

You Can Make Excellent Cake with Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted. This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way

1 cup sugar
1/2 cup milk
2 cups flour
2 teaspoons Royal Baking Powder
3 eggs
1/2 cup shortening
1 teaspoon flavoring

New Way

1 cup sugar
1/2 cup milk
2 cups flour
4 teaspoons Royal Baking Powder
1 egg
2 tablespoons shortening
1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Royal Baking Powder together two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.

CITY MUST PAY FOR FUMIGATION

(Continued from page 1)
towns and cities with a complete set of ordinances, codified and annotated. He called attention to several defects in Alliance city ordinances which might, in certain cases, cause serious loss to the city. He offered to furnish the city a complete set of ordinances, covering every phase of city government, with fifty printed copies of the ordinances, for the sum of \$2.50 per page. This would make the cost approximately \$500 for Alliance. The council seemed to favor the proposition and took it under advisement.

Chief of Police George Snyder reported that he was circulating the petitions asking for curb and gutter on unpaved Box Butte avenue, from First to Fifth street. Property owners are signing the petitions without delay and the work will probably soon begin.

A flag for the city hall was ordered purchased.
Councilman Davidson explained that the tractor which he proposes to sell the city will burn "coal oil, gas or water." And that it burns "lots of water." The electric light department was authorized to present light bills to the banks when the consumer has made arrangements with the bank to pay the light bill the same as a check and when the consumer has given instructions that this be done. Light cables were ordered extended to the residence of Mrs. Graham on Tenth street.

Councilman Davidson presented to the council his water bills for part of 1916 and 1917. The bills were as follows:
Quarter ending July 1, 1916. \$15.10
Quarter ending Oct. 1, 1916. 13.50
Quarter ending Jan. 1, 1917. 6.20
Quarter ending April 1, 1917. 5.55
Mr. Davidson explained that a leak of approximately 400 gallons of water per day on a pipe line on his property had caused the excessive consumption and asked that a refund be made. It was decided to refund him one-half of the bills during the time the water was leaking. He ordered the refund paid over to the Red Cross.

The report of the city library board for 1916 showed expenses of \$1740.20.

The annual estimate for the fiscal year commencing the second Monday in August, was made, to be used as a basis for the tax levy. The estimate as made for this year and the figures for 1916 is as follows:
City park bonds \$ 250 \$ 300
City hall bonds 550 550
Lighting bonds 1,000 1,000
Sewer bonds 1,600 1,600
Water extension bonds 1,000 1,000
Water bonds 3,000 3,000
Park maintenance 1,500 2,000
Sewer maintenance 2,000 3,000
Street and city lighting 4,500 5,000
General fund 5,000 10,000
Officers' salaries 6,500 6,500
Streets and alleys 10,000 15,000
Library maintenance 2,000 2,000
Cemetery maint. 1,500 2,000
Fire and water 1,000 1,500
Stationery and printing 600 600

Total \$12,000 \$55,050
Snyder, Johnson and Davidson, the committee appointed to consider the extension of the city corporate limits, asked for more time in which to consider the matter before making their report. Attention was called to the fact that extension of the city limits would require the extension of water and sewer mains and electric light service cables.

ALLIANCE TEAM LOST GAME TO SCOTTSBLUFF

The Alliance ball club lost to Scottsbluff for the second time, on Sunday, at a game played at the Bluffs. The score was 5 to 0. The Bluffs boys had it on the locals when it came to hitting, but in the field the Alliance team played rings around them. It was a good game, even though Alliance lost.

Pendleton and Darnell worked for Alliance. A couple of ivory stunts put Scottsbluff to the good early in the game. The locals have no kick, whatever. They were treated in fine style and were defeated because the

playing warranted it. The decisions were just, the defeat being nothing more or less than hard luck. The boys made the trip to and from Scottsbluff in automobiles.

