

**ASPIRIN FOR COLDS**

Name "Bayer" is on Genuine Aspirin—say Bayer

Insist on "Bayer Tablets of Aspirin" in a "Bayer package," containing proper directions for Colds, Pain, Headache, Neuralgia, Lumbago, and Rheumatism. Name "Bayer" means genuine Aspirin prescribed by physicians for nineteen years. Handy tin boxes of 12 tablets cost few cents. Aspirin is trade mark of Bayer Manufacture of Monoacetic-acidester of Salicylicacid.

**SALTS IF KIDNEYS OR BLADDER BOTHER**

Harmless to flush Kidneys and neutralize irritating acids—Splendid for system.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

**HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!**

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.

**IF HAIR IS TURNING GRAY, USE SAGE TEA**

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

**COUNCIL BUYS MORE LAND FOR THE CITY PARK**

(Continued from Page 1.) City Attorney Metz was authorized to make a settlement with the Weber Chimney company. He had taken the matter up with a firm of lawyers in Bridgeport, attorneys for the company, and a basis for settlement was arrived at which the council was satisfied was the best that could be arranged.

An ordinance creating paving district No. 3 was introduced, advanced to final passage, and adopted by the council without a dissenting voice. A petition of the adjoining property holders had been filed. The third paving district embraces all of Box Butte avenue from Fifth to Tenth streets, inclusive. The ordinance provides for a thirty-six foot paving, with a parkway of twenty feet in the center, which will be planted with suitable trees and shrubs. The ordinance will lay over for thirty days, and then bids will be advertised for. Mayor Rogers states that the present plan is to do no paving this fall, but to wait until spring, get an early start and push it for all it is worth.

Paving district No. 1 consists of one lonely little alley on Fourth street between Box Butte and Laramie. Paving district No. 2 is the first real step toward paving for Alliance. The ordinance was passed some time ago and the contract has been let and preparations are being made to go ahead with it as soon as the spring arrives. It includes Box Butte and Laramie avenues from the depot to Fifth street. The parking in the center will begin at Fifth street and will not be put in the downtown district.

An ordinance drawn by City Manager Smith, which prohibits driving with the muffler cut out open within the city limits, and providing for suitable punishment for violations, was introduced, advanced to final reading and passed without a dissenting voice. The city's tractor will not come within the provisions of the new ordinance, it was informally decided.

Another ordinance was passed at the request of the city manager Tuesday evening. This one provides a procedure which will protect the city when houses are moved within the city limits. The essential feature of the ordinance is that the man who secures a permit will have to undertake to reimburse the city for all damages to the streets, light wires, etc. The procedure is now as follows: When an application is made, the superintendent of the water plant will make an estimate of the probable damage that will result, and a deposit to cover this must be made before the permit is issued. Should the actual damages prove less than the estimate, the balance will be refunded. It was planned to include in the ordinance a provision that where circumstances were such as to warrant it, a permit could be had without light for a long

denied. In the past the city hospital period due to the failure of the moving men to make the proper speed, and it was desired to prevent a recurrence of this sort of thing, but on the advice of the city attorney this was not included in the ordinance. The same result can be secured, however, for the city authorities may set the route which must be traveled and can set a time when any house being moved must pass a given point.

A representation from the Alliance Volunteer Fire department presented a bill for \$250 worth of furniture for their new club rooms, which was allowed. Authority to make the purchase had been given by the preceding council.

The firemen's delegation also made the request that the city furnish electricity free of charge for the armory. The fire boys have been allowed the use of this building and all revenue from its use. They find themselves with a lot of unpaid bills on hand, due to several reasons, and wanted additional aid. Discussion developed the fact that the finances of the department are at rather a low ebb just now. A year ago they had plenty of funds, but the influenza epidemic last year cut off considerable of their revenue, and they have not received the occupation tax that was formerly paid in by insurance companies doing business in the city. Incidentally, the department is the only organization in Box Butte county that has to date officially welcomed the returned soldiers—and banquets cost money. In former years some member of the department attended to the collection of the occupation tax, and one of the delegation promised to take care of it this year. That will add about \$250 to their income. In the meantime, City Manager Smith was instructed to meet with the trustees, go over the situation and later report his findings to the council. In ordinary years the department is practically self-sustaining, but the run of hard luck the past year has made some assistance necessary.

Secretary Jones of the Community Club reported that he had mailed a letter to the council by order of the club's executive committee, but that it evidently had failed to arrive. The letter requested that the council take action upon four important matters, namely, automobile speeding, the use of glaring headlights, the running of automobiles with the cutout open and the riding upon sidewalks of bicycles. The council had already taken care of two of these matters at that meeting, but he wished to call particular attention to the last one. An experience meeting followed, in which it developed that the sentiment of the council was strongly in favor of action and an ordinance dealing with this particular nuisance will undoubtedly be introduced at an early date.

—Frank Abegg, cashier of the First National Bank, left Saturday night for a week's visit with his home folks at Blakesburg, Ill.

*The new Krippendorf Dittman*  
**SHOES**

are now on display. We have a full assortment of sizes in Field-Mouse, Cocoa brown, Havana brown, Grey, and Black Kid; also in Black Patent Leathers, prices are from, **\$7.50 to \$15.00.**

**Tricotine Tailored Dresses**

We are offering as a special this week a remarkable selection of good looking, practical garments, priced from.....**\$37.50 to \$50**  
Genuine fur, trimmed Bolivias, Silver-tones, Tinsel tones, Rayonniers, and Duvetyns, all colors, many new blouse back effects, from.....**\$57.50 to \$125.00**

**W. R. HARPER** Department Store

*Ask the Man Who Owns One*

It is a genuine pleasure to sell a piece of machinery that gives the universal satisfaction that the Rumely Oil-Pull Tractor does. Some of the features that contribute to this tractor's record are: It burns all grades of kerosene successfully. It has a low speed heavy duty motor—built to last. It is cooled by oil, the most efficient and least troublesome method. It is of standard design, developed after ten years' tractor building, and you have with Advance-Rumely machinery a near-at-hand service that beats manufacturers' good intentions.

We have one 30-60 and two 12-20 Rumely Oil-Pulls on which we can make Immediate Delivery.

*You Get a Written Guarantee with the Oil-Pull*

We also have for sale: Two 16-h. p. steam engines. One International Mogul, 20-h. p. One nearly new Fordson tractor at big discount. Two one-ton trucks.

**Norton & Clark**

First National Bank Building

*Ford*  
**THE UNIVERSAL CAR**

Most of the Gas Companies throughout the country use a fleet of Ford Runabouts. The same is true of other big corporations. The reasons are very practical. The Ford Runabout is the most economical solution of quick transportation from manufacturer to retailer. For soliciting business, for the Collector, for the Doctor, Contractor, Builder, and almost every other line of business activity, the Ford Runabout is really a necessity. We solicit your order for one or more. We ask your repair business.

**KIDNEYS WEAKENING? LOOK OUT!**

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain. This well-known preparation has been one of the national remedies of Holland for centuries. In 1666 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders. Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.
