

GOOD RESOLUTIONS FOR BOYS AND MEN

The following resolutions were adopted by the older boys' conference held at Chadron, under the auspices of the Nebraska state committee of the Young Men's Christian association of Nebraska:

The older boys of western Nebraska and southwestern South Dakota in a joint conference at Chadron, Neb., March 26, 27 and 28, 1920, resolve:

That with the help of inspiration receive at the above conference we will clean up our own lives.

That we will avail ourselves of the opportunities which are possible through a Hi-Y program.

That we will adopt without reservation the single standard of morals.

That our relationship with individual girls of our community be kept on the basis of real comradeship.

That we urge our boards of education to select Christian teachers in order that the students may be encouraged to carry out the slogan to create, maintain, and extend high standards of Christian character throughout the school and communities.

That we shall endeavor to promote social activities that shall raise the moral standard of our communities.

That we will ask the girls of our communities to co-operate with us in carrying out the above resolutions.

That we urge the churches of our communities to put into their program the things that will challenge

the best in boy life.

That we will back up the church and all Christian organizations promoting work with boys.

That we express our thanks to those who have addressed us and those who have set up this splendid conference, to the citizens of Chadron who so royally entertained us in their homes, to the local W. M. C. A. for their co-operation, to the Community club for the automobile ride, to the state normal for the many ways it has contributed in making the conference such a wonderful success.

HOW OFTEN we have heard such an exclamation from our customers when they see the result of the Dry Cleaning and Pressing we give their garments! You will say it, too, when you see the work you ask us to do for you.

We remove the dirt—every spot—and restore to your garments their original freshness. Then we press them. Our equipment is the best that we can buy. It produces perfect work.

In 2000 Counties This Month

The Forces of the Church of Christ Will Gather To Face the Facts

IN 2000 counties in the United States the pastors and laymen of 30 great denominations will meet in conference this month.

It is the kind of conference that generals hold before a critical engagement; that business men hold before entering a new market. A conference of judgment, not emotion; a clear-eyed facing of the facts.

A Survey that Business Men Must Admire

For more than a year hundreds of workers have been quietly engaged in making a scientific survey of the mission fields, and of America county by county.

The facts developed are startling. No such picture of America's religious situation has ever before been drawn.

On the basis of these surveys thirty Protestant denominations are uniting in a

Nation Wide Cooperative Campaign

Each of the thirty denominations has its own "Forward Movement" organized and officered. The Interchurch World Movement is the clearing house for all of these.

It is the agency which the churches have created to avoid duplication, to foster cooperation and make sure that every man and dollar render the utmost service possible.

The month of April will be devoted to making the facts of the survey known to America; in the week of April 25th - May 2nd, will come a united simultaneous financial campaign.

Whether You Are Inside the Church or Out

To every man and every woman who loves his country, these 2000 county conferences are vitally important.

For the facts developed by this great survey show vividly what forces are at work in America—and what kind of a country this country is to be.

See that the pastor of your church appoints delegates. Any pastor can tell you the conference place and date. Or write direct to the