MISS BLACK AT DARLING'S DEMONSTRATES THE WHITE

George Darling is meeting with great success in the White Sewing Machine Progressive club which he has inaugurated at his store. The club is going along in fine shape. The fact that the initial payment on a White machine is but 25 cents has led many to become interested who otherwise might be slow in getting a sewing machine for themselves. Miss M. E. Black, representing the White company, is now at the Darling store assisting the purchasers in gaining thorough information pertaining to the machine. She is also exhibiting a sewing display valued at \$2,500. Every housewife should see this display either this week or next.

HAMILTON GROCERY CO. STAGES GROCERY SALE

The Hamilton Grocery Company, since moving into their new location, on Box Butte avenue, have added materially to their stock and have improved the place until now the store is able to offer some exceptional inducements to grocery buyers. Elsewhere in this issue appears a large display advertisement for this company. It will pay every reader of this paper to give this advertisement and this company careful consideration in placing the next grocery order.

Mrs. O. D. Hobbs returned from Bridgeport Wednesday following a visit with her son.

No more than fifty memberships allowed in the "White" Progressive Club.

K. L. Pierce, Hemingford banker, reported the sale up to Wednesday evening of approximately \$5,000 in Liberty bonds at that point. Hemingford, the live little beehive of industry, has been doing her share in both the purchase of these bonds and in Red Cross work.

John J. Riordan and family have returned from an extended eastern trip covering a period of over a month. They visited in eastern Nebraska and then covered all the eastern cities and points of interest, including a stop at Washington, D. C. where they met some Nebraska people. Earl B. Gaddie, private secretary to Senator Hitchcock of Nebraska, a former Nebraska newspaper man, was seen and inquired about his Alliance friends.

FINED \$100 FOR LETTING FRIENDS HAVE BOOZE

George Kopsichla paid a fine of \$100 and costs in the county court yesterday after pleading guilty to furnishing liquor to two young men. In justice to Mr. Kopsichla it should be said that he was not selling liquor or bringing it in from outside. It seems that Kopsichla had some hold-

over whiskey in his room. Chester Beck and Edward Yanders visited his room and there sipped of the cup, with the result that when they got down town they were under the influence of King Alcohol.

Beck and Yanders were arrested by the police and upon hearing before Judge Roberts sentenced to serve thirty days in jail. The judge would not listen to their paying fines, but suggested that if they wanted to "come clean" and tell where they got the booze, the sentence would be suspended during good behavior. It was then that they implicated Kopsichla. Kopsichla has been employed as a brakeman on the Burlington and has always been regarded as a clean young fellow.

SUDDENLY STRICKEN AT ALLIANCE DEPOT

Mrs. A. M. Miller of Hemingford sustained a stroke of what is believed to be apoplexy, Monday morning at 7:15, as she was on her way to the depot from No. 41. She was carried into the depot and later taken to the home of County Judge Ira E. Tash, at the request of Mr. and Mrs. Tash, who were at the depot at the time. Mrs. Miller was removed to her home at Hemingford on Wednesday and at this time has not regained consciousness, although relatives believe she can understand what is being said but is unable to make any sign.

Mrs. Miller, who is one of Hemingford's grand old ladies, left Hemingford Friday for Lincoln for a visit with her daughter-in-law, Mrs. Grace Miller. She had intended remaining in Lincoln for the centennial celebration there this week, but for some reason changed her mind and left Lincoln Sunday night. As 41 does not stop at Hemingford it was her intention to wait in Alliance until the noon train for her home. Passengers on the same car with Mrs. Miller state that she seemed in the best of spirits Sunday night and that she seemed to have slept well. She conversed fluently with the other passengers early Monday morning and later seemed to fall into a heavy sleep, awaking only when the train reached this city. She stepped from the car and started for the depot when she fell. Since that time she has remained in an unconscious and probably partially paralyzed condition.

Her husband, A. M. Miller, Mr. and Mrs. Alex Muirhead and Mr. and Mrs. R. Walker of Hemingford were notified and came at once to Alliance by auto and remained at her bedside until she was removed from the Tash home to her home at Hemingford.
