

The girl is believed to have contracted the malady while returning from Oregon where the family recently visited with relatives. They occupied a section in a sleeping car and it is alleged that the child was exposed to the disease some time during the trip to the Nebraska home.

Chamberlain's Colic, Cholera and Diarrhoea Remedy

This is a medicine that every family should be provided with. Colic and diarrhoea often come on suddenly and it is of the greatest importance that they be treated promptly. Consider the suffering that must be endured until a physician arrives or medicine can be obtained. Chamberlain's Colic, Cholera and Diarrhoea Remedy has a reputation second to none for the quick relief which it affords. Obtainable everywhere.

The careful man doesn't allow himself to be talked into haphazard investments—he puts his money in the Bank where it is safe for some good business opportunity

EVERYONE KNOWS THE STORY OF THE ARAB WHO COULDN'T SAY NO, AND WAS FINALLY CROWDED OUT OF HIS TENT. SOME PEOPLE CAN'T SAY "NO" TO THE GLIB STRANGER WHO HYPNOTIZES THEM INTO INVESTING IN SOMETHING THAT EXISTS ONLY ON A PIECE OF PAPER. SOME PEOPLE "BITE" AT THE GET-RICH-QUICK SCHEME BECAUSE THEY BELIEVE A STRANGER INSTEAD OF THEIR OWN BANKER.

LISTEN, IF THAT GET-RICH-QUICK SCHEME IS SO GOOD, WHY DOES A SMOOTH STRANGER HAVE TO PEDdle IT TO YOU?

FIRST STATE BANK

MAKING bread in a Bedouin tent on the deserts of Arabia is quite a different proposition from baking bread in our modern establishment—a difference the people of this community appreciate.

Our Bread
has that delicious flavor that gives it a place distinctively its own in homes where "good eating" is appreciated. The same thing is true of our pies, cakes, doughnuts and all other forms of pastry.

Quality and cleanliness are the twin mottoes of this bakery at all times.

DRINK HOT WATER BEFORE BREAKFAST EVERY MORNING

Hopes every man and woman here will adopt this splendid health habit.

Says a glass of hot water with a teaspoonful of limestone phosphate in it washes poisons from system, and makes one feel clean, sweet and fresh.

Why is man and woman, half the time, feeling nervous, despondent, worried; some days head-achy, dull and unstrung; some days really incapacitated by illness.

If we all would practice the drinking of phosphated hot water before breakfast, what a gratifying change would take place. Instead of thousands of half-sick, anaemic-looking souls with pasty, muddied complexions we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons in the bowels which are absorbed into the blood.

Just as necessary as it is to clean the ashes from the furnace each day, before the fire will burn bright and hot, so we must each

morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins. Men and women, whether sick or well, are advised to drink each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Millions of people who had their turn at constipation, bilious attacks, acid stomach, sick headaches, rheumatism, lumbago, nervous days and sleepless nights have become real cranks about the morning-inside bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone its cleansing, sweetening and freshening effect upon the system.
