

QUALITY IS PARAMOUNT

We don't carry "Junk Store" clothing or "Cheap Stuff" of any sort. Our rapidly increasing business is based on the sale of the world's best goods. America's Standard Advertised Lines—sold the country over for the same advertised prices—no shoddy, cheap goods; nothing but the very best that the markets can produce and all of this is sold to you at the former very low prices. And we are able to do this because we are members of the United National Clothiers—an organization that commands the entire output of many of the best mills—so vast in its scope that even the metropolitan stores have no advantage over us. You share in these good things.
