### POLITICAL ADVERTISING

#### J. W. GOOD FOR SENATOR

J. W. Good has filed for renomination on the Republican ticket for State Senator of the 28th district. I believe that my record in the legislature in 1919 would entitle me to the second term, as my services were satisfactory to the people in general over the district. I did my very best for the people and the district as a whole, but as it takes some time the first term for anyone to get acquainted with the running of the legislature, I believe that I or anyone else ought to give you better service the second term than the first.

I believe I know the needs of the farmer, ranchman, the business man. My business relations with the railroad man qualify me to know something of his needs. I homesteaded in my district 24 years ago, and have farmed and raised stock all my life. I have also been in the mercantile business for 30 years, and at the same time I operated my farms and ranches.

With my experience in the legislature, I am satisfied that we need some changes in the laws; not more laws but better laws; for instance, we should have some change in the pardon and parole law.

I will be very much pleased to have your support, your vote, and your influence. Sincerely yours,  
J. W. GOOD.

## Ernest M. Pollard For Governor

Ernest M. Pollard, Republican candidate for Governor in the primary, April 20th, was born in Nebraska fifty-one years ago. He owns and operates the farm homesteaded by his father, Isaac Pollard, at Nehawka, Cass County, in 1856.

After graduating from the State University, the voters of Cass County elected him a member of two sessions of the State Legislature. Later, the voters of the First Congressional District sent him to Congress for two terms. At present he is a member of the State Constitutional Convention, and has shown himself to be progressive, sincere and level-headed.

While in the United States Congress he was a member of the Agricultural Committee of that body and brought to the farmers of Nebraska, through the State Experimental Station, the serum treatment for the control of hog cholera which has practically wiped out this plague.

An Governor, he will represent no class. He will vigorously enforce all the laws and will insure to all the people, whether rich or poor, every personal and property right guaranteed by the Constitution.

He is a successful farmer and will give the state a business administration. His nomination will mean certain victory for the Republican party in the November election.

### POLITICAL ADVERTISING ANNOUNCEMENT

I am a candidate for State Senator, Twenty-eighth Senatorial District, on the Republican Ticket, Primary Election, April 20, 1920.

I have lived in the district the past thirty years, and have been identified mostly with the mercantile trade, from which I have just retired.

I have given some study to the community interests of country and town, so that in matters pertaining to the farmer and the business man I believe I can serve both acceptably.

Below is a digest of the primary law for 1920: Precinct primaries, April 20, 1920. County conventions, May 11, 1920. State convention, May 13, 1920. Each voting precinct shall elect delegates to the county conventions at the primary election; also shall elect one man and one woman as member of the County Central committee for a term of two years. Women can vote only as follows: For school officers, presidential preference, municipal officers, county officers, except judge; delegates to the national convention, precinct officers, except justice of the peace; for county bonds and for township officers. Cut this out and keep it.

Soliciting your votes, I am  
GEORGE E. GORTON,  
40— Crawford, Neb.

### WHITE LIES

An officer at G. H. Q., was heard to remark "Same to you," on returning the salute of a passing enlisted man.

When asked his reason for this, he replied: "I was a buck myself once, and I know what is on their mind when they salute an officer.—American Legion Weekly.

—As to the Potato Inspection, Senate File No. 133, introduced by Senator J. W. Good of Chadron, Neb., was passed during the 1919 session of the Legislature, independent of the Code Bill and it is a law regardless of the Code Bill. Like many other good statutes it was incorporated into the Code Bill, but upon suspension of the Code Bill those laws were not suspended, but are enforced in their original form.—Omaha World-Herald. 39
