**LINCOLN NEWS LETTER**

Interesting News about Happenings at the State House in Our Capitol City

(By Herald Correspondent)  
Now that the election is over, the state house family has resumed its wonted calm and decorum.

State officers are buckling into the work of preparing for what is expected to be one of the most interesting sessions of the legislature in many years. This session will be overwhelmingly democratic in both houses.

Food Commissioner Clarence E. Harman will not be an applicant for re-appointment to his present position at the head of the Pure Food department. He has issued a statement to that effect declining to be a candidate. For four years Mr. Harman has worked with an energy and an effectiveness that has placed the Nebraska Pure Food commission on a high plane of efficiency, where it ranks with the best in the nation both in point of adequate laws and law enforcement. It will take an exceptionally good man to fill his place and to keep up the standard and fol-

low the pace which he has set during the past four years.

The plan of renting the city auditorium for the sessions of the lower branch of the legislature this winter has not met with very enthusiastic approval, owing to the extra expense and inconvenience attached thereto. The east wing of the state house, which has been under discussion for some time past because of its alleged instability, and of which the representative hall is a part, will be propped up and made as safe as possible. It is conceded by most everybody that of the incoming legislature cannot be made to see the necessity of a new state house, that a few props removed at an opportune time, allowing the wing to fall in on the members, would have a tendency to compel those who survive such a catastrophe, to see "this necessity in its true light."

There is always something to take the joy out of life, so think some of those who have been holding down fair to good appointive jobs in the state house during the past two to four years. From the janitors on up since the election there has been a noticeable restlessness. Governor-elect Keith Neville quietly slipped into the state house last week, consulted with a few of the faithful and

slipped out again before hardly any one outside of those interviewed knew he was in town. The result of Mr. Neville's visit, however, was voiced in the rumor that he intended to change many of the present heads of departments over which the governor alone has the appointing power. This has caused much speculation and perturbation of mind among those who are directly interested. It looks, from all signs, as though Mr. Neville was going to do a little house cleaning when he gets down here in January.

For the first time in the history of the state all the executive offices will be filled by democrats for the next two years. Only one other instance of the complete overturning of the political traditions of the state house is recorded, and that was in the election of 1896, when the populists, led by Silas A. Holcomb, who was the gubernatorial candidate for re-election, filled all of the state offices with populists, with the exception of one lone democrat. That year there were elected in addition to Governor Holcomb, Lieut. Gov. James E. Harris, Secretary of State W. F. Porter, Auditor John F. Cornell, Treasurer J. B. Meserve, State Supt. W. R. Jackson, Attorney General C. J. Smyth, and Land Commissioner J. V. Wolfe, all populists except C. J. Smyth, who was the lone democrat. For the first time, also, since its inception one member of the state railway commission will be a democrat for the next six years, Victor Wilson having been elected over his republican competitor, Mr. Clark, who was a candidate for re-election.

**REAL ESTATE SELLING**

Reports of Abstractor Emerick Show Many Transfers during the Past Month

J. D. Emerick, bonded abstractor, reports the following real estate transfers in Box Butte county during the past month:

James P. Maxfield to Louis Lariviere: Lot 4, block 5, Wyoming add., Alliance ..... \$350

**Protection—Prosperity**

The man who carries a policy in a reliable Life Insurance Company furnishes protection for his family in case of his untimely death.

The man who systematically puts a part of his earnings into a profitable investment has prosperity coming his way.

Every man expects, with very few exceptions, to some time have a competence and when he dies leave those dependent upon him well provided for.

The large majority never do, because they neglect or refuse to pursue the course that will most surely produce the desired result.

**Reliable Statistics Show**

That, on an average, only five men in a hundred make a financial success in this life and carry it thru to the end. Only 4.3 per cent leave an estate of from \$300 to \$1,000 when they die; only 1.5 per cent leave more than \$25,000; and only 1.3 per cent leave an estate of from \$5,000 to \$10,000. In other words, 97 men out of every 100 fail to leave an estate of more than \$1,000, and more than 90 out of 100 leave no estate or less than \$300. These figures are startling, but as they are furnished by the best statistics in the United States, they must be true.

**Systematic Saving**

With Interest Compounded

With Life, Health and Accident Insurance combined, will accomplish the desired result. By taking out one of our Combination Policies you will within a few years, if you live, have a "nest-egg" worth while. At the same time you protect yourself in case of accident or sickness, and protect those dependent upon you, in event of your death.

**Let Us Tell You**

All about it. We shall be glad to do so, without obligation on your part, and also give you such information as you may want on Life Insurance in general.

**FARMERS EQUITY UNION**

Omaha, Neb.—The National Farmers' Equity-Union, a farmers organization will hold its meeting in Omaha, December 20 and 21. This organization, a cooperative marketing organization, has memberships in Nebraska, Iowa, Kansas, Missouri, the Dakotas, Wisconsin, Minnesota and Illinois.

Omaha was selected twice in succession, the first city to be so honored by this organization. More than

500 farmers will be in attendance, according to President C. O. Drayton of Greenville, Ill.

Don't forget the firemen's annual Thanksgiving ball at the opera house tonight—November 30. Everybody invited. Come and have a good time.

**QUIT MEAT IF YOUR KIDNEYS ACT BADLY**

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in head, neck, shoulders or joints, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

Don't forget the firemen's annual Thanksgiving ball at the opera house tonight—November 30. Everybody invited. Come and have a good time.

**CURED HIS PILES**

WITHOUT AN OPERATION  
Ravenna, Nebr., Nov. 21, 1916—Three years ago I suffered with a very bad case of Piles. I was so run down physically with this trouble that I lost over 20 pounds in weight and found it very hard to attend to my work. I was advised to see Dr. Rich, pile and rupture specialist, of Grand Island, Nebr., which I did. I am now glad to testify after three years, for Dr. Rich's benefit and for the benefit of others suffering as I did who wish to be cured without an operation, that I am cured. I have not had a single symptom of Piles since I was treated three years ago and back to my normal weight and health, in fact I feel better than ever, other troubles having left me when my Piles were cured. I had suffered with Piles for ten years, the last three years of which time was simply the infernal for me. For the good I received from Dr. Rich I am deeply grateful—and I most sincerely recommend his treatment to any one who needs it.

C. R. NELSON, Ravenna, Neb., Engineer Burlington Railroad, 52-11-7847

**LADIES! LOOK YOUNG, DARKEN GRAY HAIR**

Use the Old-time Sage Tea and Sulphur and Nobody will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantage of a youthful appearance. Your hair is your charm. It makes or muffs the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
