WHERE THE 1916 CROP OF NEBRASKA POTATOES WENT

Seven Hundred Sixty-Eight Cars Used in Home Consumption—Iowa Got 479 Cars, While Illinois and Missouri Were Heavy Buyers

The Office of Markets and Rural Organizations, which maintained an office at Alliance during the potato-selling season, kept an accurate record of all Nebraska potato shipments during the selling period. This record, which was telegraphed by the railroad offices to Washington each day and then telegraphed back to the Alliance office, shows that 839 car loads of potatoes were shipped to points inside the state, that 479 car loads were shipped to Iowa, 112 to Illinois, 246 to Missouri, 19 to South Dakota, 32 to Kansas, 11 to Oklahoma, 4 to Colorado, 6 to Wyoming, 6 to Wisconsin, 2 to Arkansas, 2 to Indiana, 2 to Minnesota and 1 to Texas. Besides this there were miscellaneous shipments to the number of 5. Since this report was made there have been other car-load shipments, but this report will give a very good idea of where Nebraska potatoes are used. The following report shows the points to which potatoes were shipped together with the number of cars:

COMPLIMENTS POTATO SERVICE

Gordon Democrat Believes Service Given from Alliance Valuable

The Gordon Democrat, in its issue of last week, had the following to say regarding the U. S. potato service bulletins issued daily from Alliance this fall:

Testimonials as to the value of the potato market news service (furnished by the agricultural extension service of the University of Nebraska in co-operation with the United States department of agriculture in western Nebraska this fall) are pouring into the extension office in great numbers.

More than 500 farmers report that they have been benefited to the extent of 25 to 50 cents a bushel on the selling price of their potatoes. The daily market news bulletins were printed and distributed from September 21 to November 4, during which time the price offered for potatoes by local buyers in western

Nebraska advanced from 60 cents per bushel to \$1.10, despite a decline in the central markets.

Her Son Subject to Croup

"My son Edwin is subject to croup," writes Mrs. E. O. Irwin, New Kensington, Pa. "I put in many sleepless hours at night before I learned of Chamberlain's Cough Remedy. Mothers need not fear this disease if they keep a bottle of Chamberlain's Cough Remedy in the house and use it as directed. It always gave my boy relief." Obtainable everywhere. Adv.—Nov

If you are paying high interest rates in the Building & Loan call on the Nebraska Land Company and get the money at reduced interest rates.

Do You Have Sour Stomach?
