LEARN SHORTHAND BY THE NEW, SWIFT, SURE SNEEL

INDIVIDUAL—INSTRUCTION METHOD

Let me tell you a bit of a secret, don't let anybody teach you shorthand by the "class" method. It's the slow way, it holds you back, you've got to wait on somebody else. The longer he takes, the longer it takes you. Snell Shorthand is entirely different. The teaching is individual. We study YOU—see just what you want, then plan out a course for YOU—you can advance as fast as others. If you're apt, studious and persevering you can complete the course and qualify for \$60 to \$100 position in only three to four months—no charge if it takes you longer. Send today for full information.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

NEW TRIAL IS ASKED IN WILD HORSE CASE

Omaha, Neb.—Four of nine men convicted recently in federal court here of use of the mails to defraud in the sale of imaginary wild horses, alleged to range the government reservation in Coconino county, Ariz., filed a motion for a new trial, advancing among sixteen other reasons that the jurors were prejudiced by newspaper accounts of the trial which they were allowed to read, and that one juror was "interested and biased."

It is also alleged the presiding judge, B. W. Woodrough, erred fourteen times in admission of government evidence and that the prosecution was guilty of "misconduct" in arresting Charles Acker of Minneapolis, who testified he came here at his wife's request to "help out" one of the defendants.

The four applicants for a new trial are: J. Sidney Smith and C. A. Smith, Omaha; William Hinkley, Brayton, Neb.; B. E. Burwick, Des Moines, Iowa.

The other five men convicted will probably appeal.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

COLORADO DOCTOR CHARGED WITH ILLEGAL OPERATION

Grand Island, Neb.—After a preliminary hearing, which the defense made every effort to make the state show its hand, Dr. Charles Flippan was bound over in the district court on the charge of having performed an illegal operation on Miss Emma Staack, whose death took place from peritonitis. The skirmish between Attorney Prince for the defense and County Attorney Supr related to an alleged deathbed statement by Miss Staack which the state attorney did not see fit, if he has such to introduce at this time. County Judge Mullin after a hearing lasting about four hours bound the defendant over to the next term of district court in the sum of \$2,000.

Severe Cold Quickly Cured

"On December first I had a very severe cold or attack of the grip as it may be, and was nearly down sick in bed," writes O. J. Metcalf, Weatherby, Mo. "I bought two bottles of Chamberlain's Cough Remedy and it was only a few days until I was completely restored to health. I firmly believe that Chamberlain's Cough Remedy is one of the very best medicines and will know what to do when I have another cold." Obtainable everywhere.

MEXICAN AND 13-YEAR-OLD GIRL FOUND IN ROOM

Scottsbluff Star-Herald:—Chief of Police Martini placed a Mexican and a 13-year-old Minatare girl under arrest Sunday night, with the alleged charge of using rooms for immoral purposes. A more serious complaint may be made against the Mexican. Both are lodged in the county jail at Gering. Sunday evening Chief Martini located the pair in a local rooming house. He suspected that something was wrong and went to the room and talked with him. They told him that they were married, and he left the room. Shortly after he received a telephone message from a woman living near Minatare, who stated that her daughter had run away with a Mexican by the name of Ben Garcia. The chief, upon receipt of this message, returned to the room, found the pair in bed and arrested them. They were taken to Gering and lodged in the jail, awaiting the coming of the mother to file complaints against the Mexican. The mother stated that her daughter was inclined to be wayward and wished to have her sent to the industrial school. She also stated that it was her desire to send the Mexican to the penitentiary.

BEATEN AND THROWN INTO PLATTE RIVER

Gering Courier:—Vernon Western, a young man who was the complainant in a bootlegging charge against G. W. Hamilton, who holds out in a wagon just outside of Scottsbluff near the bridge, was held up at the point of a gun, according to his statement, by Hamilton brother-in-law Monday night and marched down to the river where he was badly beaten up by Hamilton and two other men. As a finale to their treatment of Western they threw him into the river and pushed him under the ice. The three men were placed under arrest by Chief Martini and lodged in jail in this city. Hamilton and his brother-in-law are being held for results, but Cox, the third man said to be implicated, has been released because Western failed to identify him. If the charges should be substantial upon a hearing, it will be a pretty serious matter for the aggressors.

