#### ANNOUNCEMENT

I am a candidate for State Senator, Twenty-eighth Senatorial District, on the Republican Ticket, Primary Election, April 20, 1920.

I have lived in the district the past thirty years, and have been identified mostly with the mercantile trade, from which I have just retired.

I have given some study to the community interests of country and town, so that in matters pertaining to the farmer and the business man I believe I can serve both acceptably.

Below is a digest of the primary law for 1920: Precinct primaries, April 20, 1920. County conventions, May 11, 1920. State convention, May 13, 1920. Each voting precinct shall elect delegates to the county conventions at the primary election; also shall elect one man and one woman as member of the County Central committee for a term of two years. Women can vote only as follows: For school officers, presidential preference, municipal officers, county officers, except justice of the peace; for county bonds and for township officers. Cut this out and keep it.

Soliciting your votes, I am  
**GEORGE E. GORTON**,  
40— Crawford, Neb.

#### TO THE INDEPENDENT WOMEN VOTERS OF NEBRASKA

OMAHA, Neb., April 10, 1920.—The women of Nebraska are entitled to vote in the coming primary election for their choice of presidential candidates and for delegates to the national convention, also for national committeeman. The women have acquired the ballot at a most opportune time. The combined liquor interests of the country are making a most determined and insidious attempt to modify, nullify or repeal the grandest moral and economic reform—prohibition.

The liquor power has undertaken to concentrate its forces in the Democratic primary for the purpose of electing wet delegates to the national convention so as to write a wet platform and nominate a wet candidate. They believe that they could carry the solid south and west and elect their wet president, and he would be expected to use his powerful influence to restore the manufacture and sale of beer and wine with all the debauching, degrading and demoralizing effect.

Women are not Democrats and Republicans because their husbands or fathers are. If they were, equal suffrage would be a farce. Women are yet independent first voters, and as such we lay before you the situation and urge you to meet your worst enemy—liquor—on the battlefield selected by the liquor interests—the Democratic primary.

If the liquor interests can be prevented from capturing the Democratic party in this primary, the liquor business is down and out for all time. If they win in the Democratic primary, they may undo all the good work that the temperance and moral element of the country have accomplished in the past twenty years. The women have it in their power to deal the liquor interest its death blow. There is no "wet and dry" issue in the Republican party this year. The women have the same privilege as the men; they can register in cities, giving the party affiliation of the party they desire to vote in, in the primary, and they have the same privilege as the men of selecting whatever candidates from any of the party tickets and vote for them in the fall elections.

In cities of less than ten thousand population and in the country voting precincts women the same as men do not have to register but can call for whatever political party ticket they want to vote.

National platforms are written by

the delegates to the convention from the several states, and the delegates also select the presidential candidate. The important thing, therefore, is to elect dry delegates in this state to the Democratic national convention.

Mr. W. J. Bryan is a candidate for delegate to the Democratic national convention. Mr. Bryan declined to stand as a candidate for president in order to go as a delegate and make the fight on the convention floor to prevent the liquor interests from capturing the Democratic party. The moral dry forces of the country, and especially the women, are looking to Mr. Bryan to fight their battles for prohibition and suffrage. The combined wet, anti-suffrage element, under the leadership of Hitchcock and Mullen, are trying to defeat Mr. Bryan and the other dry candidates for delegates and national committeeman.

The names of the Bryan delegates-at-large are W. J. Bryan, Lincoln; Dan V. Stephens, Fremont; George W. Berge, Lincoln, and J. J. Thomas, Seward. National committeeman, W. H. Thompson. District Delegates for First District: Charles A. Lord, Joseph H. Miles. Second District: Mrs. E. B. Towle, Lieut. Albert E. May. Third District: Seymour S. Sidner, Mrs. Marie Weekes. Fourth District: George Landgren, V. E. Stahl. Fifth District: Geo. E. Hall, W. M. Somerville. Sixth District: Frank J. Taylor, Charles W. Beal.

You are entitled to vote for four delegates-at-large, one national committeeman, and for two district delegates from the congressional district in which you live.

Independent Women Voters—The undersigned committee appeal to you to go to the polls on April 20, call for a Democratic ballot, and put a cross mark opposite the names of each of the names given above as the Bryan candidates and help hold the moral ground that we already have conquered. Yours truly,  
Mrs. Dr. Jennie Calfas, Omaha,  
Pres. Neb. Women's Dry Fed;  
Mrs. Lela Dyar, Boone,  
Mrs. Mamie Claffin, Uni. Place,  
Mrs. Edna M. Barkley, Lincoln,  
Mrs. W. E. Hardy, Lincoln,  
Mrs. P. T. McGeer, Falls City,  
Mrs. Chas. Roberts, Omaha,  
Mrs. Frank T. Ramson, Omaha,  
Mrs. W. T. Graham, Omaha,  
Mrs. Geo. W. Covell, Omaha. 40p
