 Board of county commissioners met pursuant to adjournment, members present C. L. Hashman, chairman, George W. Duncan and Anton Uhrig. The following proceedings were had and done to-wit:

**Resolution**

Whereas, It is necessary that a public road or highway be established upon and along the north, south and east boundary lines of section four (4) in township twenty-four (24), north of range forty-seven (47), west of the sixth principal meridian in Box Butte county, Nebraska, and

Whereas, a public road has been traveled along the said section line for a period of more than thirty years, and

Whereas, the board of county commissioners desire to establish said road.

Be It Therefore Resolved, that a public highway is hereby declared established on the following described lands, to-wit: Beginning at the corner common to the northwest corner of section four (4) and the northeast corner of section five (5), in township twenty four (24), north of range forty-seven (47), in Box Butte county, Nebraska, and thence running west on the north section line of said section five (5), a distance of 33 feet, thence running south on a line parallel to the east section line of said section five (5), a distance of 322 rods to a point 33 feet south of the south section line of said section five (5), thence east on a line parallel with the north boundary line of said section five (5), a distance of 324 rods; thence north on a line parallel with the east boundary line of said section five (5), a distance of 322 rods, to the north boundary line of said township twenty-four (24), range forty-seven (47), thence west of said north boundary line of said township twenty-four (24), a distance of 66 feet, thence south on a line running parallel to the east boundary line of said section five (5), a distance of 318 rods, thence west on a line parallel to the south boundary line of said section four (4), a distance of 316 rods, thence north on a line parallel with the said east boundary line of said section five (5), a distance of 318 rods to the north boundary line of said township twenty-four (24), thence west on the said north boundary line of said township twenty-four (24), a distance of 66 feet, to the point of beginning.

Motion made by Duncan and seconded by Uhrig that the resolution be adopted.

Resolution unanimously adopted.  
 Adjourned until Monday morning, March 29, 1920.  
 C. L. HASHMAN, Chairman.  
 W. C. MOUNTS, Clerk.

**MRS. NELLIE SAGE**

Mrs. Nellie Sage, who lived south of Alliance, was born in Virginia on June 10, 1842, and died March 27, 1920, aged seventy-eight years, seven months and seventeen days. Her husband was killed in a railroad wreck thirty years ago. She had no children of her own, but had adopted five during her lifetime, only one of whom is living, a daughter in California.

She was a member of the Methodist Episcopal church in Alliance.

During her early life she traveled extensively with her husband, who was a collector of wild animals, visiting the continents of Asia, Africa and Europe. She had met personally a number of the crowned heads of Europe, among whom was the former kaiser of Germany when he was a boy. She also met Queen Victoria of England and the pope at Rome.

Funeral services were held from the Methodist church Monday afternoon at 2 o'clock, and the body was laid to rest in Greenwood cemetery.

**FROM "BEST SELLERS"**

The blue eyes of the Greek sparkled. So did the shoes he had just shined. He saw a quarter in the customer's hand, who looked as if he was going to make a noise like a tip.

She let her eyes fall. But in a moment the gallant lieutenant caught them.

**Better Coffee Cheaper**

You know that the best coffee your Grocer sells

May be the worst coffee you ever drank—

If you do not prepare it properly.

There is a great deal to the coffee pot.

Some coffee pots are nothing more than just

Tin dishes in which you boil up hot water and

Ground coffee beans.

Some are just like that, only that they are

Made of more expensive stuff than tin.

Some are

**REAL COFFEE MAKERS**

And if used

Intelligently, will make a good beverage out

Of a cheap coffee and something quite wonderful

Out of a good article.

Our Universal percolators make the kind of coffee

That finicky folks like to drink.

They cost just a little more than the old tin pot.

They are worth many times as much and save it, too.

The cheapest is \$4.00.

Let us show you how they work.

Let us tell you the

Names of some good coffee makers using them.

Our telephone number is three—eight.

Thank you.

**See The Dollars Fly Away**

**Are You Sleeping on the Job?**

In these days when money comes easy it likewise goes easy. The cost of nearly everything is much higher than a few years ago. Wages are generally higher, and consequently it is the easiest thing imaginable to "hurry through" your week's salary with the result that pay day often finds you with a few dollars owing here and there. The result is you "are living from pay day to pay day."

**Why Not Turn the Tables?**

Would it not be much better to have money left when pay day rolls around? It takes no great effort—just a small effort all the time. Begin a savings account and put away a definite sum every pay day. It will be hard sledding for the first few times but it can be done on almost any salary. Determination is the biggest element involved.

**We Will Help You**

It is our business to help people who want to make their salary go farther. In order to make it easier for you to begin and keep it we have secured some Handsome Steel Savings Banks to keep in the home. You may not always have time to come to the bank and again you may have some odd change that would be spent otherwise. This is how the steel banks will help you. You can get your today—if you have a Savings Account or if you start one.

You Know a Savings Account Is Good—What Will It Take to Make You Begin And Stick to It?