MITCHELL POLICE FORCE RAIDS ROOMING HOUSE

Mitchell Index:—Saturday night, or rather Sunday morning, the whole police force of Mitchell, to-wit: one Charles E. Kenyon, was called into action for a raid on the Richardson Rooming house where he had reason to suspect that all was not according to the order of things approved of by the better class of citizens or sanctioned by the statutes. Earlier in the night four girls had engaged two rooms—ostensibly for themselves—and later four men, some of them boys apparently not above school age and one married man, had engaged two other rooms, none of which were occupied until after midnight. At the unseasonable hour of 3 o'clock Sunday morning when the marshal called to see if all were well, the parties had formed a different alignment and were differently paired and under conditions so compromising in appearance that the best they could ask of him was that they be permitted to return to Scottsbluff from whence they came. He was kind enough to assist in getting their auto from the garage and at 4 o'clock they set out for their homes under cover of darkness. Out of regard for the parents of some of the younger members of the party, who are highly respected citizens of the county, no names are published.

OLD SOLDIER AND WIFE AT CONVENTION

Nemaha Co. Republican:—N. J. Kinsley and wife arrived Saturday to be present during the convention that they might visit with their son-in-law, P. J. Michael, who comes as a delegate from Hemingford. Mr. Kinsley who is here from the Soldiers Home at Milford for a visit during the fire week, reports the other Nemaha members of the institution as getting along nicely and well pleased with surroundings.

ALLIANCE MAN BUYS SCOTTSBLUFF THEATRE

Scottsbluff Republican:—A deal was closed Wednesday whereby Harry DeBuque of Alliance became the owner of the Queen theatre of this city. Mr. Buque selling all his interests in the same to De Buque. It is understood that Mr. Rodell of this city will be the local manager of the theatre when it is again opened. The building has been closed for a few days, and it has not been announced as yet when it will be opened. Dates for the opening will be announced within a few days.

We have not learned as yet what Mr. Buque intends to do, but we understand he will return to Sterling, Colo., where he has been living for the last two or three years.

WORKMAN IN SUGAR FACTORY LOSES FOOT

Gering Courier:—Clay Patrick, a workman in the sugar factory, lost a foot Monday

night when he got it caught in a belt on a pulley section, and it was crushed so badly that amputation was necessary. He was taken to the hospital and Dr. Knode was summoned, giving all the attention possible, and he has been in bad condition since, but at this time he is understood to be resting easy, and will probably recover, although the shock and loss of blood made it a critical question for a time.

SUPERINTENDENT YOUNG WILL MOVE CARS IN 5 DAYS

Edgemont Express:—General Superintendent E. E. Young passed through here Wednesday enroute to Sheridan where he will personally oversee the opening of the yard which is badly congested. Mr. Young stated that he intended to move every car of delayed freight out of Sheridan and Billings in the next five days. Consequently our local yard crews are looking for an even heavier run of business than at present. Mr. Young stated that there were 1567 cars in the Billings yard. Mr. F. Cone, Superintendent of the Sheridan division, will go to Gillette while Mr. Young is at Sheridan to personally see that the cars are kept moving through the Gillette yards.

BAYARD BOYS GET DUCKING IN DITCH

Minatare Free Press:—Friday night four young men, who had come up from Bayard to attend the dance, received a rather cold bath when the car they were riding in missed the side of the bridge over the Minatare Drainage ditch two miles east of town and they were all thrown into the ditch with the car on top of them. Fortunately none of them were caught by the falling car and all got safely out of the water. Trouble with the lights of the car caused the accident. They were picked up by a car that was just behind them and brought back to town for a change of raiment.

CALLED TO ALLIANCE BY DAUGHTER'S ILLNESS

Edgemont Enterprise:—Mrs. M. Huff was called to Alliance last Friday by the news that her little daughter, Helen, who is attending St. Agnes' Academy, was quite ill. Mrs. Huff returned Sunday evening, reporting that the little girl was much improved and, with good nursing, would soon be completely recovered.

BEAT UP COLORED BOY WITH TWO-BY-FOUR

Scottsbluff Star-Herald:—According to reports George Dean, the colored boy, met with rather disastrous consequences while attending a Saturday night dance in the east part of town. Some one evidently took offense at Dean's presence, and catching him outside the dance hall, proceeded to work Dean over with a two-by-four. Dean is said to be in rather a precarious condition and possibly there may be other developments.

CHADRON TO HAVE WHITE WAY AT LAST

Chadron Chronicle:—Last Monday night at the regular meeting of the council, the lighting ordinance which was turned down over a year ago was brought up and passed.

We feel that the council and the people of Chadron may be congratulated on this move. For a long time we have felt that there were a few things of needful improvement that might be done. Now we are going to have a well lighted business section of the city.

Under the terms of this ordinance there will be several noticeable improvements in the electric service, and we do not believe the lengthening of the life of the franchise will work a hardship in any possible way on the future generations of Chadron's populace.

