J. B. Curry, we understand, has sold his two sections near Canton to George and Claude Farrell. George Farrell is Claude's father, and he and Mrs. Farrell arrived Tuesday morning from Scotia and will move out during the summer. We are sorry to lose the Curry family but will have to grin and bear it, but we will be equally pleased to have Mr. George Farrell take up his residence among us. Mr. Curry has not decided definitely what he will do but will probably move to Scottsbluff or Gering.

Miss Mamie Whitaker came home from Alliance Monday, where she had been for the past six weeks.

Atlanta Business Mann is Enthused

Since Taking Tanlac Almand Says He Feels as Well as He Ever Did

"If you had seen me before I began taking Tanlac you would hardly believe me to be the same person," said A. F. Almand, a well-known seed merchant of 271-3 Peters street, Atlanta, Ga.

"For more than a year," he continued, "I suffered terribly with stomach trouble. After eating anything I would always have gas on my stomach and would constantly belch up my sour, undigested food. I suffered with heartburn constantly and was extremely nervous, my liver was sluggish and I was bilious, too. I felt languid and tired-out most of the time and often felt so bad that I could hardly attend to my business properly.

"I heard so many people praising Tanlac that I began taking it, too, and by the time I had finished my second bottle I had gained nineteen pounds. I never suffer now with heartburn or indigestion and am not nervous like I was before. I sleep well and get up in the morning feeling fine and ready for a hard day's work."

Tanlac is sold in Alliance by F. E. Holsten and in Hemingford by the Olds Drug Co.

Rev. and Mrs. F. R. Williams of Marsland are in charge of a revival campaign being held at Mullen, this state, and which will close this week. Splendid success is reported. Rev. Williams will then go to Rushville for a series of meetings which will extend over a couple of weeks, before returning to his pastorate at Marsland.

Walter Langford, well-known pioneer Box Butte county farmer, died at his home near Berea Wednesday night after a short sickness from influenza. He is survived by his wife and children. Mr. Langford came to Box Butte county when a boy with his parents in the year 1888. He was about forty years of age and had been making his home in recent years on his farm near Berea.

A lot of people only stop worrying about their life insurance policy when they die.

EXCESSIVE ACIDITY is at the bottom of most digestive ills.

KI-MOIDS for indigestion afford pleasing and prompt relief from the distress of acid-dyspepsia.

SPEAK of comfort to a Hupmobile owner, and he thinks, for one thing, of his cars, **PERFORMANCE**

He does that because he knows that his four-cylinder car not only equals, but actually out-performs other types on the essential points.

He is rarely tempted by cars with more than four cylinders. He has seen them perform; and he believes his Hupmobile does better.

Comfort also means **SERVICE** to the Hupmobile owner. For him, word service translates itself into service from the car, rather than from the service station.

Next he thinks of **ECONOMY**. He runs his car at an unusually low outlay.

He gets really exceptional mileage on gasoline and oil. The same applies to his tires. And the item of repair parts and labor figures hardly at all. Dose comfort mean these things to you?
