NOTICE OF PETITION
In the Matter of the Estate of Andrew J. Donaldson, deceased.
In the County Court of Box Butte County, Nebraska.
The State of Nebraska, to all persons interested in said estate, creditors and heirs, take notice that John W. Donaldson has filed his petition alleging that Andrew J. Donaldson died intestate in the County of Wayne and State of Iowa on the 25th day of January, 1902, being a resident of said County, and seized in fee simple of the following described real-estate, to-wit: The SE $\frac{1}{4}$ of Section 31, Township 24 N. of Range 52 W. of the 6th P. M., Box Butte County, Nebraska; leaving as his sole and only heirs the following named persons, to-wit: John W. Donaldson, a son, George Donaldson, a son, Minnie F. Mortaz, a daughter, and Sarah Bunnell, a daughter, and that said persons are the sole and only heirs of said deceased; that all debts of said deceased and of his estate are fully paid and that no administration of his estate and no application for appointment of an administrator thereof has been had or made within Nebraska by any person whatsoever. Said petition prays for a decree to be entered here in finding that said decedent died intestate, fixing time of the death of the deceased; finding that no application for administration of said estate has been made and that the estate has not been administered in the State of Nebraska; that more than two years have elapsed since the death of said decedent, and that all debts against said estate have been paid, that the Court may determine who are the heirs at law of said decedent, their degree of kinship and the right of descent to the real property of which said decedent died seized, above described, and that the hearing upon said petition has been set for the 20th day of September, A. D. 1916, at 10 o'clock A. M.

STATE CAPITOL NEWS
It is Predicted that Wilson Will Carry Nebraska by a Majority of 40,000 Votes
(By Herald Correspondents)
Lincoln, Neb., Sept. 6.—The increase of lands added to the taxable land values of the state since the levy of 1915, according to the official report of O. E. Bernecker, secretary of the state board of equalization, totals 1,507,213 acres. The total decrease in acreage for the same period was 31,411. The largest increase was in Cherry county, with 238,577 acres. Seventy-one counties are credited with an acreage increase, while eighteen counties show a decrease. Personal property, based on a one-fifth valuation, shows an increase of \$1,675,986.
In quite contrast to the gloom which hangs over republican state headquarters at the Lindell hotel, is the jubilant activity which prevails at the democratic state headquarters over at the Lincoln hotel. Not a day goes by but what Chairman Langhorst of the democratic state committee receives large drafts of mail from every part of the state, containing words of encouragement, not only from democratic county committeemen, but from voters of every political hue, assuring him of their support for Woodrow Wilson and the state ticket. Not in years has there been such an encouraging landslide to democracy as seems apparent thus far in the state and national campaign. Over at republican headquarters it is reluctantly admitted that so far the democrats have all the best of it. One republican member was heard to remark that "the political outlook for the republican ticket in Nebraska was pretty gloomy, while the Wilson tide was much stronger than the committee had at first anticipated." Already it is being predicted that Woodrow Wilson will carry Nebraska by 40,000. Hence great gloom at republican headquarters.
As a result of the reduction in the state levy by the democratic state board of equalization, a number of county boards in several counties of the state will be enabled to reduce their levies this year. Several have already made a reduction and others will not doubt follow where it is practicable. A few days ago the Lancaster county board of equalization reduced its levy for all purposes about \$20,000, while the state levy charged against the county for 1916-17 by the state board reduced the total state tax approximately \$46,600 for the two years. York and Seward counties are two others that have imbibed the democratic spirit of economy and efficiency and have cut their county levies this year.
A meeting of the legislative committee which was appointed by Governor Morehead, consisting of Senator Phil Kohl of Wayne, Senator E. J. Spirk of Wilber, Speaker Jackson of Nelson and Representative C. Petrus Peterson of Lincoln, met with the state board of public lands and buildings a few days ago, to consider plans for repairing the old east wing of the state house which state engineers report in an unsafe condition. After going over the matter with Engineer Johnson of the state board of irrigation, it was decided to formulate a report of the exact status of the structure and submit it to the next legislature, no funds now being available for the extensive repairs which are necessary. Engineer Johnson, with his assistants, has gone over the wing very carefully, and his measurements and other scientific data show that the building has been settling for a number of years, and while he is of the opinion that there is no immediate danger, there is no telling when it may become acute. According to the chronology bearing on the history of the Nebraska state house, this wing was built in 1882. The legislature of 1881 appropriated \$100,000 for its construction. The contract was let to W. H. B. Stout for \$96,700, and the building was completed and accepted on December 1, 1882, the cost of building and furnishings amounting to \$108,247.92.

Should Sloan's Liniment Go Along?
Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We should as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Write one vacationist: "We use it for everything from cramp to toothache." Put a bottle in your bag, be prepared and have no regrets.

BOARD WILL LOCATE FEDERAL LAND BONKS
Hearing Will Be Held in Omaha September 18 to Determine Location of Bank in this Section
Hearings of great importance to farmers, farm organizations and cities throughout the country are to be conducted by the newly appointed Federal Farm Loan Board. One hearing in the state of Nebraska will be held in the federal building at Omaha, September 18, 1916. This hearing is to secure information to guide the board in determining the boundaries of the twelve federal land bank districts into which the United States is to be divided for the administration of the new rural credits law, known as the Federal Farm Loan Act.
The members of the Federal Farm Loan Board who will conduct the hearings are Hon. Wm. G. McAdoo, secretary of the treasury; Geo. W. Norris, farm loan commissioner; Herbert Quick, Capt. W. S. A. Smith and C. E. Lobdell.

The board has requested farmers, farm organizations, and others interested to furnish at each of these hearings facts concerning the need of cheaper farm loans, and it has asked interested cities to present claims for the location of one of these land banks. This will be the only hearing in the state of Nebraska.
The new Federal Farm Loan Act will do for the farmer what the Federal Reserve Act is doing for the business man. Under it the government provides the machinery for assembling capital to be loaned to farm owners or prospective farm owners, on first mortgage farm security. The loans cannot exceed 50 per cent of the value of the land and 20 per cent of the value of the permanent improvements. The loans will be made at a low rate of interest not yet determined, but not over 6 per cent, and provision is made for the borrower to pay off the loan and interest in small annual or semi-annual payments at his option, during a period of not less than five nor more than forty years. Farmers, to avail themselves of the benefits of the law, must first organize themselves in groups of ten or more to obtain a charter as a farm loan association, and thereafter application for loans can be made through it to one of the twelve federal land banks. The land will then be appraised, and if it meets requirements, the loans will be made.
Thousands of requests to the U. S. Department for information regarding the application of the law indicate the great nation-wide interest in its provisions.
Secretary McAdoo predicts that the banks will be ready for operation January 1 or shortly thereafter.
The new legislation is expected to prove a great boon to those sections of the country where development has been retarded because of high interest rates, and it is predicted that it will have the effect of making agricultural prosperity permanent and uniform, stabilizing land values, and greatly improving general farm conditions.
