Hopes Women Will
Adopt This Habit
As Well As Men
Glass of hot water each morn
ing helps us look and feel
clean, sweet, fresh.
Happy, bright, alert—vigorous and
vivacious—a good clear skin; a nat
ural, rosy complexion and freedom
from illness are assured only by
clean, healthy blood. If only every
woman and likewise every man could
realize the wonders of the morning
inside bath, what a gratifying change
would take place.

Comb Sage Tea in
FADED OR GRAY HAIR
If Mixed with Sulphur it Darkens
so Naturally Nobody
can Tell.
Grandmother kept her hair beautifully
darkened, glossy and attractive with a
brew of Sage Tea and Sulphur. When
ever her hair took on that dull, faded or
streaked appearance, this simple mixture
was applied with wonderful effect. By
asking at any drug store for "Wyeth's
Sage and Sulphur Compound," you will
get a large bottle of this old-time recipe,
improved by the addition of other ingredi
ents, all ready to use, for about 50 cents.
This simple mixture can be depended
upon to restore natural color and beauty
to the hair.
A well-known downtown druggist says
everybody uses Wyeth's Sage and Sul
phur Compound now because it darkens
so naturally and evenly that nobody can
tell it has been applied—it's so easy to
use, too. You simply dampen a comb or
soft brush and draw it through your hair,
taking one strand at a time. By morning
the gray hair disappears; after another
application or two, it is restored to its
natural color and looks glossy, soft and
beautiful. This preparation is a deli
cious toilet requisite. It is not intended for
the cure, mitigation or prevention of dis
ease.
