

GOVERNOR MCKELVIE AT ANSELMO MEETING

Governor and Other Prominent Citizens will be on Program at Potash Highway Meeting

Governor Samuel R. McKelvie has accepted the invitation of the Potash Highway Association to meet with it as its guest of honor at the meeting to be held in Anselmo on June 2nd. In a letter to Lloyd Thomas, secretary of the association, the governor says:

"I am very glad to accept the invitation of the Potash Highway Association for a meeting at Anselmo on June 2nd. There is only one thing that may stand in the way of this, and that will be the return of the 89th Division from France at about that time. If they should arrive then I may feel obliged to meet them at New York City, but I will probably know about that in time to let you know so that you may obtain the services of some other speaker."

Inasmuch as the 89th Division is hardly expected to reach New York before the middle of June the governor may be expected as the guest of honor at the meeting at Anselmo. Alliance is planning to send a large delegation to the meeting.

SUNDAY NIGHT AUTO ACCIDENT AT DUNLAP

John Frazier, Well-Known Farmer is Run Down by Team Hitched to Automobile

John Frazier, well-known farmer living northwest of Alliance suffered broken ribs and minor cuts and bruises Sunday evening as the result of an accident in which he was run down by a team of horses hitched to a stalled automobile. Mr. Frazier and family, accompanied by the John Lawrence family had gone to Dunlap for a load of trees. On the return trip the Frazier car became fast in the sand and the assistance of a near-by farmer and his team was secured to free the machine. Mr. Frazier, it seems, stood at the horses' heads and when the animals became aware of the nature of their load they became frightened and ran. Mr. Frazier, being in their path, was run down and dragged for a distance of about one hundred feet before the horses became free of the car. Mr. and Mrs. John Wiker, of this city, who happened along just as the accident occurred, freed Mr. Frazier and brought him to his home. He is getting along as well as could be expected and feels fortunate that the result was no more serious than it proved to be.

High School Notes

Last Friday night our debating team returned from Sidney the joyful winners of the district championship. Wm. Coutant was chosen to represent the Northwestern District at Lincoln, where the contest for state championship will be held. We are very proud of our debating team since they have made the district championship banner ours for the third succeeding year, and thereby, our permanent property. The boys and girls report a very pleasant reception in Sidney, and came home feeling fine. Miss Keith gave a very interesting report of the trip, Monday morning, during assembly.

Invitations are out for the Junior-Senior banquet to be held in the high school gym, Friday evening, May 9. However, since one member of the Senior class cannot be present at that time it has been postponed until Saturday evening, May 10.

A tennis club has been organized at the high school, of which Glen Joder was elected President, and Lois Wildy, secretary-treasurer. A committee of five, one from each class and one at large was appointed to draw up rules and regulations. The club has been named the A. H. S. Tennis Club. Although the making of the courts has been unavoidably delayed, it will not be long now until they will be in good condition for playing.

Friday night, May 9, Wade Grassman will go to Gordon, where he will represent Alliance in the State Oratorical Contest. Our best wishes go with Wade, and we hope he will bring back more honors for the A. H. S.

Leon Alter has gone to the hospital to undergo an operation for appendicitis. We wish him good luck and a speedy recovery.

Mr. Arbuckle, whose coffee goes around the world, once said two-thirds of his department heads and the best of his sales force came to him through classified advertising.

Don't waste time, Mr. Business Man, in a personal search for the man you want.

WANTS WHOLE WORLD TO KNOW

Missouri Woman Doing Her Part To Let Others Know What Tanlac Will Do

"My eight years search for a medicine or a treatment that would overcome my troubles never met with any success until I commenced taking Tanlac," said Mrs. A. B. Cosseboon, who lives at 425 Independence avenue, Kansas City, Mo., while talking with a Tanlac representative the other day.

"My kidneys and stomach were both in very bad condition," she continued, and it is hard to say which of these troubles caused me the most misery. The awful pains in my back, and the terrible, raging headaches I had would almost drive me wild, and if I stooped over for anything it was impossible for me to straighten up with assistance. Then I would have severe pains on account of my food not digesting properly, and forming into what seemed to be a lump in the pit of my stomach. I was also bothered a great deal on account of my limbs getting numb, or going to sleep and would often have to rub them with alcohol before I could get any relief. Finally my nerves got in very bad condition, and I was not able to sleep very well, and I just got so weak and run-down that it would exhaust me completely to do any part of my housework.

"After reading so much about Tanlac in the Kansas City papers, I decided to make one more effort and give Tanlac a trial, and let me tell you, that was the wisest decision I ever made in my life. It seems almost too good to be true, but I am now as well and happy as I ever was in my life. Why, the change in my condition is so wonderful that everybody who knows me is talking about it, and I always take a perfect delight in telling them that Tanlac is responsible for it all. My kidneys seem to be in perfect condition now, and I am entirely free from those pains in my back, and I haven't had one of those raging headaches since I finished my first bottle of Tanlac, and I eat just anything I want and my food digests perfectly. The numbness and pains in my limbs have disappeared and I am so completely rid of nervousness that I sleep like a child every night. My strength and energy have come back to me, and I can do all my housework without the least trouble. In fact, Tanlac has made me well strong woman again, and I just want the world to know what a great medicine Tanlac is, and I am glad to recommend it to everybody."

Tanlac is sold in Alliance by F. E. Holsten, in Hemingford by Hemingford Merc. Co., and in Homard by Mallery Grocery Co.
