THESE BIG PIGS GOT **HOG-TONE**

THESE LITTLE PIGS GOT **NONE**

G. R. Ogden, of Shinnston, W. Va., says: "I have used AVALON FARMS HOG-TONE 56 days and I think it is the best medicine I ever used. I have two pigs 4 months and 3 days old that weigh 360 pounds, one 6 pounds heavier than the other. They are 100 pounds heavier than my neighbor's 2 of the same litter and feed."

This is the experience of a typical user of Hog-Tone. There are hundreds and hundreds of letters on file at the Avalon Farms Company's office from nearly every state in the Union, all telling of big improvement in hogs and in hog profits through the use of Hog-Tone, the scientifically prepared Hog Conditioner, Fattener and Worm Remover. Hog-Tone is sold on

60 days' Free Trial under an absolute money-back guarantee. Come in the store and tell us how many hogs you have in your herd and we will give you enough Hog-Tone to treat all of them 60 days. You don't have to pay for it unless you are absolutely satisfied. The decision is left entirely to you.

IT COSTS YOU NOTHING NOW TO TRY 60 DAYS' TREATMENT OF AVALON FARMS HOG-TONE
— THE LIQUID HOG FATTENER, CONDITIONER AND WORM REMOVER —
