Matinee 3 p. m.—15c & 35c  
Night 7:30—25c & 55c

—George D. Darling returned Thursday from a two weeks' buying trip that took him to St. Joseph, Kansas City, Omaha, where he was joined by Mrs. Darling, Chicago, Sheboygan and back by way of Omaha. He was able to secure some desirable merchandise for the Christmas trade, of which quite a little has already arrived.

—The usual warnings by the post-office are being sent out in advance of the Christmas rush. Christmas parcels, they say, should be wrapped securely, addressed plainly and mailed early. They may be marked "Do not open until Christmas" or with some similar direction.

—Call 160. Rough Dry 8c per lb. Alliance Steam Laundry.

—A. E. Fisher, of the Nebraska State bank at Bridgeport, was in Alliance Saturday on business. He made The Herald office a pleasant call to renew acquaintance with the Burr boys, both of whom he has known for a good many years. Mr. Fisher was for some time superintendent of schools in Aurora. He was on his way to Chadron, where his father, Eugene K. Fisher, one of the old settlers of that locality, is in a serious condition.

—City Manager Smith is taking steps to see that adequate fire protection is afforded the city of Alliance. "Silver" Longton has been temporarily placed in charge of the fire truck, taking the place of Leonard Pilkington. Mr. Longton is an electrician and muchly prefers to go back to his regular job, but in the meantime is standing by ready to fight fires. There is already one room in the city hall occupied by city employes who sleep there nights and hold themselves in readiness to answer fire calls. Another room is be-

ing fitted up, and within a week or ten days there will be four men constantly on the job.

—City Manager Smith is figuring on adding two paid firemen to the city's fire fighting force. The city employes who have been on emergency duty have been worked pretty hard. One of them has had but four hours off in the last fifteen days.

—Say Man, buy that fur trimmed coat for her. One-third off regular price. Highland-Holloway Co.

—Rev. A. J. Kearns has been appointed as a Presbyterian representative to the interchurch world movement conference at Lincoln, December 3 to 5.

—You need not go to the trouble of sending your hides away from Alliance. O'Bannon Bros. will buy all you have and pay the highest market price for them. In this way freight rates on small shipments will not consume all the profits.

—Special Agent T. J. Smith has received word from Fall River, S. D., that Wednesday morning a jury in circuit court, after a three-day legal battle, including two night sessions of court, had brought in a verdict of guilty in the case against Z. L. Coffin of Ardmore, S. D., on a charge of bootlegging. Coffin was tried on September 19 in county court and found guilty, but the case was appealed. Mr. Smith feels a special interest in the case because of the fact that he made the arrest. A number of state agents from Pierre, S. D., were present at the trial.

—Call 160. Rough Dry 8c per lb. Alliance Steam Laundry.

—Special Agent T. J. Smith of the Burlington is today in Rapid City, S. D., where he is in attendance at the trial of Theo. Bennett and Alvin Prickett of Hill City, S. D., who were arrested November 29 on a charge of attempting to wreck a train. Sheriff Cessenay of Rapid City and Mr. Smith made the arrests.

—Slight damage resulted from a fire at the residence of Dr. J. K. Lore, the other side of the fair grounds, Thursday morning, due to the prompt arrival of the Alliance fire department. The blaze was discovered inside the walls and presented a rather difficult problem for the fire boys, but they made quick work of it. A defective flue is believed to have been responsible. The alarm was turned in at 9 o'clock and forty-five minutes later the truck was at the barn.

—Call 160. Rough Dry 8c per lb. Alliance Steam Laundry.

—Ruth E. McKinney Thursday filed her petition with the clerk of the district court, praying for a decree of divorce from Thomas McKinney. The charge is desertion.

—Mrs. L. D. Holloway and Mrs. L. L. Smith will leave the last of this week for Denver, where they will make some extensive purchases of merchandise for the Highland-Holloway company.

—We grind our own lenses. Drake & Drake, Optometrists.

—Mrs. Eleanor Olds of Hemingford left this morning for Los Angeles, Cal., to spend the winter with her son, Harold.

—County Clerk W. C. Mounts has returned from a business trip to Omaha and Lincoln. He reports that the coal situation in both of these cities is quite serious, all business houses running on short schedules. Street car service is considerably curtailed and there are no street lights.