We throw our hats to the air with the rest of the people, and we hope 1917 will show more evidences of a growing prosperous city.

JAPANESE BOYS TO WED IN JAPAN

Scottsbluff Star-Herald:—K. S. Shioni and O. Kubo, two of the prosperous Japanese boys of the Mitchell section, left today for Yokohama, Japan, where they go to wed their boyhood sweethearts and bring them back to the United States. The boys, with their wives, expect to return to Scottsbluff county about May 1.

Dawes county is represented by the following fighting colonels: L. J. F. Jaeger, Ray Tierney, of Chadron; Wm. J. A. Raum, P. G. Cooper of Crawford; J. A. Habbeber of Fort Robinson.

The colonels selected are supposed to be good democrats, tried and trusted in the cause.

LATE SORTING OF SPUDS RESULTS IN SOME LOSS

Rushville Standard:—In sorting over their potatoes and getting ready for shipment, the Potato Warehouse Co., found that a considerable part of them were unfit for shipment. This is probably due to the late storing of the spuds and Jack frost got in his work on them before they were stored away.

ASK FOR SPECIAL ELECTION AT HYANNIS

Hyannis Tribune:—A petition was circulated and on Tuesday of this week presented to the Hyannis school board requesting that a special election be called to vote for and against the issuance of bonds in the sum of \$20,000 for the purpose of erecting a new and modern school building. The board met Tuesday afternoon and complied with the prayer of the petitioners by calling a special election for the purpose stated and designated Wednesday, February 14th, as the day for holding such election, the polls to be open from 2 to 6 o'clock p. m.

KNOTTY LAW SUIT TRIED AT RUSHVILLE

Rushville Standard:—A knotty law suit was tried in County court on Wednesday wherein the Collins State bank of Missouri and the Gordon State Bank of Nebraska were involved to recover a deposit of some \$850. from Willard Lefler. Lefler was indebted to both banks and consigned the amount of the deposit to the Collins State bank, and the Gordon state bank cashed the deposit to cover the indebtedness owed them by Lefler. J. H. Edmunds of Rushville and B. P. McKelvey of Crawford were the attorneys for the Missouri bank, while C. Patterson looked after the interests of the Gordon bank. The Judge took a few days for consideration before deciding the case.

HEMINGFORD LADDIES WERE NO WALL FLOWERS

Hemingford Ledger:—Evidently our fire laddies were no wall flowers at the firemen's convention at Auburn, as witness the following, from the Republican: "Out in Los Angeles where they have big winter hotels and resort cafes, the menus on the tables have 'Hemingford, Nebraska, Potatoes Used Exclusively.' Some advertising—not! Well, when you see those Hemingford fire boys trotting around town all covered with eyes that see not and ears that hear not unless you say 'spuds,' you will know the reason at once. They are seven of them here and they are certainly putting their own on the map."

TROUBLE WITH FROZEN PIPES AT HEMINGFORD

Hemingford Ledger:—A large number of the citizens are having a great deal of trouble with the city water works being frozen up and are busy trying to thaw out the connections. The main trouble seems to be that in the first start the pipes were not laid deep enough.

NEW HIGH SCHOOL TEACHER AT MARSLAND

Marsland Tribune:—Miss Sturgeon, the new high school teacher, arrived Wednesday and is getting acquainted with her work the balance of this week. Miss Adeo will complete her work here Friday, when she goes to Peru normal to attend school the rest of this year.

DAWES COUNTY AGENT ON THE STATE BOARD

Chadron Chronicle:—At the meeting of the State Board of Agriculture in Lincoln last week, the western part of the state was recognized in a reallocation of membership, and in the election of C. S. Hawk to the board. Since the death of Chas. Mann, the western half of the state has had no representation on the board. A man was appointed to fill the vacancy caused by this death, but he failed of re-election at the next meeting. This year the west end of the state had unmeasurable reasons for getting a member out here. In the reallocation, a member was taken from the Fourth district and added to the Sixth.

C. S. Hawk is one of the pure-bred stockmen of western Nebraska. His herd of Herefords is well known. He has acted as county agent of Dawes county for two years and in the work compelled recognition from the state university. He is now president of the Farm Management Association of Dawes county, and is also a member of the board of commissioners of the county fair.

Dawes county is to be congratulated in securing this membership, particularly as this county had the representative for twenty years. They also thank the men from Sheridan county who unreservedly gave their support to the member from Dawes.

Old papers for sale at the Herald office. Papers are done up in bundles at five and ten cents a bundle.
