

IS LIFE A FAILURE, DO YOU KNOW WHY?

The human stomach should only be thought of when it suggests the need of food. The health of so important an organization should be so perfect that it may be entirely forgotten between meals.

But to millions of people the stomach is a continuous source of mental as well as physical distress. Chronic stomach trouble preys upon the mind as well as the body. The mind grows dull and tired.

Especially is this true in cases of stomach trouble that affects the nerves. The woman who is always examining her tongue in the mirror, is a very pronounced type of nervous dyspeptic.

Looking at the tongue for defects of the stomach is the result of pro-

longed gastric disturbances: indigestion, sour stomach, bloating, heaviness, dullness, biliousness and indigestion, headaches all make sharp inroads on the nervous system.

Good strong nerves are easily forgotten. If they are weak and sensitive, they are fixed in the human mind day and night.

The nervous dyspeptic shrinks from the easiest tasks of life, and is hardly one to grapple with the hardest ones. He goes through life shackled to his imaginary fear, and failure is his doom.

"Why have I not succeeded as I would have liked to?" thousands of men and women ask themselves every day. The reason is their health and energy has been far below par.

Special features which give ATHENA Underwear its daintiness, comfort qualities and perfect tailored fit:

ATHENA UNDERWEAR

FOR WOMEN AND CHILDREN

ATHENA Underwear is tailored to fit. Other underwear has to be stretched to the shape of the figure.

ATHENA Underwear is as different from other underwear as a perfectly tailored coat is different from a shapeless coat.

The correct tailoring of ATHENA Underwear makes it comfortable, dainty and in exact conformity with the figure.

It affords freedom of the arms and body. There is no stretching of the fabric at one point and no looseness or wrinkling anywhere.

ATHENA Underwear is made in all sizes, weights and qualities, at the prices you have been accustomed to pay.

Each time you put on ATHENA Underwear you will realize that it is the only kind made in accordance with correct principles.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the indigestible organs a certain amount of indigestible material, which if not eliminated, forms toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

● If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should try this for a week and notice results.

Has your stomach been a failure or a success? The stomach is one of the deep secrets of human success. Tanlac is the stomach tonic supreme. Tanlac is vegetable. It is a stomach food, delicately adapted to the needs of a stomach that is ailing. It perfects digestion, purifies and enriches the blood and tones up the nervous system, builds up the health and strength of thin, weak, nervous, run-down men and women.

Tanlac now is being specially introduced in Alliance at the Thiele drug store

POTATO CROP LARGE

In spite of the discouraging outlook for the potato crop will harvest ago, Sheridan county will harvest the largest crop in her history. We have always held the belt for the biggest and best potatoes of any county in the state—or nation—for that matter, but this year beats all former records. Fields, which four weeks ago, looked as though they would amount to little, are now yielding upward of 100 to 250 bushels per acre, and they are nice, large, smooth, mealy fellows. The town is overrun with buyers and from five to ten car loads are being shipped daily. There promises to be a car shortage.—Rushville Standard.

WORK OF FIREBUGS

Fire believed to have been of incendiary origin completely destroyed a barn owned by C. A. McCloud in the rear of the residence occupied by W. H. Maupin, editor of the York Democrat, 222 West Tenth street. No sooner had the firemen succeeded in extinguishing the flames, when another fire broke out in a coal house belonging to A. F. Bloomer in the same section of the city. The buildings are a total loss.

Suspicious circumstances under which the fire originated suggests the belief that a fire bug is busy. An investigation is under way by the authorities.

The firemen were greatly hampered in their work at the Maupin home by an extremely low water pressure. After about fifteen minutes, though, it improved. A strong wind was blowing and sparks were carried for several blocks. Total damage of the two buildings is estimated at about \$800.—York Daily News.

FOOTBALL PRACTICE

The high school football squad, some twenty-four in number, are out practicing steadily these days, under the direction of Coach Ernie Frank. The ground north of the high school has been plowed and leveled and gives the boys a very fair practice ground.

Sumner Burnham is the only member of last year's team who has reported so far, but there is prospect of a heavier and stronger aggregation this year, judging from the looks of the "rookies" and their behavior on the field. The first game for the season is scheduled to be played at Alliance, September 29.—Stottsbluff Star-Herald.

AFTER FIVE YEARS Alliance Testimony Remains Unshaken

Time is the best test of truth. Here is an Alliance story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. Celia Weaver, 122 Yellowstone Ave., Alliance, says: "I was troubled by kidney complaint for sometime and learning of Doan's Kidney Pills as a good kidney medicine, I began taking them, procuring them at Holsten's Drug Store. I can say in all earnestness that they cannot be excelled for curing backache and kidney ailments. It took only short use to rid me of severe pains in the small of my back, enabling me to stoop and straighten my back without a painful effort."

The above statement was given July 20, 1910, and on June 7, 1916, Mrs. Weaver said: "I seldom have need of Doan's Kidney Pills now. I am never troubled the way I was before using them. I take a few now and then and they always drive off any threatened return symptoms and keep me in good health."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Weaver has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if kidneys feel like lead or Bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad salts for any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is still trouble.

LOOKS LIKE PIPE DREAM

The Alliance contingent of the G. O. P. are having their linen laundered and the wrinkles pressed out of their Sunday clothes in anticipation of a visit next month from Charles E. Hughes, republican nominee for the presidency, a clothes-line message having been received by somebody from someone somewhere that he was to come to Nebraska in October and had the name of Alliance on his itinerary. The campaign has progressed fairly well without pipe dreams, but now they have started we may expect them to come thick and fast and continue until after election day.—Hyannis Tribune.

RESTORE LANDS TO ENTRY

Secretary of the Interior Lane announces that during the month of August nearly 457,000 acres of land heretofore included in coal land withdrawals in New Mexico, North Dakota, Utah and Wyoming were classified and restored to entry, the largest acreage in any one state so classified and restored being 324,000 acres in Wyoming. In New Mexico the restoration amounted to a little over 113,000 acres, and in Utah to about 18,000 acres. About 3,500 acres formerly withdrawn for power in Arizona, Idaho, Montana, Oregon and Wyoming, but later found to be not valuable for this purpose, were restored to entry.

KILLED BY TRACTOR

W. H. Myers, living two and one-half miles west of Preetz, was instantly killed by a tractor engine. He was operating a tractor plow and as the morning was chilly wore a heavy duck coat. He reached for something and the fly wheel, revolving rapidly, caught his coat. An ordinary garment would have torn and left the wearer safe, but the stout material held and slammed the victim against the side of the engine, crushing the head in and meting out instant death. The tragedy is most deplorable as he was an exemplary citizen in the prime of life and leaves a large family. He would have been forty-one had he lived two days longer. His family consists of a wife and six children.—Sidney Telegraph.
