

SOCIETY
and BRIEF PERSONAL MENTION

Mrs. C. A. Starr, formerly of Lakeside, but for the past three years a resident of Winona Lake, Indiana, is spending a few days in this city. Mrs. Starr came here to sell her ranch situated twenty-two miles north of Lakeside.

Miss Mary Smith spent Saturday and Sunday visiting at her home in Antioch.

Miss Grace Ferrier, who has been visiting her sister, has returned to Lincoln, where she will continue her work in business college.

D. J. Pollock of Scottsbluff spent a few days this week attending to business matters in Alliance.

Mrs. Sam Selfridge, of Bayard, spent a few days last week visiting her sister Mrs. Herman Fricke.

10 PER CENT OFF—For the next few days, I am offering all kimonos, fancy and needle work at a 10 per cent discount. Mrs. Anna Simmons, Oriental Store. 11-7827

Superintendent W. R. Pate of the Alliance schools has been engaged for a term of three years. The contract calls for a well deserved increase in salary and will meet with the approval of the patrons of the district.

Mrs. J. A. Mallery, outgoing member of the school board, has consented to again make the race. Her election is almost certain, because of the splendid work she has done in her official capacity. A. T. Lunn will likely be the candidate for the office made vacant by the removal of George Mollring to Wyoming.

Friends of Percy Cogswell will be glad to know that he is rapidly recovering from the effects of the fall from the porch of his home a couple of weeks ago.

Mrs. Ada B. Allen is entertaining the members of the G. I. A. at a Kensington at her home on Niobrara this afternoon. Twenty-five ladies are present and the affair is proving very enjoyable. Dainty refreshments will be served.

"The Easter Fire on the Hill of Slane" is the title of a three-act drama to be presented at the Imperial March 17, by the pupils of St. Agnes Academy. Limited space prohibits a full report of what is in store for those who attend.

State Publicity Director of War Savings Work Mattson of Omaha was an Alliance visitor Wednesday. Mr. Mattson is devoting a great deal of time to the work and is very optimistic of the results attained, but insists that the good work go on.

F. A. Bald, member of The Thomas-Bald Investment Company, returned this morning from a business trip to eastern Nebraska.

Louis Powell and wife left Wednesday morning for Moorcroft, Wyo., to look after their homestead near there. They will move to the homestead next month.

George Milburn and wife arrived Wednesday afternoon from Indianapolis, Ind., to make their home in Alliance. Mr. Milburn will have charge of the soda fountain at Thiele's. He is an expert in his line of work and comes highly recommended.

John W. Thomas of Lincoln attended the dinner and business meeting of the Travelers Protective Association held in Omaha last Wednesday, as a representative of Post M of Alliance. More than 100 state members were present.

We are indebted greatly to Chas. M. Haskell, prominent stockman of Johnstown, Nebr., who accompanied his subscription remittance one day last week with the following note—short but to the point: "I like you and your paper very much. Would not do without it. Stock here is wintering very good and I believe the loss will be very slight." We appreciate the compliment.

Alliance may get a chance to see a real war tank during the coming Victory loan campaign. This is because of the fact that more than 200 fast American fighting tanks have been lent by the war department to the liberty loan organization to be sent over city streets and country roads during the victory loan campaign as advertising features. Between twelve and twenty will be assigned to each federal reserve district.

Mr. Fenning, of Gering, spent the latter part of the week visiting with his son, George, and bride, of this city.

DON'T LET A COLD KEEP YOU AT HOME

Dr. King's New Discovery almost never fails to bring quick relief

Small doses once in awhile and that throat-tearing, lung-splitting cough soon quiets down. Another dose and a hot bath before jumping into bed, a good sleep, and back to normal in the morning.

Dr. King's New Discovery is well known. For fifty years it's been relieving coughs, colds and bronchial attacks. For fifty years it has been sold by druggists everywhere. A reliable remedy that you yourself or any member of your family can take safely.

Train Those Stubborn Bowels
Help nature take its course, not with a violent, habit-forming purgative, but with gentle but certain and natural-laxative, Dr. King's New Life Pills. Tonic in action, it stimulates the lax bowels. Sold by druggists everywhere.

METHODIST CHURCH
The Sunday school grows in interest and in numbers. The beginning of a fine orchestra ably assisted with the music. Messrs. Thomas and States make good music. May their tribe increase!

The last of the Centenary series of sermons will be preached Sunday, and the effort to induce as many as will to join the Tithers' band will be made. This proves a means of grace not only to the tither, but a great blessing to the church. God says today as of old, "Bring ye all the tithes into my storehouse, and try me and see if I will not open the windows of heaven and pour out on you such a blessing that there will not be room enough to contain it."

At the evening hour the pastor will again preach using as his sermon subject "The Struggle for the Life of Others." There is a welcome for all. You will enjoy the services and the fellowship.

THE MOST SENSATIONAL--THE MOST DISTINCTIVE

Spring Fashion Display

Your Spring SUIT

Should become you. It is not necessary to buy a faddish style—or one not suited to your type. There are plenty of conservative models—designed along tailored lines which entirely avoid the extreme.

Suits for Women Suits for Misses

You have your choice of a greatly varied line. Probably the suit styles are more varied than for many seasons—there's a reason. "Box" styles are in great favor—yet only the slender attempt this model, so there are straight line coats of less fullness and longer in length for those who admire this style. For the woman who admires the more mannish tailored style we have a choice, too. In fact, there are dressy suits, semi-dress suits and plain suits.

An interesting feature, indeed, is the price asked. These suits were purchased at a very opportune time—they were bought at figures far below the present wholesale cost—and can therefore be sold to you at prices that cannot be reached otherwise. But this is not all, they go into the Great Closing Out Sale and at prices in conformity with the other sale values. It sounds almost too good to be true, you say. Just come in and let us show you—you'll be convinced.

RED SALE TICKET IS TO BE FOUND ON EACH GARMENT.

We are told that it is ridiculous to think of selling such splendid garments at the prices at which we have them marked, but like every other item in the store, they must go. We know, and know well, that these garments cannot be duplicated at anything near the price—that makes no difference.

RED SALE TICKET IS TO BE FOUND ON EACH GARMENT.
